

Canadian Tennis Players Lose Out At Wimbledon

WIMBLEDON, England (CP)—Canada's entries in the men's tennis singles at Wimbledon lost Thursday in third round matches.

Lorne Main of Vancouver and Toronto fought it out with Gil Shea of Los Angeles for five sets, but lost 6-1, 7-5, 8-7, 1-6, 6-1. Bob Bedard of Sherbrooke, Que., lost to Australian star Lewis Hoad in four sets, 6-3, 6-0, 1-6, 6-1.

Hoad, seeded second in the tournament, had too much power for Bedard. His service was booming, and his backhand drives kept Bedard on the defensive from the start. Bedard won the third set when Hoad relaxed.

Another Canadian, Mrs. Hannah Sladek of Toronto, had a mixed day. She won in the first round of the women's doubles with Mrs. E. G. Attwood of New Zealand, 6-2, 6-2, over Mrs. H. Strecker of Austria and Mrs. J. P. Vogler of Germany.

In the mixed doubles, however, Mrs. Sladek and Gene Garrett of Los Angeles were defeated 6-3, 4-6, 6-3 by Philippe Chatrier and Miss S. Schmitt of France.

DAY'S SURPRISE

The big surprise of the day came in the men's singles, when unseeded Philippe Washer of Belgium defeated sixth-seeded Art Larsen of San Leandro, Calif., 10-12, 7-5, 6-2, 9-7 in the third round.

Trabert kept his victory string intact with a 10-8, 8-6, 6-2 decision over London's 19-year-old Bobby Wilson.

Other Americans and their scores were: fourth seeded Vic Seixas, Philadelphia, over Mark Otway, New Zealand, 6-3, 6-4, 9-7; seventh-seeded Budge Patty of Los Angeles and Paris, over India's Narath Kumar, 6-1, 6-3, 6-4; and 12th-seeded Gardner Mulloy, Coral Gables, Fla., over Australia's Peter Molloy, 6-4, 10-8, 8-6.

Sets New Record For The Marathon

LONDON (AP)—Jim Peters, 35-year-old veteran distance runner, has clipped 55.4 seconds off the unofficial world record for the marathon.

Peters took two hours, 17-minutes 39.4 seconds for the gruelling 26-mile, 385-yard annual Windsor-to-Chiswick race Saturday.

There is no recognized world record for the race, but Peters held the previous best with a time of 2:18:34.8 which he set at Turku, Finland, in October last year.

Peters, a slight dispensing optician, from Chadwell who weighs only 126 pounds and is less than five-foot-six, ran into the wind for the last 10 miles.

Boating Can Be Lots of Fun— Or It Can Mean Lots of Woe

It all depends on you. If you learn a few basic things about handling a small boat, your vacation or week-ends afloat will be pleasant—and SAFE. Last year hundreds of people were drowned in boating accidents, many of them due to ignorance of boat handling or, carelessness. No one knows how many uncomfortable, but non-fatal accidental dunkings were suffered. The American Red Cross conducts regular classes to teach its members water safety. Illustrated here are three common traps for the unwary amateur sailor. One thing the Red Cross stresses—if your boat or canoe capsizes or fills with water stay with it. It will not sink, even with an outboard motor attached. Many good swimmers die in boat accidents every year because they leave the boat and try to swim to shore.

If you want to lose your motor overboard, this is a good way to do it. Have boat moored securely while putting motor aboard.

Queen's Own In Prince of Wales Plate Victory

TORONTO (CP)—Queen's Own, a handsome chestnut colt that got shoved around in the Queen's Plate classic, had plenty of running space Saturday and dashed to an easy victory in the \$5,000-added Prince of Wales Plate at Woodbine race track.

The colt made up for his second place finish in the plate by whipping a field of five three-year-olds and winning by 1 1/4 lengths over King Maple. Pancho, owned by the Bur-Fit Stables of Hamilton, Ont., was third, two lengths behind the King.

Queen's Own, a son of War Jeep and Sea Reigh, broke from the gate at odds of slightly more than 2 to 1. He was going away at the wire and covered the 1-16-mile distance in 1:46.2.

A crowd of 14,279 saw the upset winner of the Queen's Plate—the

Match your motor to your boat. This boat, with much too large a motor is extremely unstable and therefore dangerous.

He's not asking for trouble — he's begging for it. Don't board boat encumbered with oars. Step into bottom, not onto seat.

Bur-Fit Stable's Collisteo—finish of Toronto.

The other two horses, Carolator and Beauarch, were never in contention. Carolator closed at the odds of 20 to 1 and Beauarch at 90 to 1.

ILLUSTRATION STATION FIELD DAYS

The Dominion Department of Agriculture, in co-operation with the Provincial Department of Agriculture, will hold Illustration Station Field Days on the following dates—rain or shine:

Farm of William E. Johnstone and Son, Long River, June 30, 2:00 p.m. sharp. Speakers: Hon. C. C. Baker, Dr. J. A. Clark, R. C. Parent, S. C. Wright, L. C. Callbeck, R. Snazelle.

Farm of Robert Woodside and Son, Knutsford (O'Leary), July 2, 2:00 p.m. sharp. Speakers: Hon. C. C. Baker, R. C. Parent, S. C. Wright, L. C. Callbeck, C. Keith Clay, R. Snazelle.

A tour will be made of the Illustration Station fields and fertilized pastures, meadows, mixtures for hay and pasture, cereals, root and potato crops will be observed. The experimental work active on the Illustration Stations will be reviewed and discussed by the Supervisor.

Take this as an opportunity to meet your neighbours, to converse with departmental representatives and view the work that is in progress.

W. N. BLACK, Agronomist, Illustration Stations, Prince Edward Island.

NOTICE

TO BOND HOLDERS

Charlottetown Golf Club

A meeting of the holders of Bonds, of the Charlottetown Golf Club, will be held on Tuesday, 29th day of June, at 7 p.m. A.S.T. at the club house, for the purpose of determining a method to effect a partial redemption of the Bonded Indebtedness of the club.

O. R. SIMONS, President,
A. J. HASLAM, Secretary.
Charlottetown Golf Club.

They Fly Jets.. in a Room!

RCAF AIRCREW TRAINING HAS WON FOR ITS MEN A WORLD WIDE REPUTATION

In an ordinary room, RCAF jet pilots get regular and systematic practice in instrument flying and procedures — takeoffs — letdowns — precision instrument turns — cross country flights — radio aids practice.

And — if things are going too smoothly — the instructor can twist dials to simulate all the flying conditions that the pilot is likely to meet, such as rough air — lightning — static — changes of wind speeds and directions.

It's all part of the continuous training that makes RCAF pilots among the most competent airmen in the world!

See the RCAF Career Counsellor at the address in coupon — or mail coupon today!
