The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in wisely adapting and thoroughly testing remedies for the cure of woman's peculiar ailments. Dr. Pierce's Favorite Prescription is the outcome, or result, of this great and valuable experience. Thousands of testimonials, received from patients cured by physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be a wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments. As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb, and its appendages, in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "day-girls," housekeepers, nursing mothers, and delicate young women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled in its effects. As a soothing and strengthening nervine, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency. Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system, whether morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and all kind of nervous affections. Its use, in small doses, will prove very beneficial. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive uterine pain, menstrual irregularities, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat." As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. Its equally efficacious and valuable effects are equally noticeable and permanent in those cases when taken for those disorders and despondencies incident to that later and most critical period, known as "The Change of Life." "Favorite Prescription" is taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood poisons, and abolishes all cancerous and scrofulous humors from the system. "Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturer, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years. Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For large, illustrated Treatise on Diseases of Women (100 pages, paper-covered), send ten cents in stamps. Address: World's Dispensary Medical Association, 603 N. 3rd St., BUFFALO, N. Y.
