BACK TO THE FARM.—The opening of the haymaking season is making considerable gaps in the ranks of the men working in the sewerage trenches. One of the gangs was this morning reduced to two, and the others have come down greatly in numbers. The country has its attractions—attractions which many farmer's sons do not find out until they leave the farm. No doubt many of the men missed their usual rations of buttermilk and cream. They could not have a sleep for an hour during the heat of the day, and even a dollar a day was not enough to counteract the longing to get out into the hayfields. The contractors are today advertising for one hundred more able bodied men.

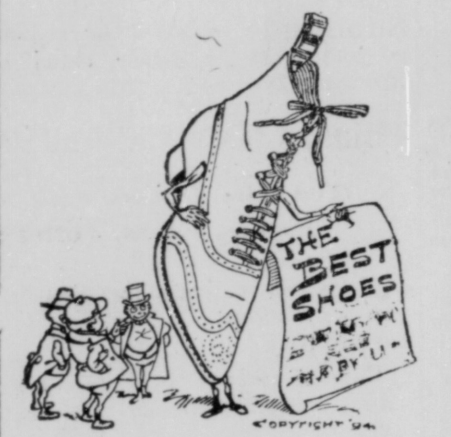

The members of St. Joseph's Sodality are requested to meet in their hall this evening at 7:30. A full attendance is requested.

PRE-BYTERY MEETING.—The Presbytery of P. E. Island will meet on Tuesday the first of August next at 11 a. m. in Zion Church. Session minutes ought to be presented at this meeting. T. F. Fullerton, Clerk of Presbytery.

IN THE CHURCHES.—Yesterday morning Prof. H. A. Tanton and Mr. Barry Anderson occupied seats in the choir of St. Peter's Church and greatly assisted the singing. In the evening the former sang "Daughter of Zion" in the First Methodist Church and the latter sang the "Way of Peace" in St. Paul's.

AT THE PARK.—Notwithstanding the threatening aspect of the weather, quite a number of pleasure-seekers were at the park on Saturday afternoon. The first Saturday afternoon's cricket game took place. ORDAINED AND INDUCTED.—The Rev. R. L. Coffin, who graduated at Pine Hill College, Halifax, this past spring, was ordained as a minister of the Presbyterian Church, and inducted to the charge of the congregation of Middle Stewiacke and Brookfield by the Truro Presbytery last Wednesday. The Colchester Sun says Mr. Coffin was warmly welcomed by the people. He follows an able man, Rev. Clarence McKinnon, who has been called to Park St. Church, Halifax, but Mr. Coffin had a brilliant course in college, and there is no doubt but that his ministry will be eminently successful. His brother, the Rev. F. L. Coffin, has been settled for some years in the neighboring congregation of Lower Stewiacke.

St. James Church.—The large congregation that assembled in St. James Church last evening had the privilege of engaging in a service of unusual interest. Mr. Fullerton put forth one of his well known efforts in an exposition of the difficulties which encompass the Christian in his upward path to the City of God, and the blessedness which attends the persevering struggle to climb the sacred heights. At the close of the sermon Miss Earle sang "The Plains of Rest" in a way that will not soon be forgotten. Her clear sweet voice seems to have grown in intensity, and her exquisite power of rendering the spirit of her song was never seen to be better advantage than last evening. The congregation is to be congratulated upon Miss Earle's presence in the choir.
