Tribe Takes Over AL Lead; No Stopping Frisco Giants

By THE ASSOCIATED PRESS

Cleveland Indians took over the American League lead, ousting Yankees with a 6-4 and 8-5 sweep of their doubleheader Sunday.

There was no stopping National League front running San Francisco Giants, however. Led by Orlando Cepeda and Jose Pagan, Giants drubbed Houston 7-2 to increase their first place lead to four games over Los Angeles. Dodgers took over second place from St. Louis, defeating Cardinals 4-3.

Cincinnati spurted past Pittsburgh into fourth place, defeating Pirates 6-4. In other National League results, Milwaukee nipped New York 3-2 and Chicago walloped Philadelphia twice 8-7 and 8-5.

Minnesota held to its third place berth in the American League, routing Kansas City 10-3 while fourth place Chicago White Sox were outslugging Los Angeles Angels 15-6. Detroit was shading Boston 6-5 and Baltimore was edging out a 3-2 triumph over Washington.

SHELL FORD

Cleveland pounded Whitey Ford and four other Yankee pitchers for 24 hits, including four home runs. John Romano and Jerry Kindall had three-run homers for the Tribe.

Indians overcame a 5-0 New York lead in the second game. Kindall's clout gave them their first three runs. Willie Kirkland's triple and a single by Woody Held made it 5-4, then Ty Cline singled one run home and Chuck Essegian two to put the Tribe ahead 7-5 in the sixth.

Veteran Vic Power and rookies Bernie Allen and Joe Bonikowski teamed up to bring victory to Twins. Power drove in five runs with a grand slam homer and a single. Allen had four hits and Bonikowski went the distance against Athletics for his third victory in four decisions.

Dick Brown and Dick McAuliffe accounted for all four Detroit hits and drove in all six runs—three apiece—in Tigers' triumph over Red Sox. Brown had two home runs and a single. McAuliffe smashed a three-run double after Boston right-hander Galen Cisco had loaded the bases with walks. Phil Regan won despite giving up home runs to Carl Yastrzemski, Chuck Schilling and Gary Geiger.

DISPUTE HOMER

Baltimore's Earl Robinson hit a disputed home run in the ninth to break a 3-2 tie between Orioles and Senators. The ball hugged the left field foul line and was ruled fair by third base umpire John Flaherty. Senators contended the ball was foul.

White Sox rallied for seven runs in the eighth to break a 5-5 tie with Angels. Joe Cunningham and Mike Hershberger had three hits each for the winners with Hershberger and Floyd Robinson driving in three runs apiece.

A four-run sixth inning stowed the victory away for Giants as Jack Sanford pitched a six-hitter against Colts for his fourth triumph. Cepeda had two doubles and a single.

A four run eighth, started by Larry Burright's double and concluded by Tommy Davis' run-scoring single, accounted for all Dodger runs as they overcame a 2-0 Cardinal lead. Stan Musial went hitless for the third straight day and is still one hit shy of Hans Wagner's National League record of 3,430 hits.

GETS SIXTH WIN

Home runs by Vada Pinson and Frank Robinson highlighted a 12 - hit Cincinnati attack against loser Bob Friend and two Pittsburgh relief pitchers. Bob Purkey, former Pirate registered his sixth victory.

Frank Bolling homered with one aboard in the eighth and rookie Cecil Butler pitched a six-hitter in Milwaukee's narrow victory over Mets. Jay Hook was the loser.

SPORT ECHOES

Casey Getting Results

Is Casey Stengel going to make a lot of us eat our words? He climbed out of the cellar a few days ago at the Chicago Cubs expense, and now he has won a double-header from Milwaukee. Certainly if Stengel can get those Mets into contention at all, we'll have to eat crow and admit there's one case that is the exception that proves the rule.

The Summerside High School volleyball team downed the Y's Men at Civic Auditorium on Saturday to win section "A" of the league. They shouldn't have much trouble taking the X-Men, section "B" champions, for in this case "X" seems to have a slightly lower value than "Y". The Sum-Hi outfit have two fine spikers in Gerry Hopkirk and Ron Duggan, and the other boys are agile, returning a lot of shots that look good to fall in for scores or service busters.

The SHS chief weakness is that they commit too many service faults. By the way, hockey is not the only game in which referees are getting to be poor insurance risks. A week or so ago a volleyball player, disliking a call, threw the ball at the referee. This, of course, is not as bad as shooting the puck at a referee because volleyballs are comparatively harmless missiles. Again yesterday the referee made calls that drew down the ire of some players, and mayhem was narrowly averted.

MacKenzies Corralling Players

MacKenzies' softball team continues to lead the way in pre-season moves to corral another winning team. An airforce boy, recently arrived from Greenwood, will pitch for them, and rumor has it that he can make batters look as if they were swinging Indian clubs. Another pitcher from Truro is expected to line up with last year's Maritime champs. We'd say that the Save-Easy management had better start a recruiting drive, or perhaps they have and are keeping it under cover. The third team, under the RCAF banner, should have a wealth of new material to pick from.

Some baseball observers think this year's Juniors will be a little too weak for the other teams, as was the case last year. If some of the airforce baseball players of junior age could be persuaded to play with the Legion Juniors, it might help to even things up. Then they could continue to play with the Legion when the Island play-offs started. If airforce personnel can be used to strengthen an already strong team like MacKenzies, surely no one would object to their being used to bolster the Legion Juniors who look as if they might be the underdogs in the coming baseball competition.

Advertisers Pull Fast One

Milt Dunnell, Toronto sports scribe, tells the following: "Bill Sayles, general manager of the Portland, Oregon, ball club, sold advertising space on the left field fence to the local television station, but didn't bother to check the copy. Fans entering the park for the opening game read: "Why aren't you home watching KATU, channel 2?"

Minto, Amherst Cop Honors At Mar. Meet

SACKVILLE, N.B. (CP) — Minto High School captured the boys section of the Maritime interscholastic track and field meet here Saturday. The mining town scored its first victory in the seven-year history of the meet by piling up 24 points, six better than Truro and Moncton who tied for second spot.

The Amherst girls maintained their mastery with their fourth win in as many starts but were forced to the wire for the third straight time by St. Stephen. As a result of a win in the final relay event the Cumberland County entry grabbed the title by a 33-30 count.

Five girls and two boys records were either broken or equalled with little Ann Ripley of the Amherst squad showing the way with two new marks. The former provincial team member sliced four-tenths of a second off the 100-yard dash in clocking 11.7 and came back to tie the existing mark of 27.8 seconds for the 220.

John Whitely, a dimunutive speedster from Moncton, hit the tape in 23.5 seconds to tie the 220 mark while Carryl Potter of Oromocto established a mark of 41'4" for the hop, step and jump. Other records to fall included the girls high jump, and discus marks.

Walter Williams, the former Canadian junior mile champ who defeated Bruce Kidd in meets last summer, easily won the mile and 880 to pace his Minto club to their victory, although failing to smash either of his records.

Bruce Kidd Unimpressed With Council

OTTAWA (CP) — Bruce Kidd, the distance-running track sensation, says he isn't too impressed with the national sports advisory council.

He said in an interview it is "nothing but a political body."

The 18-year-old student from the University of Toronto said "the government could have made a better choice" in selecting members of the council — "I don't think they have the executive ability that is required."

The runner also criticized the way the government's $5,000,000 grant for the promotion of physical fitness and amateur sport is being spent.

"I think the money is being spent in the wrong places. I think more money should be spent for recreation for the entire family."

As far as track and field is concerned, he said, more could be spent on field houses, indoor swimming pools and more should go toward coaching clinics.

About the Royal Canadian Legion, which sponsors track and field meets, he said: "I understand they spend something like $20,000 a year. And they could be doing a better job. As far as I am concerned they are simply taking green athletes and giving them a good time."

Barry's Lions Call Practice

A softball practice has been called for Barry's Lions this evening at 6.30 on the Parkdale diamond. Anyone interested in playing with the team is welcome at the workout.

Trimble, Dekker To Hold Clinic

MONCTON (CP) — Coach Jim Trimble and ced Paul Dekker of the Hamilton Tiger-Cats will conduct a three-day clinic for football coaches and young players here, it was announced Sunday. About 400 boys and 36 coaches are expected to attend the clinic, starting Thursday.

The personne. of the X-Men, who will now play SHS for the Knights of Columbus trophy, is as follows: Clayton Ward, Peter Schurman, Robert Simmons, Leeing Bagnell, Fred Arsenault, David Bernard, and Vernon Maxfield.

Summerside High won the Section "A" championship, defeating the Y's Men three games to one. Scores — 15-11, 13-11, 9-15, 15-11. Sum-Hi players: John Poirier, Harold Mitton, Gerald Hopkirk, Ralph Crossman, Ron Duggan, Joey Gallant, Neil Scott.

These teams will play for the town championship on Monday at 6 p.m. (fast time).

Bedford Angler Lands Beauty

Kevin Hughes, an ardent angler, ball player, and brother of John Hughes, speedball artist who performed with Canadian Tire softball team in the City Softball League last season, really struck it big yesterday morning.

The Bedford fisherman hooked into a 4-pound salt water beauty near his home that weighed exactly four pounds. The trout was one of the cleanest seen in some time.

A British firm in 1962 introduced a battery - operated record player capable of playing at a 25-degree angle.
