## Favorites Fall In Day Of Tennis Upsets

**FOREST HILLS, N. Y., Sept. 13**—Reputations went at a dime a dozen in the United States tennis championships today, when Adrian Panik of Australia and Frankie Parker and Elwood Cooke of the United States were eliminated in rapid succession in fourth-round matches.

Quist, the most important casualty tumbled before Wayne Sabin of Portland, Ore., 11-9, 4-6, 3-6, 6-1. Parker was plastered by Gilbert Hunt, Jr., of Washington, D. C., 6-1, 6-1, 6-1, and Cooke succumbed to Wally Van Horn of Los Angeles, 6-3, 8-10, 6-4, 7-6.

Jack Bromwich of Australia was the only one of the lower bracket stars to survive the uprising. He beat Gardner Mulloy of Miami, 7-5, 6-1, 6-1, and will run into Gilbert Hunt in the quarter-finals on Friday. Van Horn will meet Sabin.

Tomorrow's matches pit Riggs against Harry Hopman of Australia, and Midskipman Joe Hunt of Annapolis against Don McNeil of Oklahoma City. Hopman qualified today by winning his postponed match with Bryan Grant, Jr., 7-5, 7-5, 6-7, 8-3.

## Feller Turns In 21st Win By Hurling Cleveland To -4 Victory Over Yankees

## Canadian Stars Very Much In The Running

**NEW YORK, Sept. 13**—(AP)—Bobby Feller, the Cleveland fireballer whom Manager Oscar Vitt once was accused of steering around the world champion Yankees, beat them 9-4 today for his 21st victory and a sweep of the two-game series for the Indians.

As a result New York's lead in the American League was sliced another full game to 15 over Boston Red Sox.

The Indians tore into Charley Ruffing for three runs in both the fifth and sixth innings and got the same helping of support from Candler in the seventh. Feller weakened in the ninth to let New York bat all the way around on four hits.

Big Time wrestling makes another appearance at the Sporting Club tonight featuring four of the outstanding exponents of the mat game in the persons of likable Len "Cowboy" Hughes, Salvatore Balbo, Cury Donchin and Abe Rothberg. The first two named are in the main event and when Hughes tangles with Balbo fans can expect almost anything. Both were in every trick of the game never fail to put on a good show. For Balbo it will be his first appearance here this season but any opponent who faces the Italian boy can expect a busy evening. Hughes probably the most popular grappler ever to perform here will as usual receive a big hand from his many admirers but faced with a wrestler as good as Balbo it is very doubtful if Hughes admirers will get much chance to cheer this evening.

Then the semi-final brings two strangers to wrestling enthusiasts hereabouts together. Neither Rothberg nor Donchin have ever appeared in a local ring but both come highly recommended. No doubt, but this semi-final will be wild and woolly from start to finish with each attempting to make favorable impression upon local fans on this their first appearance in a local ring.

But the fans are sure of a good show. Those wrestlers never fail in that respect. One is drawing the admiration and cheers of the audience while the other is cast in the role as the villain of the piece as soon as he steps into the ring, but notwithstanding no matter who wins spectators always get their money's worth and tonight's show at the club—with the calibre of the wrestlers taking part in mind—promises to be the lid bit of all wrestling matches ever staged here.

**NEW WATERFORD, N. S., Sept. 13**—(CP)—Sydney defeated New Waterford Dodgers 5-0 today behind the three-hit flinging of Bernie Pearman to take a 2-0 lead in the best-of-five series for the Cape Breton Baseball League.

**Minard's kills pain.**

**NEW YORK, Sept. 13**—(AP)—Taking a lot of strain off a pitching staff which for winning purposes had been reduced to two men, Eugene Thompson bobbed up today at Cincinnati with a two-hit pitching job to shut out Brooklyn Dodgers 3-0 for the Reds.

His performance preserved a 3-1-2 game National baseball league lead over the St. Louis Cardinals.

The only hits permitted by the rookie right-hander were Johnny Hudson's single to rightfield in the third and a bunt that Dixie Walker beat out in the eighth.

Joe Medwick's home run with one man on in the eighth clinched today's 17-hit struggle.

The Redbirds a 10-9 National baseball league victory near said ... them in the thick of the pennant scrap with Cincinnati.

Harry Gumbert bedecked his 1939 pitching record with a two hit performance against the Pirates at Pittsburgh to give New York Giants a 2-0 National baseball league shut-out in the second half of a doubleheader by Pittsburgh off set this with a 7-4 victory in the nightcap.

Paced by Hank Leibert's two home runs, Chicago Cubs went on a hitting spree at home and defeated Boston Bees 15-4 in the National baseball league season's final game between the two teams.

Leibert entered a perfect day at bat, hitting his 17th and 18th home runs in his first two times up.

**PHILADELPHIA, Sept. 13**—(AP)—Signalling the end of training for Tony Galento and Lou Nova, Manager Joe Jacobs today asked the Pennsylvania State Athletic Commission to instruct referee George Blake not to stop the 15-round fight Friday night for blood-spilling unless one of the managers requests it.

With the bout only two days off and Blake already informed as to the Pennsylvania rules, Leon Paine, Commission Chairman, wasn't sure he would ask the arbiter to do anything of the sort.

Galento and Nova wound up sparring ring work yesterday and lightly tapered off today. Two-ton Tony down to a mere 201 pounds, figured he can stop Nova in less than half the scheduled 15 rounds.

Nova on the other hand, still goes around with a determination to see Heavyweight King in a year. He figures he can stop Galento in five or six rounds, go on to another bout in February, and then take the crown from Joe Louis' brow next spring or summer.

## The SNAPSHOT GUILD

**IT'S FAIR TIME!** Take your camera with you.

SEPTEMBER is fair time and I'll wager that mighty few of you have given any thought to this angle of snapshotting. Right? Honestly, the fall fair or exhibition offers more possibilities for snapshotting than space will permit telling about. There's the side-show band with its battered instruments letting forth loud blasts of discordant music. And there are the not so clean-looking vendors of dolls, trick gadgets, balloons and various other things of questionable value. Everywhere you turn is a subject for good human interest pictures.

But let's look toward the more serious side of the fair—the exciting, for instance. By making intelligent use of your camera you can snap recordable. Then there is the judging of cattle, sheep, horses and dogs. If the judging is done in an open-air ring you can get the picture of the winner of the blue ribbon with any camera—box type or folding.

In taking such pictures, or any picture, as far as that is concerned, don't just look in the finder and snap the first thing you see. If the animal being judged has any unusual markings, manage to get to a place near the ring where these markings show up the best in your finder. Try, too, to avoid unattractive backgrounds such as telephone poles, wires or sheds.

Among the innumerable picture possibilities at the fair you will surely want to take some action pictures and a fair isn't complete without the thrill of horse racing whether they feature the veteran driver proudly seated in his sulky or the young, dare-devil jockey.

Snap a picture of the start of the race as the drivers or jockeys maneuver their horses to the barrier or starting post and by all means take your position at the turn of the track as the horses dash perilously around the curve and into the "home stretch."

Remember this, however. If you do not have a camera with a very fast shutter, say one that will operate at 1/500 of a second or faster, don't try to snap a rapidly moving object as it whizzes directly across the lens of the camera or direct line of vision. Your chance of getting a good, sharp picture is much greater if you catch your subject at an angle of about 45 degrees. It's always better to play safe than to take a chance and perhaps get a blurred picture. Load your camera and take along plenty of extra film on that eventful day when you are "off to the fair."
