Scout News and Notices

7th. Charlottetown (St. Paul's) Scout Group

The Scouts and Cubs attended the Memorial Service held at St. Paul's Church on February 15th. We were pleased to have the Cubs from St. Peter's Church, the Guides and Brownies from St. Peter's, Zion and St. Paul's Churches with us at that time.

Alan Massey has earned his Debut badge and three scouts have passed their First Class tests in the Memorial Service held at St. Paul's Church on February 15th. We were pleased to have the Cubs from St. Peter's Church, the Guides and Brownies from St. Peter's, Zion and St. Paul's Churches with us at that time.

The drive for Salvage Paper continues with paper being collected every Wednesday and Saturday. When the weather conditions improve house to house collections will be made on Saturday afternoons.

The Cubs have now re-affirmed their promise of loyalty to Queen Elizabeth II.

Four more Cubs have passed their First Star tests making a total of fourteen boys to achieve this standard of efficiency.

The team work of both Cubs and Scouts is excellent. There is unbounding enthusiasm shown at every meeting and volunteers are never lacking for the tasks undertaken.

Meetings Of Parents

A Father and Son supper was held Friday, February 22nd, the first for many years. During the course of the evening it was suggested that the fathers might organize themselves in order to provide active support for this Scout Group.

A meeting of the mothers was held on Tuesday, February 26th, to investigate the formation of a Ladies Auxiliary. A nucleus committee was formed of Mrs. W. Massey, Mrs. A. H. Dewar, Mrs. W. J. Taggart, Mrs. H. C. Wall, Mrs. A. Murchison and Mrs. M. M. Dew under the presidency of Mrs. F. W. Jelks. These ladies have undertaken the task of forming a working Ladies Auxiliary who will support the Scout Group in every possible way.

Scouting in this Group will benefit tremendously if both Fathers and Mothers lend support to the members of the Troop and Pack and their leaders.

Word has just been received that Mrs. Ann Worthy has volunteered her services as a leader with the Cubs. This is the spirit that is required to achieve success.

CRAPAUD W. M. S.

The February meeting of the Crapaud Auxiliary of the W.M.S. was held at the home of Mrs. Geo. Nicholson on Thursday evening, February 7th. The program was under the leadership of Mrs. John Nicholson, assisted by several of the members, and was carried out from the Study Book.

The business period was presided over by the president, Mrs. Robert Dawson, and minutes were read and approved and roll call answered by nine members with a "sympathy" or "get well" card. The members reported twenty-five cards sent and sixteen calls made.

It was decided to hold a bean supper in the hall at an early date, and the president, Mrs. John Leard, and Mrs. John Simmons were appointed to make plans for same. Plans were also made for the Day of Prayer service when the Auxiliary would be the guests of St. John's W. A.

Meeting closed with Misspah Benediction, after which a delicious lunch was served by the hostess. Next meeting is to be held at the home of Mrs. John Simmons with Mrs. Frank MacDonald in charge of the program.

Nippy Jones May Catch On With Phillies

CLEARWATER, Fla., March 8 — (AP)—Nippy Jones, the St. Louis Cardinal discard, is getting a full shot at the regular first base job with Philadelphia Phillies.

Manager Eddie Sawyer says Jones is the man to beat for the job that may be Eddie's way of trying the old physiology treatment on regular Eddie Waitkus. But that's what the man says. Jones, who was picked up for \$7,500 in the Major League draft last fall, is taking Sawyer at his word.

"I want to play some place every day," he said. "If I can't beat out Waitkus, I want to go back to the minors. Playing every day is the only way to convince people my back is all right."

Jones underwent a serious operation for removal of a disc from the base of the spinal column in November, 1949.

Last year Jones bounced around the Cardinal organization like a ping pong ball. Spring-training with the Cards, back to Rochester, up to St. Louis and finally back to Houston.

Nippy thinks he was in owner Fred Saigh's doghouse because of an incident in 1950 when he played only seven games. He was suspended by Saigh for jumping the club but claims he just went home after asking permission to apply for voluntary retirement.

At Rochester Nippy was a sensation as a third baseman. When Steve Bilko failed to hit big league pitching, Jones was brought up to the Cards in mid-May.

"That probably was the worst thing that could have happened to me," he said. "If they left me in Rochester all year, I could have proved I could play in and out of the lineup. If you didn't hit for two days, you were on the bench."

Because the 26-year-old Jones bats right and can also handle third base, he's regarded a sure bet to stick with the Phils. He may give Waitkus a rough wrestle for that first base job.

Says N. S. May Have Deficit In Current Year

HALIFAX, March 8.—(CP)—Premier Angus L. Macdonald announced today Nova Scotia may have a deficit for the current fiscal year but he predicted a surplus of \$525,000 for 1952-53.

The 1952-53 surplus would be obtained from estimated ordinary revenue of \$45,420,285 and ordinary expenditure of \$41,497,625 plus \$2,967,295 in sinking fund installments.

Mr. Macdonald said in an interview no new taxes are planned but increased revenue is expected from a new Dominion-Provincial tax agreement as well as from ordinary increases in present levies.
