

Astonishing Success.

It is the duty of every person who has used Bosche's German Syrup to let his wonderful qualities be known to his friends in curing Consumption, severe Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Samples bottles to try, sold at 10 cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

WASHING MADE EASY.—I have on exhibition in my shop window the washing machine that does away with the old and laborious way of washing clothes; you can sit in your easy chair and rest while your washing is going on. It has been tried and proved genuine. Please call and examine this great Washer and Bleacher. Purchase one and thereby save labor and expense. They are sold for \$2.00 each. G. G. W. A. GOODENOUGH, 158 East St., New York City, states that in October, 1884, he suffered so with pneumonia that his physicians advised him to leave this severe climate, which he did. In the following year, 1885, he was taken with another attack and feared he would have to go away again and give up business, but by advice he tried Adams' Cough Balm, which was entirely cured him. It is with his permission that we publish this. Trial bottles 10 cents. dy wy 1w
