THE W. C. T. U. Coffee rooms are open each day from 10 a. m. to 10 p. m. Grafton Street, opposite Law Courts.

BUSINESS COLLEGE.—The night session in connection with the Charlottetown Business College opens on the 16th inst.

DETAINED.—The steamer Carroll, to have left Halifax yesterday for this port, did not leave until 10 o'clock this morning.

FOR THIRTY-FIVE DAYS.—Messrs. James Paton & Co. desire us to state that their great discount sale is for thirty-five days only.

C. C.—All members of the Cabot Club are requested to attend the meeting to-night at 8 o'clock, sharp. Important business.

LEGISLATIVE LIBRARY.—It is pleasing to note that the Legislative Library has been repainted and that all the books remaining under Mr. Crosskill's care are now in good order and well arranged.

TOURISTS.—The Charlottetown depot presented a lively appearance this morning. An unusually large number of tourists to the World's Fair and other points, took passage by early train.

GET ONE.—Last week's WEEKLY EXAMINER, containing the Exhibition Prize List and Report of the Races—an eight-page paper—is for sale at Carter's Bookstore, the Post Office, and at this office.

THE BENEFITS OF ADVERTISING.—That advertising is the greatest help to business success is pretty well shown by the account of the Hawker Medicine Company's methods, which we publish in another column.

ACKNOWLEDGMENT. — We acknowledge, with thanks, the receipt of a neatly-printed calender of Prince of Wales College and Normal School for 1893-94; also a copy of the annual report of the Prince Edward Island hospital for the year 1892-93.

NOVA SCOTIA APPLE TRADE.—The apple trade of Nova Scotia is booming. The Monticello is bringing over hundreds of barrels for Boston every trip, and will probably have 800 to 1,000 barrels on her next arrival. At Kingsport a schooner is loading 2,000 barrels for New York. The demand is keen in the American market. No shipments have yet been made to England.—Sun.

HARD TIMES IN THE WEST.—A correspondent of THE EXAMINER residing in Oregon writes:—"Times all over the Western States are hard, harder, hardest. Thousands idle and starving. The crop of wheat this year is the best on record, in both quality and quantity, but the prices are the lowest ever known—45 to 48 cents per bushel. The fruit crop this year has been large and of good quality. Business in every line is dull."

MCLURE'S.—One of the best temperance tales ever written is published in McLure's Magazine for October. It is by Walter Besant, the famous author of "All Sorts and Conditions of Men," who knows of what he writes, for he has lived among the people in the great east end of London, and it is through him that the splendid Peoples' Palace was built there. This story is called "A Splendid Time Ahead," and is a powerful sermon of interest to everyone, because it is true to the life. The pictures by Henry Mc. Carter are very much in the spirit of the story and add to its interest.

BURGLARY.—During last night or early this morning some person or persons entered the sample rooms in D. Farquharson & Sons' building on Queen Street, and made off with a quantity of dry goods. The room fronts on Great George Street, and was rented by a travelling agent named Riley. An entrance was made through a window having a strong wire screen over it, on Dorchester Street, by first removing the screen and then the lower sash. The goods stolen include about twenty pairs of pants and a lot of other dry goods. No trace of the goods has been found, but the police are engaged in search.

## THE WESTERN EXHIBITION.

### A Crowd of People at Alberton.

### Excellent Exhibits in Various Classes.

(Special by Telephone to The Examiner.)

ALBERTON, Oct. 3.

Despite the very unfavorable weather, the Exhibition here was a decided success. There was a large number of entries in all the classes, and the number of visitors was also large.

As to the quality of the exhibits, they were well up to the mark of the Provincial Exhibition, and made apparent the agricultural capabilities of the fertile West. The cattle, sheep and pigs on exhibition were particularly good.

**A New Agency.**

Mr. Theo. L. Chappelle has been appointed agent for the Covenant Mutual Benefit Association, of Galesburg, Illinois. Life insurance is secured at actual cost, and the system is as sound as the level premium. No admission fees, no annual dues, no individual liability. The insurance in force is $110,000,000; death claims paid, $7,000,000; assets, $1,000,000; and surplus, $850,000. Its many commendable features are its own recommendation.

Y. M. C. A. The ticket committee meets, for the first time this fall, in the Secretary's office to-night at 8 o'clock. A full attendance is requested.

A course of practical talks is being outlined and speakers chosen. It is expected that they will embrace elementary science, biology, hygienne, physical development, commercial and legal topics, educational classes in French, vocal music, bookkeeping, penmanship, commercial arithmetic and correspondence, and mechanical drawing will be ready for organization by Nov. 1st. Competent teachers are being secured and other necessary preliminaries completed. The devotional committee is arranging for the Sunday afternoon meetings, which will commence next Sunday. Particulars will be given in Friday's issue.

A prospectus of the winter's work will be published in a few days. We want every young man to secure a copy.

The evening classes in the gymnasium will commence Thursday night at eight o'clock.

THE COBAN.—The steamer Coban, Captain Robert Fraser, arrived here at six o'clock yesterday evening, after a very rough passage. She brought a large general cargo and the following list of passengers: Mr. Currie, Miss McCowen, Mrs. English, Miss English and Miss Cook. She also had two steerage passengers. She sailed for Sydney, C. B., and St. John's, Nfld., to-day at four o'clock, with a large cargo made up of live stock, oats, etc, and two passengers—Mrs. J. Wickham and two children, and T. C. Mackison.

Delicate children find a wonderful tonic and invigorator in Puttner's Emulsion of Cod Liver Oil and Hypophosphites. Its pleasant taste and ready digestibility especially adapt it for their use. All the leading physicians prescribe it.

Hazlitt says, rather superficially, I think, that no good painter was ever a good talker. A talking painter would never labor enough to acquire his art.
