

Lee Fogolin Out For Three Weeks

CHICAGO (AP) Defenceman Lee Fogolin will be lost to the Chicago Black Hawks for a week or two with a severe mouth injury, the National Hockey League club said Saturday.

Fogolin, 29-year-old native of Fort William, was hurt Friday night in a diving attempt to halt Maurice Richard on a break-away in the final period of a game which Montreal Canadiens won 3-1.

Fogolin was taken to a hospital. He lost two teeth and required five stitches to close a split lip and eight stitches to mend his gums.

Montrealer Wins Gold Cup Race

ST. MORITZ, Switzerland (AP) Douglas Connor of Montreal, world cresta run toboggan champion, Sunday won the classic Heaton Gold Cup race on the cresta run here in a close finish with Nino Bibbia of Italy.

After completing six runs down the 1,000-metre course, Connor and Bibbia were tied for first place, each with a total time of 27.2 seconds. Such ties are extremely rare in cresta racing.

To decide the competition, each took his toboggan down the run a seventh and eighth time. Connor won the run-off with a total of 91.6 seconds against 92.3 for Bibbia.

Earlier Connor had completed the fastest single run of the day with 45.6 seconds.

Harvard And UNB Take Up Tail-end

WATERVILLE, Me. (AP)—University of New Brunswick and Harvard ended up at the bottom of the team standings although they dominated Saturday's final events of the two-day annual Colby College winter carnival.

University of Maine skiers, who won the cross-country and jumping competitions Friday, put together enough points in Saturday's downhill and slalom competitions for an easy victory.

Third place in the slalom and downhill gave Maine 383 points. Bowdoin had 339.7, Colby 32.6, Harvard 285.1 and UNB 280.9.

The UNB squad won the downhill event and Harvard placed second. Harvard then won the slalom and UNB took runner-up spot.

Calumet Farms Back In Spotlight

MIAMI, Fla. (AP)—Calumet farms, for years one of the leading money-winning stables, bounced back into the spotlight Saturday when Liberty Sun whipped the highly-favored Nail in the \$34,350 Everglades stakes.

Nail, Mrs. Anson Bigelow's 1955 juvenile champion, was the 9-to-5 favorite in the field of nine but faded to fourth after leading for more than a mile in the 1 1/4-mile feature.

Fly-Ho Stable's Pete's Folly finished second and East Acres' Alsay third but Pete's Folly was disqualified, moving Alsay to second and Nail to third. Pete's Folly was placed fourth.

Liberty Sun, ridden by Willie Hartack, won by a neck and returned \$7.70, \$4.10 and \$3.50 across the board. Alsay returned \$18.50 and \$7 while Nail paid \$3.30 to show.

Canada Needs New Approach To Olympic Skiing

OTTAWA (CP)—Andy Tommy, 23-year-old Ottawa skier just home from the Olympic wars, said Friday that Canada needs "an entirely different approach to Olympic skiing before this country can hope to make any appreciable headway."

On crutches and with his left leg in a walking cast—the broke it in a training fall at St. Anton, Austria before the Olympics—Andy said skiers or other athletes can't be expected to prepare themselves for the Olympics in a week or two.

He suggested the government will have to make a grant to give Canadian skiers an even break in Olympic competition. The Olympic team, he said, should be brought together quite a while beforehand and should go to the Olympic scene six to eight weeks before the events.

Tommy said his skiing brother, 22-year-old Art, and others of the Canadian team are still in Europe and plan to attend a number of meets. They probably won't be home until March. Andy decided to come home since his accident put him out of action.

Connie Mack Buried; Leaves A Great Baseball History

By TOM BRADSHAW
PHILADELPHIA (AP)—Connie Mack was buried Sunday leaving behind him a personal baseball history which never will be forgotten.

"Mr. Baseball" was laid to rest on a cold, rain-swept day on Holy Sepulchre Cemetery not too far from the ball park where he and his teams thrilled baseball fans of two generations.

The grave was part of the Mack family plot. His widow, four daughters and three sons stood with heads bowed as the coffin was lowered into place.

Baseball dignitaries, notable political figures, friends and fans of the baseball personality joined the bereaved family in paying last respects.

While his feat of guiding Philadelphia Athletics to nine American League pennants and five world championships will remain as tangible evidence of his genius as a baseball man, his associates and former players will remember him more for his kindness, charity, consideration, patience and tolerance.

The grand old man of baseball, who died Wednesday at the age of 93, was bade a solemn farewell in the gray, stone Roman Catholic edifice which he attended during a major portion of his adult life—St. Bridget's in northwest Philadelphia.

Swiss Butcher Bobsled Winner

ST. MORITZ, Switzerland (AP) Max Angst, 34-year-old Swiss master butcher and restaurant owner, won the Swiss international two-man bobsled championship here Friday.

Angst, who won the bronze medal in the two-man bobsled event at the Cortina Olympics, completed two runs down the precipitous, mile-long course in a total time of two minutes 47.16 seconds. Aki Gartmann of Engelberg was his brakeman.

Britain's Olympic bobsledder, Keith Schellenberg, was in second place, half a second behind the winner. Marqués de Portago of Spain was third and Hans Zoller of Switzerland fourth.

The race is considered as an unofficial European championship in the absence of an official European title meet. Twenty-two teams from seven countries were entered.

Tony Percy To Defend Title

EDMONTON (CP)—Boxing promoter Pat Giannone said Saturday Canadian welterweight champion Tony Percy of Drummondville, Que., will defend his title here on March 8 against Al Marotti of Edmonton.

He said he has received Percy's signed contract and also has received assurance from the Canadian Boxing Federation that the 12-rounder will be sanctioned as a title fight.

Percy won a split decision over Marotti here several months ago.

Canada Needs New Approach To Olympic Skiing

OTTAWA (CP)—Andy Tommy, 23-year-old Ottawa skier just home from the Olympic wars, said Friday that Canada needs "an entirely different approach to Olympic skiing before this country can hope to make any appreciable headway."

On crutches and with his left leg in a walking cast—the broke it in a training fall at St. Anton, Austria before the Olympics—Andy said skiers or other athletes can't be expected to prepare themselves for the Olympics in a week or two.

He suggested the government will have to make a grant to give Canadian skiers an even break in Olympic competition. The Olympic team, he said, should be brought together quite a while beforehand and should go to the Olympic scene six to eight weeks before the events.

Tommy said his skiing brother, 22-year-old Art, and others of the Canadian team are still in Europe and plan to attend a number of meets. They probably won't be home until March. Andy decided to come home since his accident put him out of action.

Saturday In NHL

Chadwick Blanks Rangers; Bruins Shade Red Wings

TORONTO (CP)—Toronto Maple Leafs went on a scoring rampage Saturday night to whip New York Rangers 5-0 before 13,029 fans and retain their grasp on fourth place in the National Hockey League.

Leafs, trying to outlast a late-season drive by Boston Bruins and Chicago Black Hawks for the last Stanley Cup playoff berth, stopped Rangers cold. They provided a tight defence to help goaltender Ed Chadwick record his first NHL shutout.

Chadwick, a 22-year-old native of Toronto who took over for the injured Harry Lumley, wasn't sensational. He didn't have to be. Rangers, who rarely look as weak as they did Saturday night, got only 12 shots at him.

The scoring was shared by Ted Sloan, George Armstrong, Rudy Migay, Dick Duff and Brian Cullen. WORSLEY STOPS 33

New York netminder Lorne Worsley made some great saves. He handled a total of 33 shots, 14 in the opening period.

Leafs picked up their first victory in eight games as they scored once in each of the first two periods and added three more goals in the final 20 minutes.

Sloan took to break Leafs' club record of 37 goals set by Gave Stewart in the 1945-46 campaign, tallied his 31st goal of the season at 12:30 of the first period.

Armstrong made it 2-0 at 17:58 of the second.

In the third Migay increased the count to 3-0 at 3:58. Duff added his goal at 14:47 and Cullen finished things at 17:47.

Referee Jack Mehlenbacher called 12 penalties, seven to Leafs.

BOSTON (AP)—Boston Bruins, paced by the reunited Real Chevrefils-Don McKenney-Leo Labine line, defeated Detroit Red Wings 3-2 Saturday night to remain within hailing distance of a National Hockey League playoff berth.

Bruins struck for their three goals before the 15-minute mark of the opening period to earn their seventh victory in 12 games. In that stretch they tied three and lost two.

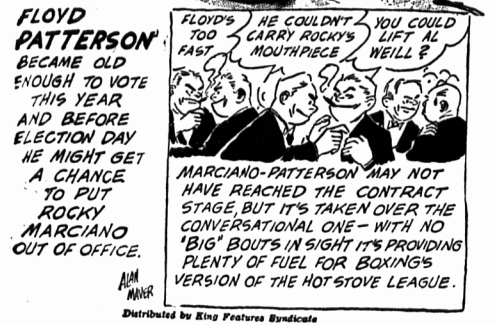

Labine scored Bruins' first two goals with assists going to McKenney and Chevrefils. Chevrefils, who has scored eight goals since he rejoined his linemen after a stint with Detroit, accounted for the third goal, assisted by McKenney and Fernie Flaman.

Both Detroit goals came while Bruins were short-handed because of penalties.

Ted Lindsay scored late in the first period on a pass from Earl Reibel while Marcel Bonia was off the ice. Reibel scored early in the third period while Fleming Mackell finished a penalty called late in the scoreless second period.

Detroit goalie Glen Hall was removed from the nets twice in the final two minutes during which there were seven faceoffs in the Boston zone. He came back once to guard the cage during a face-off in mid-ice.

Summary
First period: 1. Boston, Lino (McKenney, Chevrefils) 6:48; 2. Boston, Labine (McKenney, Chevrefils) 10:08; 3. Boston, Chevrefils (Flaman, McKenney) 14:49; 4. Detroit, Lindsay (Reibel, Flavel) 17:27. Penalties: Flaman 3:24, Howe 6:00, Lindsay 9:21, Bonin 16:00.
Second period: No scoring.
Third period: 5. Detroit, Reibel (Kelly) 1:21. No penalties.

6 2 11-19

Carver Injured

Brilliant Nets 4 In Amherst Win

MONCTON (CP)—Sharp-shooting Pierre Brilliant fired four goals Saturday night to lead Amherst Ramblers to a 5-2 decision over Moncton Hawks in the Atlantic Coast Senior Hockey League.

Shermie White, the league's top point collector, boosted his total to 109 by scoring the other markers and helping Brilliant on all his. Brilliant increased his goal-scoring lead to 52.

Bob Bowness and Ray Leduc were the Moncton marksmen.

The cellar dwelling Hawks lost two of their top men during the game. Right winger Orin Carver suffered a mild concussion when he collided with Amherst defenceman Pat Powers in the second period. Winger Billy Smett was called home in the final period due to sickness in his family.

Nick Pidsodny stopped 42 drives in the Moncton net, 20 more than Paul Leclerc.

St. F. X. Whips Providence 6-3

LYNN, Mass. (AP)—Sorry Burke scored two goals to lead St. Francis Xavier University of Antigonish, N. S., to a 6-3 victory over Providence College in an exhibition hockey game Saturday night.

St. Francis Xavier took a 2-0 lead on goals by Jack Doyle and Paul MacManaman before Ed Monahan tallied the first of his two goals for Providence. Burke then scored before the first period ended.

After Joe la Fontaine tallied for Providence in the middle session, Tom MacNeil made it 4-2 for St. Francis. Monahan scored again to make it 4-3.

Burke and Jack Keating added two more goals in the last period to clinch the victory for St. Francis Xavier, which dropped a 4 decision to Boston College Friday night.

Canada Needs New Approach To Olympic Skiing

OTTAWA (CP)—Andy Tommy, 23-year-old Ottawa skier just home from the Olympic wars, said Friday that Canada needs "an entirely different approach to Olympic skiing before this country can hope to make any appreciable headway."

On crutches and with his left leg in a walking cast—the broke it in a training fall at St. Anton, Austria before the Olympics—Andy said skiers or other athletes can't be expected to prepare themselves for the Olympics in a week or two.

Nashua Will Not See Action Today

MIAMI, Fla. (AP)—The weather and lack of opposition will keep Nashua out of action in a proposed seven-furlong race at Hialeah today.

Nashua, who has not yet raced as a four-year-old, is training for the \$160,000 added Widener handicap next Saturday.

"Naturally, we wouldn't want to race Nashua on a wet track after he'd been out of actual competition so long," said trainer Sunny Jim Fitzsimmons. "Nor would we want to enter him and then have to disappoint the public by scratching him."

Nashua is an odds-on favorite to win next Saturday's Widener at a mile and a quarter. Cancellation of Monday's race means he will run in the rich event without a winter prep.

MAKE MUSIC IN THE NAVY

There are immediate openings for AP- PRENTICE BANDSMEN in the Royal Canadian Navy.

Naval Bandsmen as member of bands and orchestras provide music for training, for ceremonies and entertainment in the Navy. Music in sea-going ships and shore establishments plays a big part in the modern Navy. Can you play one military brass or reed instrument? Would you like to learn? If so, let the Navy advance your training while you earn good pay and serve your country. If you are between 16 and 18, have grade 8 education or better, see, write or phone:

These are pellets of iron ore from Inco's new plant at Copper Cliff

This is the \$19 million plant which, with planned enlargements, will eventually produce about 1 million tons of iron ore a year. The present unit will treat 1000 tons of pyrrhotite concentrates daily.

Inco's process for the recovery of iron ore took years of laboratory and pilot plant studies. It opens the way for increased recovery of other elements from the complex Sudbury ores when economically feasible.

This latest major result of Inco's process research is one of a series of planned, long-range developments by which its ore treatment processes are being revolutionized. It is a further step toward one of Inco's primary objectives—the maximum utilization of its ores.
