ARRIVE SATURDAY

The Newfoundland group is scheduled to leave St. John November 11, and will be joined along the way by Mainland 4-H groups, arriving in Toronto Saturday November 15, the opening day of the weeks conference.

The young delegates will visit Ottawa November 20th before leaving for their homes later that day.

National 4-H Club Week is an educational program designed to give the young people a broader view of events and places. They have the opportunity not only to exchange views with members from other provinces, but also to participate in discussions on practical problems common to all.

The group will visit places of interest in both Quebec and Ontario, and have the opportunity of spending at least one day at the Royal Winter Fair.

National 4-H Club Week is an experience not soon forgotten, and one well worthwhile the effort spent by those who have won the right to attend.

CHOSEN IN JULY

Six of the Island delegates were chosen July 18th to represent the Island at the fair. The girls won out over 32 other young ladies, who took part in a five-day course for garment and food club girls.

Miss Theresa MacLeod, supervisor of the Women's Institute division of the department of agriculture and her staff conducted the course which covered various phases of home economics through lectures, discussion groups, handicraft sessions and recreation periods.

The other eight members were chosen September 16th to represent the livestock and project clubs at the fair.
