THE PREEPER MURDER.—The Halifax Echo publishes a sensational statement about the Preeper murder trial. It will be remembered that, after a two weeks' trial in April last, young Preeper was convicted of the murder of Peter Doyle, and the jury failed to agree on the trial of Mrs. Doyle, as an accessory, so she was held for a new trial. The only real evidence against him was that of Emily Dillman, a sister of Mrs. Doyle. Now, according to the Echo, Emily has written two letters to Mrs. Doyle in jail, one sent by post, which was opened by the authorities, the other delivered by a sister in which she states that the whole story she told was a pure fabrication. The Supreme Court meets on Tuesday next to hear an application for a new trial made on behalf of Preeper, when the whole matter will be brought to light.

SPECIAL DESPATCHES TO THE EXAMINER.

International Cricket.

TORONTO, Ont., July 3.

There was great interest taken by the one thousand spectators in the International cricket match between Canada and the United States on the Toronto cricket grounds. Play was commenced at 11 o'clock sharp. The Americans won the toss and began batting on very good wickets. The first two men, Patterson and Morgan, were in for an hour and a quarter for 22. Brockie, who followed, made 51 in fine style. Walter Scott also batted in good form. The team was very strong in batting, nearly all the men securing double figures and the total reaching 205. The Canadians bowled and fielded pluckily, but when their turn came to bat, they evidently felt the effects of their outing, as they were all out in little over two hours for 79. Jones and Harkley made a fine attempt to save the match, but the former, after obtaining 22, was caught and the rest of the side failed altogether, except Harley, who got 16. The wickets crumbled a good deal, and the bowlers were able to get a lot of work on the ball. Brewster got 5 wickets for 13 runs, a wonderful performance in a match of such importance. The Americans fielded magnificently, and gave a fine exhibition of cricket all round. The game will be continued to-morrow.

The committee on political action reported, recommending that the friends of prohibition organize in each constituency for the purpose of preventing the election of any member who does not favor prohibition in the House of Commons, and for the securing of the election of candidates who are proved and publicly avowed Prohibitionists; that when the nomination of such prohibition is not otherwise secured, an independent prohibition candidate be nominated and supported at the polls; that the central political committee be elected; that a standing legislative committee be appointed from the members of the House of Commons and the Senate. Considerable discussion followed on the question of a third party.

Stipendiary Magistrate's Court.

Two little boys, Joseph Steele and Duncan McLean, charged with stealing bottles from the yard of a resident of Kent Street, were the first called up this morning. They denied the theft and said the prosecutor's servant girl had given them permission to take the bottles. The prosecutor said that he had learned since the arrest of the boys that the girl had told them something about taking the bottles, and did not wish to press the charge. His Honor accordingly discharged the boys, after admonishing them to be more careful in future.

Joseph Jeffrey and Alexander Mingill, the two umbrella repairers who have been doing two umbrella repairs early last week, were found lurking about Prince street, near the Ferry wharf, yesterday afternoon, and were gathered in by the police. Jeffrey explained that the in by had indulged in a little beer yesterday, as it was the fourth of July, and promised to leave town if they were let off this time. His Honor cautioned them about again celebrating the fourth of July or any other day by getting drunk, and ordered their release. With a polite "thank you" both left the court.

Drowning Accident.

MR. JOHN H. GARRETT, OF STANLEY BRIDGE, DROWNED BY THE UPSETTING OF A BOAT—THE BODY RECOVERED.

A VERY sad drowning accident is reported from Stanley Bridge. It appears that yesterday afternoon Mr. John H. Garrett, accompanied by two little boys, George Warren and George Henry, aged ten and twelve years, respectively, left in a large sail boat owned by Garrett on a fishing trip. When they arrived at the mouth of the harbor they found that a strong south-westerly gale was blowing, and the sea was running so high that they could not proceed further. Accordingly they decided to return, and either in the act of turning the boat or just after she had been brought round, she upset, and all three were precipitated into the water. Garrett rose to the surface once and then sank; the two boys clung to the bottom of the upturned boat, and called loudly for assistance.

A farmer named John Dunn witnessed the accident, and as quickly as possible procured a small boat, and rowing out to the scene, took the two boys, who were much fatigued and badly scared, from their perilous position. He looked about for Garrett but he was nowhere to be seen. He had sunk to rise no more.

The unfortunate young man was a son of Mr. George R. Garrett, of Stanley Bridge, and was very popular with all who knew him. He was about thirty years of age, and was married to a daughter of Mr. John Stewart, of Bay View. He leaves one child, a little girl about eight years old. His parents and relatives have the sympathy of all in their affliction.

The body was recovered at two o'clock this afternoon in the neighborhood of the scene of the disaster.
