

## Expressing into Ink

Thursday night, is alright, —————>  
when you got a bar to hit up that's  
tight. Bif Naked, Getin naked, little  
girlies in their halters trying to fake  
it, don't take it, the bait thats waiting  
for you to grab it. Nab it. Trying to  
get a slice when you don't roll dice. 7  
7 —————> all nice ladies go to  
heaven. Purely, as you can tell bif  
naked booty ain't ringin my bell, I  
got letters to write, as-well as a kite  
I'm gonna fly tonight. Ask me if its  
alright??? ya cause I'm feeling the  
height. Lovin it , not touching the  
ground, send away for a notha half  
pound, then bring it back round and  
see whos to be found, so we can spin  
anotha leaf and experience the exhale  
sound.....pphphphphph  
*level2theground*

Peace to your east... with her beauty,  
and bounty that she distills for the  
lovers of the land. Let her bask in her  
own delight, let her feel the softness  
and purity of her own rich waters...  
for her to taste and to feel the cool-  
ness on her lips. Let her skin feel the  
justice of our touch, give it back, and  
claim it no more. Was it ever ours.  
Let the land heal. Become with her.  
She is our mother who watches over  
us all.

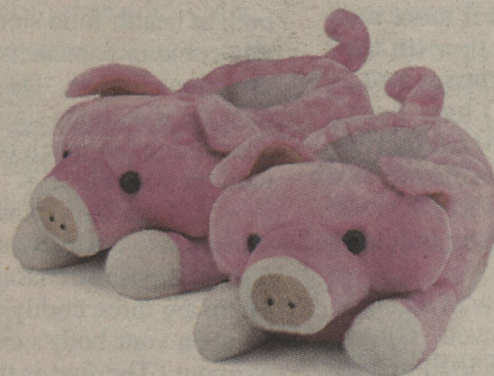

### *Cool and Calm*

Watching the folks walk up and  
down the path. Wondering where to  
and how far they've come. Different  
paths lead to different destinations,  
each one the same, yet different in its  
own right. Choices in life reflect our  
path... our path reflects the experi-  
ence we have gained from our choic-  
es. Every choice is defining who you  
are, adding experience to your life,  
and giving you the opportunity to  
learn from that experience. A deci-  
sion that is up to us. To keep going,  
to strive for what it is we reach.  
Knowing our destination is at hand,  
but not where it lies. Only that it lies  
in the path we tread.
