The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, &c. the inventor has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of women's peculiar ailments. Dr. Pierce's Favorite Prescription is the greatest remedy ever known for the cure of women's ailments, received from patients and from physicians, who have tested it in the more aggravated and chronic cases, and who have baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for women's peculiar ailments. As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest remedy ever known for the cure of an appetizing cordial and restorative tonic. As a soothing and strengthening medicine, it is invaluable in the treatment of nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, and even dangerous, conditions attendant upon functional and organic disease of the womb. It induces refreshing sleep, relieves mental anxiety and despondency. Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to women's delicate organization. It is purely vegetable in its composition, and is entirely harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. "Favorite Prescription" is a positive cure for leucorrhoea, excessive flowing, painful menstruation, uterinal depressions, prolapsus, or falling of the womb, weak back, female weakness, anteversion, retroversion, bearing-down sensations, chronic congestion, St. Peter's, and ulceration of the womb, inflammation, and tenderness in ovaries, accompanied with "internal heat." As a regulator and promoter of functional action, it is a most valuable remedy in all cases of "female weakness," "St. Peter's," and "bearing-down" sensations, chronic congestion, inflammation, and ulceration of the womb, equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period of a woman's life, known as "menstruation." "Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints and abolishes cancerous and scrofulous humors from the system. "Favorite Prescription" is the only medicine that can be taken with absolute safety, and with a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottles, and faithfully carried out for many years. Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For illustrated Treatise on Diseases of Women (100 pages, paper-covered, sent to cents in stamps. Address, World's Dispensary Medical Association, 663 Main St., BUFFALO, N. Y.
