two rinks were tied going home but Roberts had the advantage of last shot.

**LOVELY DRAW**  
Skip Doug Cameron with his last shot had nailed a lovely draw against an Ontario rock at the edge of the four-foot ring. But Roberts, 29-year-old left-hander, slammed it on the nose for a perfect takeout to count three.

Earlier Thursday in the seventh round, Baldwin was upset 10-3 by Saskatchewan.

Had he won the match it would have been his 17th Conservative victory in national championship play and would have tied him with Billy Walsh of Winnipeg.

The 31-year-old Edmonton petroleum engineer started his victory string in his last game at Moncton, N.B., in 1956. He made a 10-game sweep at Kingston last year and won five straight here.

Murray Roberts' rink from Unionville, Ont., beat Nova Scotia 15-10 for the Ontario rink's fifth victory and a tie with Baldwin as seventh-round leader.

## Phillies' Baseman Placed On Probation, To Be Treated

SPOKANE, Wash. (AP)—First baseman Ed Bouchee of Philadelphia Phillies Thursday was placed on probation on a charge of indecent exposure and won the court's permission to undergo psychiatric treatment sponsored by the Phillies.

In Clearwater, Fla., the National League baseball team announced that Bouchee, who starred as a rookie last season, will be sent to the Institute of Living in Hartford, Conn., for psychiatric treatment.

Bouchee will be 25 years old today. He and his wife are expecting a second child.

In placing Bouchee on probation for three years, Superior Judge Ralph P. Edgerton said the player's case "is more medical than legal."

Bouchee pleaded guilty to indecent exposure charges involving girls aged 6 and 10. He was also accused of luring the girls into his car and showing them indecent pictures. He has been free on \$1,500 bond.

He could have been sentenced to a maximum of 20 years in penitentiary.

Dr. Robert M. Phillips, a psychiatrist, testified Thursday that Bouchee has a condition of "compulsive exhibitionism" that can be cured.

Dr. Phillips said he has been treating him.

Judge Edgerton, who ordered a psychiatric investigation after Bouchee pleaded guilty last month, said he found the ball player was not anti-social, had an excellent reputation and was assured of employment.

"He appears eligible for probation and merits it," the judge said.

Bouchee, who works here in the off season, batted .293, hit 17 homers and drove in 76 runs for Philadelphia last season. The club mailed him a contract this year with a "substantial raise."

Bob Carpenter, president of the Phillies, said at Clearwater that he is more concerned with Bouchee's health than when he might again be ready to play baseball.

## Charlottetown Royals In 5-4 Victory Over S'side

The Charlottetown Royals took a two game lead in their best of nine series with the Summerside Aces for the Island Championship by defeating the boys from the western capital 5-4 a fast hard-hitting hockey match played last night at the Sports Arena.

The Aces jumped into an early first period lead by scoring two goals and held of the determined Royals for the rest of the period but the Charlottetown club roared in the second period to tie up the game. In the third period the Royals scored three tallies to the Aces' two to top the victory.

Cecil Dowling paced the Charlottetown attack with a pair of goals. Angie Carroll, Willie Dunn and Buck Whitlock scored the others. For Summerside, Hennessey, Harris, Howatt and Shepherd each collected singles.

Bonnie Howatt put the Aces into a 1-0 lead about half-way through the first period and Wallie Shepherd put his team two goals up about two minutes later. The Royals pressed hard during this period but Thane Mann turned in a sensational job in the Summerside nets in this period blocking many hard shots that had goal written all over them.

In the second period, the Royals broke into the scoring almost as soon as the period started. Angie Carroll getting the puck behind Mann during a scramble in front of the Aces' net. Cecil Dowling scored his first tally of the game about the middle of the period to tie up the contest 2-2. This time Frankie Roper was the goalie who came up with great saves, blocking any attempt by Summerside to score.

In the third period, Dowling connected for his second goal, after only 2.46 of play, to break the tie and Willie Dunn, scored a tricky tally two minutes. Dunn came in on Mann who was out of his net in an attempt to block the shot. The shot hit the Summerside goalie's pads and got by to slowly roll into the unguarded net.

With only five minutes left in the game Buck Whitlock lifted a hard shot past Mann for what proved to be the winning goal.

The Aces seeing their chance for a tie in the series going out the window tried all the harder and their efforts paid off when Lorne Hennessey with help from Billy Hughes scored on Roper.

## Canadians Have Look Of Champions In 10-2 Win

By ED SIMON  
 Canadian Press Staff Writer  
 OSLO, Norway (CP)—The undefeated Canadians looked like champions in the world hockey tournament Thursday as they thrashed defending titlist Sweden 10-2 in a tough, fist-swinging Swedes and they went down fighting—literally.

The Canadian Whitby team's fourth straight win maintained first place in the standings of the eight-team round-robin championships, now in the crucial stage. Sweden's defeat—only loss in four games—leaves Canada as the only unbeaten, untied squad.

Both Whitby manager Wren Blair and Swedish manager Polke Jansson expressed bitter complaints about the officiating at Thursday's game in which West German and Russian referees let things get out of control in the third period.

It was the roughest game of the tournament.

**19 PENALTIES**  
 A total of 19 minor penalties were handed out and the Canadians were hit with 14 of them. In the wild third period alone there were 13 penalties, nine to Canada.

Canada has eight points and has scored 60 goals while allowing only three. In the event of a tie, goal spread will decide the winner of the 10-day tournament that ends Sunday with the feature attraction, Canada vs. Russia.

Russia, undefeated in four games but held to a tie by Czechoslovakia Tuesday, bulldozed to second place Thursday by trouncing Poland 10-1 and upping its point total to seven.

Czechoslovakia played its second tie in a row—this time with the United States 2-2 and thereby slide into a third-place tie with Sweden, both with six points.

Little Finland came through Thursday with its first win, a 2-1 victory over Norway, the host team which now has been beaten five times.

**PANDEMONIUM**  
 In the fierce Canadian-Swedish battle, brawls, fights and pandemonium broke out in the final period. Tempers flared after the ref-

## Chestnut Rated Favorite Tonight

NEW YORK (AP)—Ike Chestnut, New York featherweight contender Thursday was rated only a slight 11-10 favorite over unranked Harold Gomes of Providence, R.I., for their 10-round television fight at Madison Square Garden tonight.

Gomes' punching power and aggressiveness commands respect from those who look beyond the ratings. The 24-year-old New Englander has a record of 39 wins and four losses including 22 knockouts.

Chestnut, 26-year-old New Yorker ranked fourth among the 126-pound contenders, was stopped on cuts by Mexico's Ricardo Moreno in the sixth round last Nov. 11. That snapped his winning streak at five and knocked him out of a chance for a title fight.

## Royals Meet Aces Tonight

Down two games in the play-off for the M. C. A. trophy and the Island Senior Hockey Championship, the Aces must take tonight's game at Civic Stadium, as the one here on Monday night as well to get back on even terms with Royals, and fans can be sure they will be fighting like all get-out to do just that. Undermanned last night at the Sports Arena in Charlottetown, they saw a 2-0 first period lead go glimmering as they appeared to tire in what a sports writer termed a fast, hard hitting contest. They hope to have MacCarthur back tonight to round out the defence corps, and although they will
