A DISASTROUS FIRE.—The Guardian reports that Mr. Mark Carver, of Lyndale, Lot 57, suffered a serious loss by fire last Wednesday night. His new barn, with its contents, was burned to the ground. In it were 20 tons of hay, three cows, a threshing machine, all his grain and straw, and several other articles. By the heroic efforts of a number of kind neighbors the horses and the horse-stable were saved, as well as a barrack only a few feet distant, which contained about four tons of hay.

HOME NEWS FROM ABROAD.—The St. John Sun says: The fruit canning industry will yet find a prominent place in P. E. Island enterprises. The canning establishment of Jones & McRae at Pownal, during last summer put up 10 cases cherries 15 cases strawberries, 12 cases plums, 50 bush gooseberries, 30 bush tomatoes, a quantity of black and red currants, 15 cases pears, besides a large quantity of apples. They also canned in the early part of the summer 150 cases lobsters, and are now putting up oysters and clams.

ARTISTIC. — In the show window of Lewis photographic studio, may be seen a neatly-framed group of the Island cheesemakers, together with likenesses of Professor Robertson, and Superintendent Dillon and Mr. McLaren, of the cheese depot in this city. The likenesses are very correct, and the group is attracting considerable attention.

Excellent pictures of His Lordship Bishop Macdonald and a well-known and popular railway official, are on exhibition in the show window of Mr. P. H. Trainor's store on Kent Street. The process is known as the French Permanent Pastel, and the pictures are true to life.

PERSONAL.

Dr. George Macdonald, of Calgary, is here on an interesting mission. He is registered at the Hotel Davies.

Mr. Alexander Macdonald, Superintendent of the Island Railway, was a passenger in the western express this morning, en route to Moncton. He will be back tomorrow night.

There were registered at the Queen Hotel this forenoon: D C Morson, Cardigan; A J McLeod, Stanley Bridge; C A McNutt, Kensington; Miss Jane Moffatt, New Glasgow; Mrs E Semple, do.

Mr. Alexander E. Macdonald, the popular purser of the steamship Northumberland, was on Saturday afternoon presented with an elegant portmanteau and an address by the Intercolonial station agent and staff at Point Du Chene. The presentation was formally made by Mr. Chalters, station agent at the Point. The address made reference to the pleasant business relations which always existed between Mr. Macdonald and the Intercolonial officials at the Point, and expressed the hope that he would be spared to continue their relations for many years to come. Mr. Macdonald made a suitable reply.

DAIRY NOTES.—During the month of December, 3,812 lbs. of butter were made at the New Perth creamery from 77,028 lbs. of milk. It is expected that this creamery will continue making butter till the end of January.

On Saturday evening 103 tubs of butter were brought to the city from the creamery at Tryon. As the Jacques Cartier had to leave Crapaud half an hour ahead of time on account of ice, there were over 100 tubs left behind, which will be brought down later on.

GENERAL TELEGRAPHIC NEWS.

ST. JOHN'S, Nfld., Nov. 3.—The Whiteway Press are still clamorous for the dismissal of the present ministry and the recalling of their leaders to power. They threaten a popular uprising if the present government retains power, and serve the warning on the Governor that he will be held responsible for any expenditures of money undertaken by authority of the present Government, as they only number 14 against the Whitewayite 22. It is understood that the Government is retaining office by the express desire of Governor O'Brien and the Rosebery Cabinet, so that negotiations for the loan which is now needed may be satisfactorily carried out. There is much public feeling on the subject in this city, which is strongly Whitewayite.

CHICAGO, Nov. 30.—Frederick Freisch quarrelled with his son-in-law Theodore Eckhart here to-day. The quarrel developed into a fight and the daughter, Lena, seeing her husband getting the worst of it fired a revolver at her father. The latter snatched the revolver and shot both daughter and her husband, inflicting fatal injuries. He then fatally shot himself.
