

THE DAILY EXAMINER.

OCTOBER 23, 1891.

A Significant Fact—Admitted.

We clip from the Patriot the following letter:

SIR,—In a recent issue of your paper you gave currency to a report to the effect that Mr. Nicholson, senior, attempted at one time to get Mr. D. J. McLeod dismissed from the College, which report is false in every particular.

Yours truly, JAMES NICHOLSON.

Eldon, Oct. 20 1891.

Our contemporary professes to be "glad" concerning this letter. Yet the simple fact stated in it, and accepted as true, is a strong proof of the utter fallacy of the Patriot's contention that the late Conservative Government was actuated by partisan motives in respect to educational matters.

In the light of his statement to the Patriot, we cannot wonder that Mr. Nicholson feels very strongly the injustice and inhumanity exhibited in the dismissal of his son and the appointment to his position of Mr. D. J. McLeod.

But any kind of treatment is apparently considered by Messrs. Peters and Mr. Farquharson to be good enough for Belfast. Belfast would have had no representative in the Executive Council if THE EXAMINER had not pointed out that it was scandalously unjust to ignore such a large and important section of the Province.

Progress of British Columbia.

THE Hon. Mr. Turner, of British Columbia—whom many of our readers will remember as at one time a resident of Charlottetown—has furnished a few statistics showing the development of the Western Province resulting from the building of the Canadian Pacific Railway, the promotion of steamship lines to the east.

The exports of the province have increased from \$1,858,000 in 1872 to \$5,785,000 last year, and its imports from \$1,790,000 to \$4,442,474. Trade has decreased with San Francisco, which is now a competing port, not a market, while there is a "large and rapidly growing trade" with Eastern Canada.

Dismissal of Mr. Bell.

MR. BELL, manager of the Government Stock Farm, has been dismissed at a month's notice. Mr. Bell was an excellent farmer and a good judge of stock.

Notes and Comments.

—Appropos of the appointment of Mr. Robinson, a mutual friend of the Government and THE EXAMINER suggests that it is a great pity that the former is not always guided by the advice of the latter!

Letter of Condolence.

FROM THE ODD FELLOWS TO DR. BAGNALL.

Yesterday afternoon a committee appointed by Willey Lodge, No. 27, I. O. O. F., waited upon Dr. J. S. Bagnall, and presented him with the following:

ODD FELLOWS HALL, Charlottetown, Oct. 22.

BRO. JOHN S. BAGNALL,—As brothers, and for your brethren of Willey Lodge, we greet you in this your time of great sorrow. We come with no formal speech of consolation, for we feel that our words however fully they might express our feelings, would mean so little to you when the lips of the one you loved so well are still in death.

REPORTS OF COMMITTEES.

LIBRARY COMMITTEE.

Mr. McSwain.—At the last annual meeting of this convention a committee was appointed to consider what action should be taken respecting the editing of a History of Canada that would be used throughout all the Provinces of the Dominion of Canada.

Mr. Seaman.—Mr. McSwain has done his duty well, and I move that he be re-appointed as our representative to the General Committee to deal with this matter.

Mr. McSwain, from the committee appointed to procure a library for the use of the association, reported that he had written to a number of publishers in the United States and Canada for the purpose of ascertaining their prices and the discounts they were willing to allow to teachers.

Mr. N McLeod moved that the report of the Library Committee be adopted, and that the committee be re-appointed. Motion seconded by Mr. Miller, and unanimously agreed to.

For Secretary and Treasurer—Walter Shaw, Kensington. For Corresponding Secretary—Janet Sohrman, Summerside.

For the Executive Committee—Chas. W. Kiely, J. M. Duncan, Miss E. E. McKinnon, James Daly, Fred West.

The eminent British antiquarian, Sir Charles Giesecke, says that numerous ruins exist in Southern Greenland, which are evidently relics of Norsemen who dwelt there centuries before Columbus discovered America. The local legend is that the present Esquimaux station of Igliko. The ruins consist of remains of walls of 17 stone dwellings, one of them marked in such a manner that it is reasonably certain that it was the house of Erik Rauth, a banished Icelandic Jarl, who was the first to land in Greenland. He established his settlement at Brattfield, as it was then named, and Igliko is believed to be the spot where that colony was located. It was on an isthmus between two fjords, and so is in Igliko. The fjords are believed to be the Erik's and Einar's fjords of the old sagas.

FOR OVER FIFTY YEARS Mrs. Winsloe's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relaxing the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winsloe's Soothing Syrup," and take no other kind. 1yr

IN OLDEN TIMES

IT WAS A COMMON REMARK that the Ladies of P. E. Island had not an opportunity of buying the Latest Novelties. For years it has been our aim to change all that, and we now claim that

TO-DAY

no city in Canada is more thoroughly in touch with the fashions than our own. We buy in Paris, London, Berlin and New York—the Centres of Fashion—and no Firm in Canada can undersell us.

TWO YEARS AGO

we gave up all kinds of Men's Furnishings, and since then our business has rapidly increased. Our MANTLE DEPARTMENT is second to none, and we are giving Astonishing Bargains in JACKETS, LONG CLOAKS, etc. Indeed, we think we are justified in saying that never before were such High Class Goods shown here, and never before were such marvellously low prices given.

The Reason of the Change

is simply that we now give our whole time and attention to LADIES' GOODS. As a result, we buy to better advantage, we sell at lower prices, we secure the latest novelties, and we invite everyone to call and secure some of our FALL ATTRACTIONS in

DRESS GOODS, MANTLES, MILLINERY, FURS.
