Among The Farmers
Federation Of Agriculture News

Harvest Moon
The full moon nearest the 21st of September is usually referred to as the Harvest Moon due to the fact that for three or four successive nights it rises about the same time affording harvesters the advantage of bright evenings should the weather be fine.

Are Food Costs High?
Many consumers publicly bewail what they term the high cost of food, overlooking the fact that they are comparing present day costs with those of ten years ago when agriculture produced food at a loss and in effect subsidized cheap food for the consumer.

South African Farmers
We have received a number of copies of the Farmers' Weekly, the foremost Agricultural Journal of the Union of South Africa.

Re-organization
The good attendance at recent Federation meetings in Bedeque, Brookfield, Fort Augustus, and Eldon may perhaps be an indication that the Federation members would prefer a larger district unit for organization purposes.

HONOURED AT FRENCH RIVER—On Monday evening, Aug. 27, a number of friends from French River and vicinity gathered at the home of Mr. and Mrs. Frank Brown to bid farewell to Mr. and Mrs. George Kenward, who have since left for Ottawa, Ontario, where they will take up residence. Gertrude, as she is familiarly known to her friends, spent most of her girlhood days in French River, while George, who is formerly from Ottawa, came to be a popular member of the community and surrounding districts. Mr. Henry Meek capably filled the role of chairman, and an address was read by Miss Jean Parsons. The presentation of a well-filled purse was made by Mrs. James Gillespie. Mr. Kenward, on behalf of himself and his wife, made a very fitting reply. Lunch was served by the ladies, and the remainder of the evening was spent in games and singing.

Ploughing Matches
Next Wednesday at Mt. Mellick and the following Wednesday and Thursday at Dundas, tillers of the soil will demonstrate their skill in the basic farm operation—Ploughing.

Ploughing Matches, which are basically rural and agricultural, so far have not shown any tendency to introduce features which distract the attention of their patrons from truly agricultural pursuits. Winners at ploughing matches require a scientific understanding of the implements used and a sense of soil conditions and that necessary ingredient of genius, a capacity for taking infinite pains with their work.

We will look forward to seeing Queen's County winners demonstrate their skill against the top ploughmen of King's County at Dundas.

granted on condition that two be planted in its place.

25th Anniversary

Mr. and Mrs. George Francis, 12 1/2 Spring Street, were at home Sept. 6th to their many friends on the occasion of the 25th anniversary of their wedding.

The Jubilee Mass was celebrated at St. Joseph's Convent by Rev. M. E. Francis, Rev. A. A. Francis sang the couple's favorite hymns during the Mass.

Many called to extend their congratulations and beautiful gifts of silver were received. In the evening a jolly crowd gathered and much fun and laughter were in evidence. Tea was dispensed to all by friends and neighbours.

Previous to this, Mr. and Mrs. Francis were given a surprise party in the banquet room at Sandy's Restaurant, which fifteen members of both families attended. Flowers and silver medallions decorated the room and the table centerpiece held a beautiful wedding cake.

After dinner speeches were heard and a presentation of silver made to the happy couple. The toastmaster was Rev. M. E. Francis, brother of the groom, and Rev. A. A. Francis, P.P., Eastern Passage, N.S., was also present. He wished for this fine couple, God's choicest blessings and many, many more anniversaries.

Mr. and Mrs. Francis were greatly touched by being so remembered, and feelingly expressed their gratitude.

The remainder of the evening was spent in sing-song and readings. "For They Are Jolly Good Fellows" ended an evening long to be remembered by this happy couple.
