

# MAPUS Supports the Easter Seals Campaign

By Margaret DOYLE

The Mature and Part-Time University Students Association (MAPUS) of UPEI has been selling "Easter Eggs" to raise money for the Easter Seals Campaign. For a loonie, the buyer can put his/her name on one of the paper eggs which is then displayed on the walls of the Student Centre.

Belinda Johnson and Margaret Doyle have spent many hours in the Student Centre, the Breezeway on the Library Building, the AVC, and Main Building. Ann Matheson has wandered through buildings, providing opportunity for those who did not get a chance to visit one of our selling locations to purchase eggs. Mikey Santiago (son of Liz Senter) spent some of his March Break putting the named eggs up on the wall. Liz, Valerie Campbell, Beth Sheppard, and many other MAPUS members provided support and helped out when they could.

Laura Booker started it all by providing the eggs and posters. It was truly a group effort and as this is a busy time of year for the students, the effort is sincerely appreciated.

Our goal was to raise \$200.00 to support the Easter Seals Campaign and

although (as of going to print), the final tally is not in yet, we are thrilled to report that we have already exceeded our goal.

We hope you watched the Easter Seals Telethon that was on last Monday night on CBC (the 24th of March), and saw Margaret and Belinda present our cheque. If you do not have the opportunity to purchase an egg and would like to do so, or simply to make a donation, please contact the MAPUS lounge at 566-0448 or drop by our new (old), temporary (?) location in Room 106 of the Robertson Library building.
