

BUSINESS SOCIETY

The 3rd annual Business Society Dinner is now history and we here in Kelley are more than happy with the results. We feel that all aspects of the evening were well covered and the people in attendance can vouch for the fact. The business department received a great deal of praise from the business community which was long overdue. Our speaker and his corporation also played a vital role in the evening. It is hoped that

everyone had an enjoyable time and will take this into consideration when it comes time to purchase a ticket next year. Anybody who has any constructive criticism concerning the evening's events I would be more than happy to hear them and I will certainly pass this information on to next year's executive.

The Business Society executive is in the process of wrapping up the year's business and are presently planning a party to end

the semester. Any suggestions concerning time, place or entertainment would be most welcome.

We are still waiting arrival of the remaining T-shirts and when they arrive, hopefully soon, we will be selling and distributing them at the front door of Kelley.

For all students who haven't signed the petition for faculty status please do so because we will be approaching the President

next week.

There will be posters placed at certain places in Kelley conveying information concerning positions on next year's executive of the Society. There has been a great deal of discussion amongst students who are interested so be watching for further news.

See you next week.

Brian Gaudet
President
Business Society

Mildness!

Matinée gives you the right degree.

Warning: Health and Welfare Canada advises that danger to health increases with amount smoked — avoid inhaling.
Average per cigarette: King Size: 12mg "tar" 0.8mg nicotine. Regular: 8mg "tar" 0.5mg nicotine.
