"I like Marconi's wonderful range of models... and their low prices, all along the line."

"I like Marconi because it is Life-tested by Canada's largest electronic specialists."

Marconi TV Award Series

Model 235-21" console

Marconi's New Clock Radio

Wake up to music with this beautifully designed five-tube model (No. 442). Automatic electric clock can be set to turn radio on or off. Equipped with appliance switch, which can also be used to operate wake-up alarm. The distinctive molded cabinet comes in white, walnut, copper, rose, charcoal grey, ebony.

See this and other outstanding Marconi values in small radios, as well as our full range of high-quality Marconi radios, hi-fi and radio-phonographs.

Most complete range of models in Canada all "Life-Tested" — priced as low as \$ 209.95

Behind the handsome exteriors of Marconi's new Award Series are engineering advances that make Marconi a still finer TV, an even better buy in '56...

From Canada's largest electronic research laboratories come these further contributions to top-quality performance.

- A new development in sound reproduction to give improved fidelity to even the lowest priced sets.
- An extra-dependable circuit that virtually eliminates interference.
- A new signal monitor; the control that enables you to adjust your set to precise signal strength from every available channel.

All the other top performance features remain in the new Marconi TV line — including aluminum picture tube, turret tuner, removable tinted safety glass, automatic focus.

Plus unique "life-testing". This exclusive feature is yours with all Marconi Award Series models. It means that your set has been subjected to the most intense in-operation checks; that possible causes of trouble after the set is installed in your home have been eliminated. It is your assurance of consistent trouble-free performance from the start. Now you can enjoy Marconi performance for as little as \$ 209.95. See, hear, compare the new 1956 Marconi "Life-Tested" line at your dealer's. You'll want Marconi TV, too!

Make sure your TV is "LIFE-TESTED"
