

Besides Top Quality Meats...Another BIG

DIFFERENCE AT DOMINION

is Canada's Freshest Produce!

"Recently I switched to Dominion mainly because of the meat. Right from the start my family noticed a big difference in the tempting meat meals I served. Thanks to the expert guidance from the man behind the meat counter at Dominion, I've learned to choose the week's best values... to buy the proper size cuts I need... and many other 'tips.' This one big difference alone at Dominion would have satisfied me! But on the same first visit, I discovered there was a difference in the fresh fruit and vegetables at Dominion. There was a greater variety... the prices were low... and the whole produce counter glowed with a spanking clean freshness. I soon realized that the consistent quality and freshness of produce was a wonderful difference at Dominion, too! I've switched to Dominion for good!"
