Montague W. I. Monthly Meeting

The December meeting of the Montague Women's Institute was held at the home of Mrs. Lester MacLeod Tuesday evening with the president, Mrs. A. D. MacLure, in the chair. The meeting opened with the Institute creed, followed by roll call. The minutes of the annual meeting were read and approved. Unfinished business included the plans for the holiday party sale. After much discussion it was decided to postpone the sale until the first Saturday in January, detailed arrangements to be made at the January meeting. Correspondence was read by the secretary, Mrs. Lorne Wigginton and included a letter from Mrs. Harry Cudmore regarding the first aid course to be held in Charlottetown December 26 to 30; a letter of thanks from the Blood Clinic; and a letter from Red Cross headquarters regarding Red Cross work for Institute members. On motion a sum of money was donated towards the Rotary auction and to the T.B. League. Mrs. Cecil Beck, Mrs. Byron Stewart, and Mrs. Lyle Boerner were appointed to represent the Institute at a civil defence meeting, when such a meeting may be held in Montague. Mrs. William MacLean, in charge of Red Cross work, distributed yarn for sweaters and socks to the members. At the close of the meeting lunch was served by the hostess, assisted by Mrs. LeRoy White and Mrs. Wigginton. A contest arranged by Mrs. MacLure was won by Mrs. J. C. MacLure and Mrs. William MacLean. Mrs. Wigginton invited the members to her home for the January meeting.

Algoma Steel Corp. Announces Profit

SAULT STE. MARIE, Ont., Dec. 6 (CP)—Algoma Steel Corporation, Ltd., had net profit for the year ending April 30 of \$3,577,338, down \$458,818 from the preceding year; or \$2.17 per share compared with \$2.44. The lower net profit, says the annual report, resulted from lower sales volume and an increase in the tax rate. It also states: "During the year your directors, with the advice of most highly-regarded authorities on iron and steel enterprise and its engineering, have decided on a comprehensive policy of extension and modernization of existing facilities for the purpose of increasing tonnage of finished steel products, range of output and economies in production." Current assets were \$20,589,166 and current liabilities \$4,244,978, indicating working capital of \$16,344,188, up \$2,288,124.

Mrs. Ira Ross and Mrs. Archie Bruce of Upper Montague, were recent visitors to Montague, guests of Mrs. James MacBeth.

WORKING ON STREETS — Road machines were working yesterday on the Montague side streets, and considerable work has been completed in the program of building these streets. The road to the west of the League grounds has been reditched and several low areas have been built up. A deep ditch to the north of the grounds has been made so as to drain the water towards the rink where a culvert has been installed to connect with the main street drain. Other streets under reconstruction are the Riverside Drive, Sackville Street, Rink Street, School Street, and Brook Street. It is expected that this work will be completed either this week or early next week.

Hold Successful Masonic Auction At Montague

A very successful auction in aid of crippled children was held at Yeo's Theatre in Montague last night, sponsored by the Masonic Lodge. The large crowd in attendance bid enthusiastically for the many articles which were auctioned and which had been donated by the merchants and people throughout the district and Charlottetown. The auctioneers were Messrs. Guy Nelson, Robert Glover, Archie Llewellyn, and Lorne Wigginton. The door prizes were won by Miss Winnie Greene, Montague; John Nicholson, Milltown; Ben Weatherbie, Valleyfield. Officials of the auction estimated that proceeds would total approximately \$1000.00.
