

TWO HOMES FOR BROOKS

Los Angeles' Wrigley Field—22,500 capacity.

Los Angeles' Coliseum—101,528 capacity.

Until their proposed new 50,000 seat ball park in Chavez Ravine is completed sometime in 1959, the Los Angeles Dodgers and Los Angeles Angels will play their National League home games in two parks—week-end games in small Wrigley Field and night, holiday and week-end games in commodious Los Angeles Coliseum.

QSS And QCHS Fight To Tie

The opening game of a best-of-five series for the City Interscholastic Rugby title produced a scoreless tie as Queen Square and Queen Charlotte High hammered away for sixty minutes Saturday afternoon without chalking up a single point.

The game was played under ideal weather conditions and drew a good-sized turnout of fans including students at both schools and a sprinkling of odd-time rugby enthusiasts. Dr. Frank Jelks was the referee.

**Q.C.H. PRESSED**

The black and gold boys from Queen Charlotte moved to the attack right from the opening whistle and hemmed the defending champions inside their own first 15 minutes of the half, but they were unable to muster a scoring play.

Queen Square came to life late in the first half and were pressing the Queen Charlotte 25 when the half ended. At this stage of the game, the heavier Queen Square scrum had an advantage in the heel-outs.

**SECOND HALF**

Queen Square dominated the play in the second half and moved to the Queen Charlotte 5-yard line on three different occasions, only to be repulsed by a scrappy line of defenders.

Backfielders Ronnie MacDougall and Leonard Stull carried the bulk of the Q.S.S. attack in the second half, and Stull reeled off several long gains when the ball came his way. The sharp tackling of Ray Malone was also a feature of the last 30 minutes of the hard-fought game.

Flying-Quarter Billy MacMillan and inside-half Donnie MacAusland did most of the running for Queen Charlotte, and Dave Rogers played a good game at scrum half. Frankie Dow was one of their more aggressive forwards.

Following are the lineups:

**QUEEN SQUARE:**—Brian Moran, Frank Callaghan, R. MacKinnon, Eugene Hayes, Colin MacMillan, Mickey Peters, Beaver Arsenault, Freddie Burke, Paul (Captain), Ray Malone, Emmett Beagan, Leonard Stull, Steve Copnelly Allan MacDonald.

**QUEEN CHARLOTTE:**—Cox David Ives, Scantlebury, Dow, Lea, Matheson, Frizzell, John Curtis David Rogers, Billy MacMillan (Captain), Kelly, Don MacAusland, Bonness, Freddie Curtis, Sterling MacFadyen.

New York And Detroit Win

**NEW YORK (AP)**—Dean Prentice and Camille Henry with two goals apiece powered the New York Rangers to a 6-1 victory over Chicago Black Hawks in a rough National Hockey League game featured by three fights Sunday night at Madison Square Garden.

The Rangers scored twice in the opening period with Prentice and Henry clicking on power plays. New York added four more in the second period, with Eric Nesterenko caging the lone Chicago goal midway in the stanza.

Nesterenko also figured in two of the fights, receiving five-minute misconduct penalties after scuffling with the Rangers' Andy Bathgate in the second period and Lou Fontinato in the third. For incurring two major penalties in a game, Nesterenko was given an automatic misconduct penalty and was ejected from the game.

The other brawl involved New York's Jack Evans and Ivan Cushman of Chicago in the opening period. Both players were handed major penalties.

Bathgate tipped in the Rangers third goal early in the second period before Nesterenko averted the shutout for Chicago. Henry's second goal, coming with the Hawks short-handed, put the Rangers ahead 4-1.

Prentice notched his second tally late in the period on a screen shot and Larry Popen collected the final marker on a breakaway with 45 seconds left in the period. Popen's goal came when the New Yorkers were short-handed.

The win boosted Detroit from a last-place tie with Leafs to fourth place.

Red Kelly, Billy Dea and Norm Ullman each cashed his first goal of the season as the Wings led throughout. Barry Culen tallied for Leafs.

Kelly counted on a power play after seven minutes of play. Terry Sawchuk nures this slender lead for almost 40 minutes in his finest performance since returning to the Detroit team. He played despite a four-stitch lip cut suffered when he was hit by Tod Sloan's rising shot in the first period.

Dea gave Detroit a brief 2-0 lead, Culen offsetting it at 5:06 of the final session.

Ullman scored an insurance tally in the final three minutes; this season over Leafs who have it was Detroit's second victory won only one of five games.

Wings had a 34-29 shooting edge in the assisted contest.

Gordie Howe assisted on two of the goals. In addition to taking double turns for a while, Howe also played defence in the third period after Kelly was forced out with a knee injury.

**ALS TOOK EARLY LEAD**

The Als, underdogs against the Ticats, gave the odds - makers some anxious moments as they pulled up a 15-0 lead midway through the second quarter. Tiger-Cats striking mostly to ground attack, chewed away at the Als and won the thriller with their final-quarter rally.

Joel Wells and Hal Patterson provided the one-two punch in the Alouettes' drives. Patterson got the first late in the first quarter.

After Avatus Stone kicked a single to make it 8-0, Wells outran the Hamilton defenders for an 80-yard touchdown play. Bill Bewley made good on the extra and that was it for the Als.

With less than six minutes remaining in the first half, Gilchrist broke through centre, piked up steam and galloped for a 57-yard touchdown. After a scoreless third quarter, Gilchrist climaxing an 81-yard push with his second touchdown of the afternoon with about eight minutes remaining.

**CANADIAN LEADS UPSET**

In Toronto Gerry Dousette, a Canadian quarterback who hasn't had too many opportunities to shine in his four years with Toronto Argonauts, came through with a flawless performance to lead the last-place club to an upset 31-23 letory over Ottawa.

The Argos, going all the way with the 23-year-old Dousette directing their attack and using only seven imports, pounced on overconfident Ottawa to come from behind to score their surprising win and prevent the Riders from taking over undisputed possession of second place.

Argos, with three imports not dressed because of injuries, played only seven Americans when coach Hamp Pool left quarterback Freddy Wyant on the bench and tackle Sam DeLuca was forced out by flu after the first few plays.

Bobby Judd scored two of Ottawa's three touchdowns and homebrew Bobby Simpson went 44 yards for the other touchdown

Crown New Aga Khan

**DAR-ES-SALAAM, Tanganyika (Reuters)**—An estimated 25,000 small Moslem subjects looked on and cheered Saturday as their new leader, 20-year-old Prince Karim, was crowned Aga Khan IV.

The youthful, smiling religious leader was crowned with a golden turban on a dais decked with 4,000 red and green flowers. He sat in the same throne on Khan III, was weighed against his weight in diamonds during his diamond jubilee here 11 years ago.

The new Aga then accepted a curved sword of justice, a signet ring used by his ancestors and a chain to mark the lineal descent of the Ismaili sect's leaders. With the crowning, he became the sect's 49th imam.

Among those who attended the ceremonies in this British territory was British Colonial Secretary Alan Lennox-Boyd.

The new Aga, a Harvard University student, pledged to serve the Ismaili community and uphold its faith.

He promised also to devote his life to guiding his people, who number in the millions, in all the 70 or so states where the rapid changes of the atomic age will bring in their wake.

Manslaughter Verdict In Nfld. Death

**ST. JOHN'S, Nfld. (CP)**—A Supreme Court jury Saturday found George Tucker guilty of a reduced charge of manslaughter in connection with the July 26 shooting death of his neighbor, William Carter.

The jury returned a verdict after nearly 2 1/2 hours deliberation and recommended leniency. Sentence will be passed Tuesday.

Tucker, 47, was charged with murder after he summoned RCMP to the scene of the shooting at nearby Portugal Cove Road. Tucker said Friday the fatal shot was fired accidentally when the victim tried to wrest a shotgun from his hands as Tucker leaned in Carter's bedroom window and pointed the gun after seeing "Carter and my wife in bed."

He testified earlier that he and his wife had been drinking with Carter. A fight ensued when Tucker asked Carter not to bring a bottle of liquor into the house because "it had no label on it."

His 10-year-old son, Christopher, said Carter pinned his father against the washing machine to prevent him from phoning the police. Later Tucker had a drink of rum, he said, and went to sleep. When he awoke at dawn, Tucker said his young baby, Christopher and his wife were gone. He followed their footprints to Carter's home where he banged on the front and back doors with fist and hatcher without receiving a reply. Then he said he broke the bedroom window, peered in, and rased home for his gun.

Tucker was the only witness called by defence lawyer James Higgins.

Ti-Cats Edge Alouettes Riders Ups et Argos

By THE CANADIAN PRESS

Chester (Cookie) Gilchrist, a hard-driving fullback with Hamilton Tiger-Cats who has been a problem to coach Jim Trimble the last year, went a long way Saturday to regain some lost prestige.

The 21-year-old Negro, who got into hot water with Trimble two weeks ago when he reported late for a Big Four football game, crashed for two touchdowns as the mauling Ticats won an 18-11 verdict over Montreal Alouettes with an 11-point last quarter. It just about clinched first place, and a bye into the playoff final, for the Tiger-Cats.

The triumph was No. 8 in 11 games and stretched the black and yellow team's lead to four points over the Alouettes and Ottawa Rough Riders, deadlocked in the second place. One more victory in their remaining three league games will put Ticats beyond reach of the Als and Riders.

The Riders, probably over-confident for their clash with the last-place Argonauts at Toronto, dropped a 31-23 decision before a crowd of less than 14,000—the smallest in the Big Four this year.

In the Senior Ontario Rugby Football Union Kitchener-Waterloo Dutchmen moved into second place behind the leading London Lords with a 28-8 victory over Sarnia Golden Bears in the only game.

And in the Senior Intercollegiate Football Union University of Western Ontario took command of the league with a 15-0 victory over University of Toronto while second place McGill Redmen crushed defending champion Queen's 35-6 at Montreal.

on a pass from quarterback Tom Dimittroff to highlight a 70-yard series of plays. Gary Schneider, another Canadian, converted two of the touchdowns and on the first play of the second quarter kicked a 33-yard field goal after Argos had gone ahead 7-0.

Ottawa had the edge in the main statistics. The Riders rolled up 32 first downs on 374 yards rushing and 250 yards passing on 12 completions in 25 attempts. The Argos got 25 first downs on 269 yards rushing and 118 in the air on nine of 14 completions. Toronto intercepted three passes and Ottawa one.

Edmonton Eskimos shooting for their fourth straight Grey Cup, wrapped up a number of league records in the Western Interprovincial Football Union Saturday night by defeating British Columbia Lions 29-12, at Vancouver.

Lions' loss left them with a scant chance of overtaking Calgary Stampeders for the third and last WIFU playoff spot, despite the Stampeders 31-7 loss to Winnipeg Blue Bombers.

The Eskimos' victory was their 12th in 14 this season. They ran their point total to 453 to surpass the 394 season total compiled by Winnipeg in 1952.

Smothering the Lions under a powerful ground attack, the Eskimos ran up a total of 349 yards gained rushing and passing. This was enough to send their season total to a record 6,138 to beat the 6,020 yardage compiled by Saskatchewan Roughriders in 1956.

They counted 26 first downs, pushing their season's total to 355, which beats the 338 mark set by Winnipeg last year.

Individually, the Eskimos surrounded themselves with more glory and records.

**BRIGHT SETS RECORD**

Fullback Johnny Bright scored one of Edmonton's four touchdowns and in doing so set a league record for individual rushing yardage.

The Eskimos gave the former Drake University flank 18 chances to carry the ball. He hauled it 87 yards to run his season's total to 1,491 yards to overtake teammate Normie Kwong's mark of 1,440 yards set last year.

Bright, the league's second highest point-getter, didn't gain points on teammate Jackie Parker who also scored a touchdown.

Bill Briggs and Kwong counted Edmonton's other touchdowns. Bill Roberts and Vic Chapman scored touchdowns for the Lions. Joe Mobra added three converts for Edmonton and a single

James scored one touchdown and kicked a field goal while Lewis, Shepard and Ernie Pitts contributed a touchdown apiece. Kenny Ploen kicked three converts and threw a convert pass to Pitts following a fumble.

A 37-yard pass from Knobby Wirsewald to Dean Renfro in the end zone brought Stampeders' lone score. Bud Korchak converted.

Along the ground Bombers rolled for 333 yards compared with Calgary's 73. But through the air Stamps went 234 yards to Winnipeg's 128. Calgary tried 30 passes, completed 17 and intercepted three of Ploen's 11 pass attempts of which five were completed.

Bombers held a margin in first downs, 22 to 20 and in kicking where Jerry Vincent averaged 44.7 yards a punt and Ted Duncan only 37 yards.

on a kickoff. Bill Walker kicked a fourth-quarter single.

In Calgary, Winnipeg Blue Bombers, with a ground offensive spearheaded by Charlie Sheppard and Leo Lewis swamped Calgary.

Sheppard and Lewis, with the help of Gerry James, galloped for sizeable gains in a potent running attack that gave Winnipeg a 14-0 first-quarter lead and a 21-7 bulge at half time.
