

Deifast Election.

The following are the returns of the election on Tuesday:-

Table with 2 columns: Candidate Name and Votes. Includes names like Belle Creek, Eldon, Murray Harbor Road, etc.

Majority for Crawford, 13.

The majority is precisely the same as that reported in our country edition of yesterday, though the figures are not alike.

The Patriot contends that there has been a "strong reaction" against the Government. But, we think, the figures do not exactly bear it out in its contention.

By the way, we must not forget to congratulate Mr. Dixon. His ambition to become a legislator is an exceedingly laudable one.

Belfast is also to be congratulated. Her escape was a narrow one. She will not, we venture to say, again be overconfident or apathetic in a like conjuncture.

LAUNCHED.—Angus McMillan's new vessel was launched at Summerside last Saturday, under the auspices of Mr. John Ramsay, owing to the sickness of Mr. McLennan, who superintended her launching.

A VESSEL of some 600 tons was launched from Hon. John Lefurgey's shipyard, on Saturday last. After what appeared to be a first-class send off, it was found that a portion of her keel had come in contact with a rock, which injured it slightly, but not very seriously.

THE schooner "Jane McKay," owned by Donald McKay, Esq., M. P. P., was lost on Tuesday night off White Head, N. S., while on passage from Boston. Crew saved.

They were talking about the weight of different individuals in a certain family, and the daughter's young man, who was present, spoke up before he thought, and said: "I tell you that Jenny ain't so very light, either, although she looks so."

WE learn with great pleasure that the Government has appointed Mr. Francis J. Conroy, Attorney-at-law, to the office vacated by the death of his father. The appointment will be approved of by the supporters and opponents of the Government.

THE Summerside "Journal" says: This week we regret to have to record the death of two of Mr. Edmund Kinsman's children. They died on Friday of diphtheria, within 12 hours of one another, and were buried on Sunday. Mr. Kinsman has the sympathy of the community in his sad affliction.

Bogus Money.

DEAR SIR,—Will you please call attention to the fact that bogus Dominion half and quarter dollars are in circulation here. They are easily detected, as they feel greasy under the touch, and the outlines are not sharp and distinct as in the genuine.

BRITISH MARKETS.

LIVERPOOL, Oct. 18, 5 p.m.

Table of market prices for various commodities like Flour, Spring Wheat, Red Winter, White Winter, etc.

THE RISE IN METALS.

As a striking example of the "jump" in prices which metals have taken we hear of a purchase made in Montreal last month of 100 tons of Eglinton pig iron, which had been brought out in ballast at \$14 per ton 30 days, landed on the wharves. The thirty days expired on Saturday, the 11th, and on the following Monday the iron, which had thus cost \$1,400, was sold for \$2,500, a profit of \$11.00 per ton inside of thirty days.

POTATOES.

LONDON, Oct. 6th.—Plentiful supplies but disease very prevalent. Good sound potatoes scarce and dear. Regents, 110s to 150s; kidneys, 120s to 140s; rocks, 80s to 110s; French, 90s to 110s per ton.

THE SUGAR ADVANCE IN ENGLAND.

Cable advices yesterday state that Scotch refined sugars have advanced from the lowest point about 5s. sterling—equal in our market to 1 1/2 cents per lb. This would cover a period of a month, the advance in the last two days being 9d. to 1s. Cablegrams also state that sugars are likely to advance still further.

STOCK RAISERS AND FARMERS should not miss the rare opportunity of purchasing nearly pure bred cattle at the auction sale to-morrow by William Dodd, which takes place at the Kensington Brewery stables at 12 o'clock.

A TROT between R. Fitzsimmons' "Island Chief," and D. Marchbank's "Honest Joe," for \$100, is advertised to take place on the Kensington Driving Park, for Tuesday, the 28th inst.
