Miss Mary Newsom, convener of the Program Committee, introduced members of the committee, who spoke briefly on various aspects of the topic: Alma Yeo, Chris Pickard, Jamaica McLaine, Frances Johnston and Helen Arsenault presented interesting facts regarding the history, industries, modernization, and future prospects of northern Canada. Two films, "Canoe Country" and "Land Beyond the Peace" showed the many resources and the beauty of the land. Routine business was carried out at the meeting, presided over by Gertrude Love. Elnora Harper reported on the presentation of fruit to the orphanages; members of the December Program Committee visited each orphanage where they were entertained by the children, and left apples, oranges, grapes and chocolate bars for the children. Lillian Duchemin, Membership Convener, announced that two new members joined, and introduced Erma Tait, who was attending her first meeting. The Vice-President, Mrs. Dorothy Rogers, reported on suggestions that had been made for Club activities and discussed how they are related to the objectives of Business and Professional Women's Clubs. Santa Claus was then enjoyed. A very dainty lunch was then served by members of L.O.B.A. The hall being beautifully decorated by Misses Ethel and Frances Sherrin and Mrs. Elizabeth MacNeill.
