

What True Merit Will Do.

The unprecedented sale of Boscher's German Syrup within a few years has astonished the world. It is without doubt the safest and best remedy ever discovered for the speedy and effectual cure of Coughs, Colds and the severest Lung troubles. It acts on an entirely different principle from the usual prescriptions given by physicians, as it does not dry up a Cough and leave the disease still in the system, but on the contrary removes the cause of the trouble, heals the parts affected, and leaves them in a purely healthy condition. A bottle kept in the house for use when these diseases make their appearance, will save doctor's bills and a long spell of serious illness. A trial will convince you of these facts. It is positively sold by all druggists and general dealers in the land. Price 75 cents, large bottles.

*When a man wants to find fault he will do so if he has to spend all his time looking for it.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little shrub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gum, allays all pain, regulates the bowels, and is the best known remedy for their use, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.

THOUSANDS of women bless the day on which Dr. Pierce's Favorite Prescription was made known to them. In all those derangements causing headache, dragging-down sensations, nervous and general debility, it is a sovereign remedy. Its soothing and healing properties render it of the utmost value to ladies suffering from internal fever, congestion, inflammation or ulceration. By druggists.

MANHOOD

HOW LOST HOW RESTORED!

JUST published, a new edition of DR. CUL YERKSWELL'S CELEBRATED ESSAY on the radical cure of SPERMATORRHOEA or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, such as Gonorrhoea, Epilepsy and Fits, induced by self-indulgence, or sexual extravagance, &c. The celebrated author, in his admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically. This Lecture should be in the hands of every youth and every man in the land. Sent under seal, in a plain envelope, to any address, postpaid, on receipt of four cents or two postage stamps. Address
