MOORE & McLEOD Limited

Girl Guide News

Such an enthusiastic mail I received this morning that I can hardly wait to share it with you all. The 8th Basilia Guide Company held a Cake Sale last Saturday and broke a record with a total of \$63.00, wasn't that a splendid figure to achieve and what a wonderful help to those hard to get camp fees. Congratulations Terry Doucette, the Leader, who I am sure must have worked hard to obtain such support. The Guides also did their utmost to ensure success. Mrs. Albert Wilson and Mrs. Joseph Cullen, both members of the Local Association, gave wonderful help and support and did much towards the organizing. Many cash donations were also received and Miss Doucette and the Guides thank the above ladies and the members of the Parish who contributed so freely.

Raisin Day

Results are still coming in although we are still awaiting Summerside and Kennington. Provincial Lone Commissioner, Miss Carrie Holman, forwarded \$10. from the Lones of Prince County, a truly splendid effort, from individual guides. Borden also sent \$10, and Marshfield \$11, which was very good indeed from such a small community. Charlottetown figure has risen to over \$700. with the inclusion of donations from Merchants and offices. This is wonderful when one considers the many calls on behalf of charity recently made.

News from Provincial Lone Commissioner.

Miss Carrie Holman surely gets around to our Lone Guides spreading the aims and work of Guiding as she goes, and we do like to hear what our Lone's are doing. Miss Holman and a party of six went for a hike and fire-lighting tour and reports a grand time. Beans and toast were cooked, stalking games and tracking carried out and test work completed. The real highlight of the afternoon was provided by "Timmy", the dog. The outdoor meeting closed with Evensong and Taps and during the singing, Timmy refused to be left out and crawled through to the centre of the ring quite without prompting, sat on her hind legs in a begging position and joined in the singing. Indeed her voice really competed with those of the Guides until the song was through. I guess she wants to be a Guide too, how about a special enrollment ceremony, Miss Holman, I am sure that she qualifies for the Tenderfoot by now?

and moulding for two kitchen tables, dishes for the staff and patients at a cost of \$464.70. Also purchased were three dozen towels and towelling for the operating room, draw sheets, pillow cases and pillow cotton, two dozen bed spreads, oil cloth for hall in basement, three kitchen stools, Christmas turkeys at a cost of \$234.07.

Mrs. D. McEachern, sewing convenor, reported very little sewing had been done. Some fifteen baby gowns and sixteen draw sheets in all. No report from membership convenor. Ways and Means report was included in treasurer's report. The secretary reported eleven monthly meetings and one special meeting had been held. A paid membership of thirty-three.

To raise funds, there was a Canteen at the warehouse dances, canteen at the Exhibition lobster dinner, lotteries, Bingos, sale of candy. Many cash donations were received from Societies, Institutes and friends. A donation of twelve dozen tea spoons was received from Mrs. F. R. Hertz, Charlottetown.

The matron reported splendid donations of vegetables, jams, pickles, canned goods, also baby garments had been received. Articles for the lotteries were donated; a doll by Mrs. Adele Lord; Chocolates by Mrs. Josephine Morrison and Mrs. John D. MacDonald, Souris.

Correspondence for the year included three letters of thanks, one of sympathy, eight monthly reports of meetings to press. Two notices of Annual Meeting; all reports were adopted as read. Mrs. Melvin McQuaid, Chairman of nominating committee, then was asked to take the chair for the election of officers, resulting in the following: President — Mrs. Arthur Paquet. First Vice-President — Mrs. Robert McKensie. Second Vice-President — Mrs. Andrew Meurant. Treasurer — Mrs. Melvin McQuaid. Secretary — Mrs. (Dr.) E. Kasner. The officers were then introduced and responded graciously. Mrs. J. P. McPhee moved a vote of thanks be extended the retiring president and executive.

The new president then took the chair and a discussion followed regarding Regatta and tea party. All members present agreed to do what ever possible to make the day a success. No further business the meeting adjourned to enjoy a very delicious lunch and social hour.

"The bigger
the better"

doesn't always make sense!

Why throw
money away?...

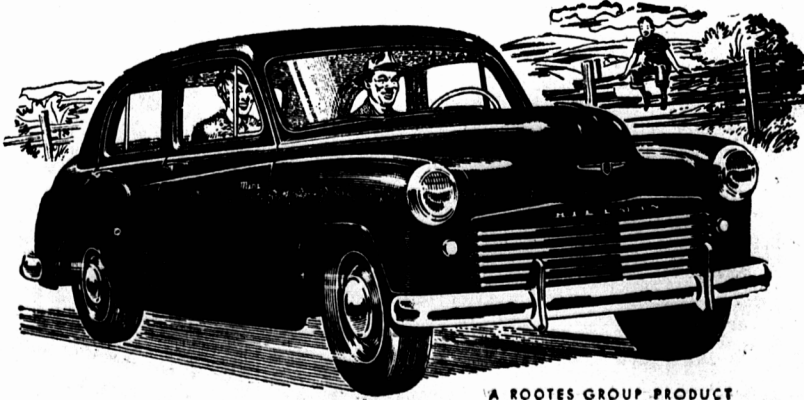

YOU'LL find everything you really need for safe, comfortable driving in a Hillman. Why pour extra gasoline into extra cylinders just to carry around unnecessary weight—and space you seldom use?

Consider Value—the Hillman has a host of big car features. It has the looks and riding qualities. It handles and steers beautifully. It's easier to park. And it has the strength

and safety of heavy-gauge, all-steel unit construction.

New "Plus-Power" Engine—provides smooth get-aways, climbs hills smartly and gives up to 35 miles to the gallon. You save on oil and tires, too.

Why pay for extras you don't need? See the new Hillman today! Drive it! Compare it! You'll be glad you did!

Get your money's worth... drive a

HILLMAN Minx

not too BIG... not too SMALL... just RIGHT

Annual Meeting Souris Hospital Aid

The annual meeting of the Hospital Auxiliary was held in the United Church Hall, Tuesday, May 20, with a large attendance of members and visitors. The president, Mrs. H. G. Mathew, opened the meeting with a word of welcome to all present. In her address, she thanked the executive for their kindness towards her, also for their co-operation during her term of office, and the members for their attendance at the meetings. The minutes of the fifth annual meeting, also the May monthly meeting were read by the secretary, Mrs. Arthur Paquet. The treasurer, Mrs. Wm. Poole, then read her report, showing total receipts for the year of \$393.18. Expenditures of \$1,266.06, leaving a balance in the bank of \$410.18. Mrs. R. C. McLean, Convenor of buying committee, reported having purchased incubator for Nursery, three basinettes and mattresses, clothes hamper, blankets, vests, flannellette, crib sheets, purchased at cost of \$369.38. Kitchen and dining-room floors covered with rubber tile, abortive

TETANUS PREVENTABLE

Tetanus, commonly known as lockjaw, is preventable, science having produced a tetanus toxoid which is just as effective as diphtheria toxoid.
