

Local and Other Items.

SALMON.—Some small salmon are being taken at North Lake.

STATE FAIR.—The Bangor Fair opened on Monday, with a large attendance.

THE CITIZENS' BAND will play on Queen Square from eight until nine o'clock this evening.

THE QUEBEC LEGISLATURE—Premier Mercier states that the session will take place in January, no doubt to be followed by dissolution.

We are often deceived in the age of people having beautiful and luxuriant hair; not knowing that they use Hall's Hair Renewer to keep gray hairs away.

AUCTION.—Mr. Geo. D. McEwen will sell by auction on the 24th Sept. next, his valuable freehold farm at St. Peter's Lake, Lot 39, containing 120 acres of land.

L. O. G. T.—Charlottetown Lodge, No. 1, meets to-night at 8 o'clock, in J. D. McLeod's Hall. Full attendance is requested. Visiting brethren always welcome.—W. F. Harris, Secretary.

TEMPERANCE.—Keep in mind the Public Temperance Meeting to be held in McLeod's Hall on Monday evening next. As this will be under the auspices of the Sons of Temperance a good meeting is expected.

MORE HORSES SHIPPED.—The Summerside Journal says: On Tuesday morning Mr. A. R. Milligan, of this town, shipped five horses to St. John, Mr. R. Hunt shipped four, and Mr. W. H. Manson two. The lot was valued at about \$1,500.

UNION PARK TROTTING RACES.—Owing to the 10th of August being an unfavorable day, the races advertised to take place at Union Park on that day have been postponed until Thursday, Sept. 19th.—James McMillan, Summerside, P. E. I.

THE LARGEST THIS SEASON.—The Boston Globe of the 30th ult., says: The steamer Halifax which arrived yesterday from the port of the same name, brought the largest number of passengers landed in Boston from any steamer this year.

CHANGED HANDS.—The Journal says: Mr. John Richards, Bideford, lately sold to Mr. H. McMillan, New Haven, Lot 31, a pure bred Polled Angus bull, two years old. Mr. McMillan is a great admirer of this breed of cattle, and is laying the foundation for a nice herd.

PALESTINE.—The Rev. Ralph Brecken, M. A., who has lately returned from the Holy Land, will give a Scripture reading on Palestine, illustrated by personal observation, in the Methodist Brick Church, to-morrow evening, at 7.30. A collection in aid of the Sustentation Fund of the Methodist Church will be taken up.

A BIG STEAL.—A man named D. H. Macpherson, belonging to Lancaster, Ont., arrived in Montreal on Tuesday, drew a large sum of money from the bank, laid the parcel, containing \$6,000 on the counter of a St. James street store, and while his face was turned a thickly veiled lady walked off with the bundle. He offers \$1,000 reward and consequently the police are active.

GUILTY OF NEGLIGENCE.—A Montreal despatch says that the coroner's jury in the inquest on the two victims of the dynamite explosion at the works of the Hamilton Powder Company at Bekeil on Friday last brought in a verdict on Saturday attributing the fatality to the neglect of the powder company, who failed to take the necessary precaution for the preservation of the lives of the men employed in their service.

The hot weather has helped the cucumber vines, and in consequence pickling cucumbers are plentiful. The same has had the opposite effect on the cauliflower, and they are a failure. A slight frost would kill the cucumber vines, and frost is not uncommon in September. The prudent housekeeper will secure them now at their cheapest. Call at Gay's stalls to-morrow and see their nice assortment, or order for Tuesday.

L. O. O. F.—On return from the funeral yesterday St. Lawrence Lodge adopted the following:

Resolved, That out of respect to the memory of our late Brother, Cyrus V. McGregor, the Charter of this Lodge be draped, and that the brethren wear the usual badge of mourning for thirty days.

Further Resolved, That copies of this resolution be published in the city daily papers, also the Dominion Oddfellow.

FOREST FIRES.—Fredericton, N. B., has been enveloped with smoke for some days. Large forest fires are burning back of Manguerville and further down the St. John river. The protracted drouth has made the woods so inflammable that the flames are spreading over an extensive area. Wild animals have been driven out to the clearings. In Manguerville three bears have been killed close to the river by farmers, and up the Oronocot numerous deer have been seen herding with cattle in the clearings. It is reported that the Manguerville fires are the result of carelessness on the part of some surveyors on the Harvey-Salisbury line.

Personal.

His Honor Judge Kelly is at the Davis. Mr. C. C. Carlton, of Souris is in the city. Mr. J. J. McEwen, Clerk of the Privy Council, Ottawa, is at the Davis.

The remains of Pascal di Paoli, the famous Corsican patriot, who died in exile near London in 1807, have been exhumed and shipped to Corsica.

Mr. Dewdney was given a banquet at Medicine Hat on Friday night by the Conservative Association.

John L. Sullivan, the pugilist, is again reported on a drunken spree.

Capt. McLean, a female officer of the Salvation Army, one of the twenty who volunteered for foreign service last year, died some weeks since in India.

The Count de Paris, who wants to be King of France, counsels his faction to unite with the Conservatives and tolerate the Boulangists. When this is done and all the broods have their eggs in one nest, it will be interesting to see the Republican cow step on it.

It is not true, so they say, that President Harrison has inaugurated a new political era by refusing to kiss babies. He followed that plan in Maine because that State is pretty firmly Republican and safe for the party with him. An election in that State is not far off, and it is not safe to take any chances. Politicians may as well make a note of this procedure, and when on a holiday avoid districts where an election is on.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER.

AT RIDEAU RANGE

How the Islanders Stand.

OTTAWA, Sept. 4. The Rideau Range attracted a large number of visitors to-day. The Dominion of Canada match occupied the whole day. Teams were composed of five men from each battalion and the result is that the 62nd Fusiliers of St. John won first place and \$60, with individual badges, and a score of 394 points. They were but one point ahead of the 71st York, who took second prize and \$50. The remaining team prizes went to the Queen's Own and 13th Battalion and 10th Royals respectively.

ANOTHER DESPATCH.

OTTAWA, Sept. 5. There are upwards of five hundred competitors present at the Dominion Rifle Association meeting at Rideau Range. The weather throughout the proceedings has been very warm. The following Island marksmen have won good places:—

Nursery Match—Surgeon Gillis, McDougall Match—Lieutenant D. H. Hooper.

Manufacturers Match—Sergeant J. Milton Davison and Lieutenant E. Stewart. Minister of Militia Match—Lieutenant E. Stewart.

Dominion of Canada Match—Sapper Hooper, Sergeant J. Milton Davison, Surgeon Gillis and Captain D. Stewart.

THE TURF.

RACES AT TRURO.

TRURO, Sept. 4. The last day of the races here was no better than yesterday as regards attendance, but the trotting was excellent. The 2.45 class was the first race called, and in which there were five starters, viz.: Whistler, of P. E. Island; Gladstone, of Billtown; Mistake, of Truro; Wildflower, of Pietou, and Katie C., of Boston. Katie C. won as she liked in three straight heats, and her trotting was much admired. She made the first half of the second heat in the fast time of 1.14. Whistler won second money, with Wildflower a good third. The other horses, Gladstone and Mistake, were never in it.

The 2.28 race was a splendid one. Four entries were booked, but Maud C. was drawn, and only three started, Bronze Chief, Sir Garnet and Jackson. Bronze Chief won in admirable style in 2.36, 2.38 and 2.39. The decisions and ruling of the judges was most satisfactory throughout; but there is no questioning the fact that the races to-day were "worked." There was a general feeling of crookedness apparent to the spectators. C. Bill, of Billtown, protested against the Boston horse Jackson, and claims that he is entered under an assumed name. Considerable money changed hands on the races. A beautifully finished and finely toned bell, presented to the Truro Association by McAvity, of St. John, adorned the grand stand to-day.

News of the Strike.

LONDON, Sept. 4.

One hundred thousand relief tickets, of the value of one shilling each, were issued yesterday. It is suggested that the Lord Mayor, the Governors of the Bank of England and the President of the Chamber of Commerce might succeed in settling the dispute between the men and their employers. There is a marked increase this morning in the number of dockmen resuming work and business on the wharves presented a rather brisk aspect. John Burns delivered an address to the strikers to-day at the Town Hall. He denounced arbitration through intermediaries, and denied reports that dockmen were going to work. He said he expected that strikes will be inaugurated in Glasgow to-day, and in Southampton on Thursday.

LIVERPOOL, Sept. 4.

The strike here is ended, the employers having conceded to advance demands.

LONDON, Sept. 4.

The police fired upon a crowd of strikers obstructing the work of loading steamers, fatally wounding one man. Mr. Latuna, a large wharfinger, has conceded an advance to his employees, and will resume work to-morrow. The strike committee sat until two o'clock this (Thursday) morning. It was agreed that the committee would consent to the men resuming work at any wharf paying six pence an hour ordinary time, and eight pence an hour over time.

Baseball News.

BANGOR, Sept. 4.

The game this afternoon between the St. John's and Bangor's was witnessed by an immense crowd, it being estimated fully 12,000 people were present at the horse races and ball game. The St. John's again met with defeat, the score being 17 to 10 in favor of the home nine.
