

Rovers In 4-0 Victory Over Falcons Last Night

Phil Murphy's two run triple which set off a three run outburst in the first inning gave the Rovers a 4-0 win over the Falcons and their third straight win in League competition this year. The game was a regular league fixture and was played on the Memorial Field Diamond.

Benny Carson was the winner as he made his first start of the year while Cliff Ready was the loser. Ready's won and lost record is now one and one. Ready gave the winners but two hits during the game with both of them coming in the first inning following a walk and an error.

Carson gave up six hits in walking the game while he walked two, hit another and struck-out thirteen. Ready walked two, hit one and sent down three players on strikes. Jack "Spy" Ready made his debut behind the plate for the Falcons replacing their regular backstop Vern Larner. He thereby became the first lefthanded catcher in City League baseball.

A walk, an error, Murphy's triple and Kennedy's single produced three runs for the winners while they added their fourth marker in the third frame. A walk, a stolen base and a two base error by pitcher Ready led to the tally.

Buck Whitlock, playing manager of the Falcons, played a great game. He led the batters with a two for four night and made a brilliant backhand stop at the short field. Kenny MacDonald gathered in Kennedy's fly ball in the third for another nice play.

Chicago White Sox gained an even split in their four-game series with New York Yankees when they rallied Thursday behind Saul Rogovin's four-hit pitching for a 5-2 win.

Rogovin's brilliant performance boosted the White Sox's lead 3½ games as they head into Boston for another important four-game set.

Two towering home run blasts by Johnny Mize robbed Rogovin of his shutout. Only three other Yankees reached base against the 27-year-old righthander who came to the Sox from Detroit in exchange for Bob Cain last month.

Nelson Fox and Eddie Robinson led the 13-hit attack on loser Spec Shea, Bob Kuzava and Jack Kramer. Fox had a triple and two singles and Robinson a single and home run.

Chicago also opened up another game on the third place Boston Red Sox, beaten 8-4 by Cleveland. Sam Chapman's three-run double was the big blow for a four-run spurt off lefty Maurice McDermott in the first. Chapman also stole home in the inning and drove home another run later in the game.

Mike Garcia kept the Red Sox in line until the ninth when Bob Lemon replaced him with two on and nobody out.

Bob Cain, the lefty Detroit got when they traded Rogovin away, won his sixth of the season and fifth for the Tigers with a 9-3 edge over Philadelphia. Loser Carl Scheib homered for the A's.

Preacher Roe won his 10th straight for Brooklyn with a 6-4 victory over Cincinnati that capped the Dodgers' National League lead to 6½ games. The Preacher needed relief help from Carl Erskine in the ninth.

Cal Abrams, back in left field, drove in two runs with a double and scored another for the Brooks. Jackie Robinson hit a homer for Brooklyn and Roy McMillan hit his first in the majors, as a pinchhitter in the ninth.

Gerry Staley shut out the New York Giants with five hits, 2-0, riding home on a two-run St. Louis rally in the third. Stanley started it all with a double, a single by Solly Hemus and Red Shoendienst's double did the rest.

Tommy Brown, the ex-Dodger, hit a grand slam homer in the Phillies' 10-5 romp over Pittsburgh. Used in the outfield and at third base with the Dodgers, Brown played second for the Phils. Bill Nicholson and Willie Jones also homered.

Robin Roberts coasted to his eighth win, allowing 12 hits, three each to George Metkovich and Gus Bell. Rookie Paul LaPalme, who gave up eight of the runs, was the loser.

The Boston-Chicago game was postponed on account of rain after they had played one inning with Boston on top 1-0.

tion was put forward that possibly consideration might be given to leaving the first 10 days of the season for local hunters and then opening it to those from outside the island.

New Regulations

(Continued from page 1)

Presided over by Mr. Harold Smith, Pownall, the meeting was held in the Vocational School and several matters of interest dealing with open seasons on game birds were discussed. It was decided to recommend that the season on Hungarian partridge be the same as last year, from October 1 to November 11, but it was suggested that the season on pheasants run from October 15 to November 11, an additional 11 days this year, and that the bag limit per day be three birds, either cocks or hens. It was stated that all three county branches had agreed on this change.

A discussion on the crow shooting contest resulted in an agreement being reached on the prizes to be awarded to those killing the greatest number of the birds. The 1st prize is \$50; 2nd prize a complete shooting outfit, including a shooting coat; 3rd, Pair of hip rubber boots and two boxes of shells; 4th, 4 boxes of shells; 5th, Bamboo casting rod; 6th, 2 boxes shells; 7th, 8th, 9th and 10th: 1 box of shells each.

The top prize for the juniors will be \$15; 2nd prize, a shooting coat; 3rd prize, \$5. However, there is nothing to prevent a junior from winning the big prize of \$50.

Prior to the start of the business meeting two films were shown the gathering. One of them, "Winged Horizons" depicted hunting of pheasants, ducks, geese and partridge in Alberta. It also showed the field trials for hunting dogs and later described how shotgun shells are made. The other picture "The Farmer Makes a Profit", dealt with the manufacture of compound fertilizers and their uses by farmers. It traced farming and orchard operations from Nova Scotia to British Columbia and described the particular formula of each of the fertilizers used to obtain the greatest harvest results.

In a discussion at the end of the meeting regarding the coming to the province of hunters from outside points it was felt that groups of them arriving and hunting with dogs for several days in one area led little for the farmer to hunt after they were through. A sugges-

West Kent

(Continued from page 5)

Addressing the students, Brig. Reid spoke of the importance of the Home, Church, and School in the lives of the young people, and dealt briefly with the different influence each of these would have on their futures.

Dr. Carson spoke particularly on the excellent work of the cadet band of West Kent, and joined with Brig. Reid in offering best wishes for success to the graduates.

An excellent address was given by valedictorian Miss Eileen MacArthur in which she reviewed phases of school work accomplished throughout the year and the very successful athletics participated in.

Mr. Hine praised Mrs. D. M. McGuire and other members of the Parent-Teacher Association for their efforts in preparing the closing, and called on Mrs. McGuire who spoke to the audience briefly.

Very pleasant entertainment was provided by members of the student body who offered the following: "Minuet in G", piano solo by Miss Helen Chappell; "Cruising Down the River", vocal solo by Frank Mellish, and "Spin, Maiden Spin", chorus by girls of Grades 9 and 10. Mr. Robert Crooks acted as accompanist.

Prizes included a special prize for athletics, in particular speed skating, awarded to Helen Whitlock, Grade 10, and the Lieut. Frederick Seaman Memorial Prize, presented to the boy who has developed and practiced the truest sense of sportsmanship, awarded to Robert Hutcheson, Grade 10.

Chandler Through As Baseball Head July 15

CINCINNATI, June 21 — (AP) — A. B. Chandler signed himself out today as commissioner of baseball, resigning effective July 15.

He asserted he quit at his own terms. He said he wanted to stay on the job until after the All-Star game at Detroit July 10 and the dedication of a baseball park at Reading, Pa., a few days later.

It was the final act of baseball drama which began late last year when the major league club owners refused to renew Chandler's contract for another seven years.

That contract ends next April 30. But baseball, not wanting a "lame duck" commissioner, decided to take up the contract, which calls for \$65,000 a year salary.

In New York, a few days ago, they agreed to Chandler's terms—legal protection from any suit against baseball and a date of resignation to be set by him.

Chandler, in turn, agreed to defend baseball in the several suits against it, all of them challenging the constitutionality of the reserve clause written in every player's contract.

That clause binds a player to the club which signs him, and is the lifeline of the game.

With the same wide smile that caused him to be nicknamed "Happy" when he entered Kentucky politics years ago, Chandler told newsmen today: "Baseball got to its greatest heights while I was commissioner."

Warren Giles, president of the Cincinnati Reds and the emissary of the major league clubs who told Chandler his resignation had been accepted, said he did not know who was under consideration for the job.
