Dr. Pierce's Favorite Prescription

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalid Hotel and Surgical Institute, Buffalo, N. Y., has afforded a valuable experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the most aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, worn-out, run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic. As a nourishing and strengthening nervine, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep, "relieves mental anxiety and despondency."

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," autostrusion, retrostrusion, bearing-down sensations, chronic congestion, inflammation and absorption of the womb, watery inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, it that it is particularly valuable in connection with womanhood. "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Prurient Pills (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and obviates numerous and perilous humors from the system.

"Favorite Prescription" is the only medicine for women, by druggists, under a positive guarantee, from the manufacturer, or money will be refunded. This guarantee has been printed on the bottle-wrappers, and faithfully carried out for many years. Large bottles (100 doses) \$1.00, or six bottles for \$5.00.

For large, illustrated Treatise on Diseases of Women (100 pages, paper-covered), send ten cents in stamps. Address, J. C. WELLS, 100 Main St., BUFFALO, N. Y.
