HIGHWAY TRAFFIC PRECAUTIONS
THE EPIDEMIC OF FATAL ACCIDENTS forcibly points the need of exercising greater care in the operation of motor vehicles on our highways.
Highway Traffic Laws are designed to protect you, your children and your property.
TOURISTS and summer visitors are welcome but we ask you and
OUR OWN PEOPLE to co-operate by observing traffic regulations.
TAXI DRIVERS, you too must obey the law.
REMEMBER that in Prince Edward Island distances are short—a few hours drive will take you anywhere.
DO NOT PASS ON HILLS; HOG THE ROAD; EXCEED THE SPEED LIMIT—50 M.P.H.; IN VILLAGES, BUILT-UP AREAS, PASSING SCHOOLS 30 M.P.H.
DO KEEP TO THE RIGHT; DIM YOUR LIGHTS; WATCH OUT FOR CHILDREN! LEARN PROPER SIGNALS AND USE THEM!
The R. C. M. P. have been instructed to enforce all rules rigidly.
This Department is not interested in fines and penalties as such, but we definitely are interested in making our highways safe from thoughtless, careless or negligent drivers.

Attorney-General

POTATO GROWERS

Potato pickers will be harder to obtain this year, but every effort will be made to fill all orders. Growers should file orders for pickers as soon as possible so that an estimate can be made of total number of men to be brought from the mainland. Men are only brought in on advance notice, and there is no pool of men instantly available. This means that about five days' notice should be given the National Employment Offices, or sufficient time for the men to be recruited on the mainland and transported to the Island.
Write or Phone orders to the—
