It is spring time with the frog, when the small toy is around with a stone.

The question which excites the drivers of public carriages is: "Does a hack or a coupe best?"

If you think nobody cares for you in this cold world, just try to learn to play the fiddle in a populous neighborhood.

The frequent Ministerial changes: "Why don't you brush me, Baptiste?" "Because, Mr. Minister, I hardly dare to; everybody says you are so frail!"

A man who was arrested for cruelty to a miserable looking horse, was asked if he ever fed him. "Ever fed him? That's a good 'un," was the reply. "He's got a bushel and a half of oats at home now, only he ain't got time to eat 'em."

"Mamma," said a little fellow whose mother had forbidden him to draw horses and ships on the mahogany sideboard with a sharp nail, "Mamma, this ain't a nice house. At Sam Rackett's we can cut the sofa, pull out the hair, and ride the shovel and tongs over the carpet; but here we can't get any fun at all!"

A five-year-old, who went to school for the first time, came home at noon, and said to his mother, "Mamma, I don't think that teacher knows much." "Why not, my dear?" "Why, she kept asking questions all the time. She asked where the Mississippi River was."

Poet—"But, my dear sir, it is now four years since you accepted my epic, and no steps have yet been taken to publish it." Publisher—"Don't be in a hurry, young man. Homer had to wait more than three thousand years before he got into print, and you will hardly claim that your poem is an Iliad."

Individual (stepping into witness box):—"As I was going home last night, your worship, somebody fired a pistol, and the shot went right through my hat." Magistrate (impatiently)—"Tut, tut, my good man, that's nothing; wait till you get one in your head, then we will go into the matter. Next case."

Many business men now use typewriters, and not long ago a wholesale house sent a letter of this kind to a small dealer in the Far West. The Western man returned it with the indignant comment:—"I just want you to understand that I ain't no school boy. I can read writin' as good as anyone."

The Great French Remedy, Dr. LeDuc's Periodical Pills. For the cure of Leucorrhoea or White's Excessive of Painful Menstruation, Green Stools, Falling of the Womb, Catarrh of the Uterus or Vagina, Hysteria, Pain in the Back, or Piles, or for the purpose of invigorating and giving tonic to the Generative Organs, two pills should be taken twice daily, or in very enfeebled conditions, one pill three times a day. To effect cures in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected.

CURE SICK HEADACHE. Sick Headache and relieve all the troubles incident to a bilious state of the system, such as Dizziness, Nausea, Drowsiness, Distress after eating, Pain in the Side, &c. While their most remarkable success has been shown in curing Headache, yet Carter's Little Liver Pills are equally valuable in Constipation, curing and preventing this annoying complaint, while they also correct all disorders of the stomach, stimulate the liver and regulate the bowels. Even if they only cured Ache they would be almost priceless to those who suffer from this distressing complaint; but fortunately their goodness does not end here, and those who once try them will find these little pills valuable in so many ways that they will not be willing to do without them. But after all sick head

ANALYTICAL SANITARY INSTITUTION 64, Holborn-viaduct, E.C., London, Aug. 8, '79 Report on the LORNE HIGHLAND WHISKY: "We have visited the bottling stores of Greenlees Brothers, and have selected from the vats, samples of their Lorne Highland Whisky, and have subjected them to careful examination and analysis. The samples were very fragrant, mellow, and of pleasant flavor, and possessed all the characteristics of pure and well-matured Scotch Whisky of the first quality."
