AUCTION SALE

VALUABLE DWELLING, LOT AND OUT BUILDINGS FOR SALE BY AUCTION.

We will sell for Mr. Horace McEwen on Saturday, June 3, commencing at 12 o'clock noon, his valuable dwelling house situated on Fitzroy Street, No. 86.

This property is beautifully situated on one of the best streets of the city and is finished up to date, having all modern improvements, frost proof cellar, etc.

Inspection at any time. Terms at sale. BENJ. CARTER & SON, Auctioneers.

This Popularity A Steady Growth

The Hupmobile has always been a remarkably reliable, economical car, but it did not gain its present immense popularity and sales volume overnight.

For 14 years it has steadily and soundly grown in favor.

Each succeeding Hupmobile has been a little better in service, and in value.

Today it stands alone as the one really fine car that can be purchased at a price practically as low as that of cars which no one thinks of comparing with the Hupmobile in reliability, in long life, in low costs, and in brilliant performance.

Ask for a demonstration. Phone now.

For Sale

VISITING N. S.—Hon. Frederick J. Nash, member of the Executive of the Government of Prince Edward Island, is in Halifax on his way to visit his son, Lieutenant Frederick M. Nash, R.A.F., who now owns and operates one of the finest apple farms in the Annapolis Valley, situated at Berwick. Mr. Nash is a frequent visitor to Halifax, indeed he is a native of this city, and a grandson of the late John D. Nash, in this day one of the most prominent business and public men of Halifax. Mrs. Nash accompanies Mr. Nash, and they are the guests of Mrs. Nash's sister, Mrs. N. E. McKay, Barrington Street.

NOTHING IN IT—The rumor that gasoline had got into the city water pipes yesterday has no foundation whatever, declared Mr. J. A. McMillan of the Sewers and Water Department office. Pipes were relaid yesterday in the vicinity of Thursday night's fire and no doubt somebody conceived the idea that gasoline had got into the pipes, which would be an impossibility. The rumor spread to such an extent that many people complained they could "taste" the gasoline—but they never noticed it until they heard the rumor. Imagination did the rest.

RETURNED SAFELY—There was great anxiety in Rustico over the fate of two young men, Roy Percy aged 20, and his brother Allen, about two years his junior, sons of William Percy, who left Rustico Harbour for their codfish trawls Thursday morning about 5 o'clock. About seven o'clock started to blow very heavily, and the wind gradually increased during the day. About 10 o'clock they were seen working on their trawls, but after that nothing was seen of them. In the afternoon about 2 o'clock a number of boats went to the rescue, and on reaching the trawls found no sign of the missing men. They were in a 16 foot boat with 5 H. P. engine and the hope was that they would cover her with the canvas covering which they had on board and thus weather the storm. About 8 o'clock last evening Captain Taylor was notified and he ordered George Brant, which was then in George town, to proceed to look for the missing men. After coaling she left about 9 o'clock for Rustico. The two missing men reached Tracadie Harbour at 11 o'clock last night all well.

ADMISSION 25c

Old Charlottetown

(Continued from page 1.)

naming this new addition "The Heartz Memorial" and dedicating it as such in its completion. "The prayer of our hearts is that you may be long spared in your useful work."

H. STANLEY BLAND, Pastor, CLARENCE E CASEY, Recording Steward, Amherst, N. S., May 31st, 1922.

Warm Congratulation

From the Trinity Methodist Church of Amherst, Dr. Heartz also received a warm letter of appreciation, signed on behalf of the congregation by Rev. A. S. Rogers an Recording Steward, H. L. Hewson.

It read in part: "There can be no one at all familiar with your activities, who fails to recognize in the free and generous service which you stand constantly ready to render, a genuine love for the work of the Master and a free consecration to all lines of service which lie before you, whether long planned in advance or marked by emergency calls at shortest notice. One, who is both willing and able to respond thus at the end of sixty years of continued labor in the work of the ministry, we consider worthy of the highest commendation and the most sincere congratulations. Nor do we forget, sir, the outstanding fact of your generous material contributions to all good causes which present themselves, whether it be the struggling country church, the larger claims of our own Trinity Building Funds, the great cause of Missions or the numberless contributions to private causes and needy individuals in these respects we find a most worthy example for the younger men who are coming on to take up the work of the Father of the church. We look back to the years 1887-1890 when you occupied so acceptably the pulpit of the old church on this site, then later to the years 1908-1909 when an emergency arose by the unexpected removal of Bro. Atkins, and among the illustrations is a group picture of the 1921-22 graduating class.

For these and many other services we find ourselves deeply indebted to you and are glad of this opportunity of here recording our appreciation and abounding thanks."

Rev. Dr. Wm. H. Heartz is the eldest son of Bro. Atkins, and a church member of our esteemed citizen Mr. Frank R. Heartz. He was educated at the Central Academy, Charlottetown and at Sackville, N. B., received the honorary Degree of Doctor of Divinity from Mount Allison University in 1933. His first appointment was to the Miramichi Circuit. After which he had the following charges: Fredericton, St. John, Grandville, Ferry (twice) Bridgetown, Horton, Halifax, (twice) Truro, Springhill, Yarmouth (three times) Amherst (twice) and has continued in the active work of the ministry without salary, as Conference Evangelist for a number of years.

During his ministerial life Dr. Heartz has represented his Conference in the General Session of the General Conference of his church for over forty years consecutively and has been honored by election to the General Board of the Missionary Society for thirty-eight years. He has also been President of the Nova Scotia Methodist Conference five times, and has had the special distinction of being elected a representative of the Methodist Church of the Dominion to the General Conference of the United States.

Dr. Heartz is now in his 81st year, being born in Charlottetown on December the 30th, 1841. Like the patriarch of old "His eye is not dimmed, nor his natural forces abated." Of him it may well be said "He is the grand old man of Methodism."

Minard's Linctant Sold by Physicians
