

LOOK DAD!

There's No Bike Like

C.C.M.

IT'S GOT

CYCO *Sonic* DRIVE

"... DAD, C.C.M. is the only bike with CycoSonic Drive... the swellest thing in bikes today! It's a stronger one-piece crank that can really 'take it'! It's got specially-ground Hi-speed roller bearings—and the whole idea is to make your C.C.M. run lots easier."

"... SEE, THE C.C.M.'s got the Hercules Coaster Brake, too! Gives you fast, safe braking and it really *stands up* under tough riding. The new 3-point bearing lets you coast *five* times farther. And you can also get a C.C.M. with a variable speed gear and hand brakes, if you want them!"

"LOOK, DAD, THIS PICTURE shows you where C.C.M. 'Resilobrazes' the frames— that means low temperature brazing them with silver alloy, so you get a stronger... safer bike."

"NOW HERE, DAD, is what makes the new C.C.M. so much safer and easier to steer! It's Precision-Castered—the front forks are curved just right to give your front wheel perfect swivel-balance... and the forks are tapered to make them stronger."

"THIS NEW Double Thickness Rim, made only by C.C.M. is triple-welded for extra strength. And C.C.M. wheels have strong, rustless steel spokes."

"LOOK AT THAT FINISH, DAD! It stays on, because M. Bonderizes the frame first to make it rust-resistant; then they use on three coats of durable enamel. That's what gives a C.C.M. its wonderful shiny gleam—and keeps it that way! Isn't it a terrific bike, Dad?"

C.C.M.'s are sold and serviced by more than 3,000 friendly C.C.M. Dealers across Canada.
