### CHARLOTTETOWN Business College Writing Academy

Let these eight of practice illuminate the dark places of theory. A THOROUGHLY Progressive Practical Institution, in which young men and women are not only taught Book-keeping (with its applications to commerce) both in single and double entry, but are trained how to do business, by actual business transactions. The students act as buyers, sellers, traders, bankers, book-keepers and accountants, in actual business operations, and the currency issued by the College Bank and the mds. issued from the Emporium, are used in bona fide business transactions, just the same as in mercantile and banking houses. Book-keeping in itself may be learned at home, but a knowledge of how to transact business, cannot be thus acquired. That our course system of training is eminently practical, is proved by testimonials from business men, and from students who are now holding lucrative and responsible positions.

**SUBJECTS:**  
Book-keeping by single and double entry (theoretical and practical); Actual Business Practice, Business Penmanship, Business Correspondence, Commercial Arithmetic, Commercial Law, Railroad, Steamboat, Banking, (actual practice in the College Bank); Typewriting, shorthand and Navigation.

**FACULTY:**  
L. B. Miller, Principal, Teacher of Book-keeping, Arithmetic, Business Practice, Business Correspondence, Typewriting and Navigation.

Over Diabetes, Gained by the Power of Dodd's Kidney Pills.

TORONTO, May 23.—In a large city like Toronto, there is always much sickness, kidney diseases largely predominating. The street railway employee, exposed as they are to all the inclemencies of the weather, are particularly liable to kidney disease. But they all know how to conquer this enemy.

For instance: Mr. T. H. O'Reilly, 27 Niagara Street, motorman No. 624, was for three years a great sufferer from Diabetes. Every remedy failed to help him till he began to use Dodd's Kidney Pills. These boxes cured him.

It is cases like this where the patient and the cure are equally well known, that are the test of a remedy, and Dodd's Kidney Pills have always stood successfully. They cure all kidney complaints.

THE watch trade has been rather fluctuating of late, first the price went up, after a long period of low prices, now the prices have dropped again, whether because of war or greater variety of production we cannot say, but the fact remains that you can buy from us a reliable timekeeper cheaper than ever before, in fact that there is no need to buy shoddy goods at all.

If you want a good and also the cheapest watch for the money, we recommend a good movement in a nickel case instead of a poor one in a fine looking colored case that will only wear a very short time.

"I'm not eatin it because it's good," was the reply. "I'm tryin to pucker up my stomach so as to fit the size of the rations Uncle Billy Sherman's a-givin us."

### The Way of a Maid.

She was a maid of notions strange concerning man.

Her fancies took a goodly range, As woman's can.

She said she loved an eye of gray.

My own are blue.

I would I could in any way Have changed their hue.

The sort of hair that pleased her best Was brown, she said,

Which caused me oft supreme unrest, My own is red.

Her taste in nose was aquiline.

Oh, cruel rab!

In vulgar parlance one like mine Is termed a snub.

She liked a stately man and tall.

Alas, my fate

Has blessed me with a stature small, Not five feet eight:

She doted on a figure slim.

Without a doubt

I could not satisfy that whim, For I am stout.

And, knowing this, how could I dare (A boor like me)

To ask that maid her life to share, My wife to be?

And yet I did—egregious ass— I must confess.

I popped the question, and, alas, She answered, "Yes!"

## HUMAN SACRIFICES

On the Altar of Diabetes. Saved by Dodd's Kidney Pills, Only.

Hardly a family in the country is free from Diabetes. Great thirst, failing sight, numbness in the thighs, bleeding gums, swollen ankles, emaciation, nervousness, pale or turbid urine, loss of sexual power, decaying teeth, pains in the loins or small of the back, are all positive signs that Diabetes is in the system.

Do you know how it ends? IN DEATH. A premature, horrible, agonized, pitiful death. The victim has no peace, no ease in life. His days are filled with tortures. His nights are waking dreams of agony. He longs to die, yet fears the terrors of his end. He dies, a bloated, fetid, repulsive mass of corruption. That is the only end of unchecked Diabetes. Dodd's Kidney Pills will cure it. They drive it out of the system thoroughly, create new, clean blood, rebuild the diseased kidneys, and restore robust health.
