HOLLOWAY'S OINTMENT.
 ERYSIPELAS OF EIGHT YEARS DURATION CURED.
 Copy of a letter from George Sinclair, Esq., of Paris, Canada, dated the 18th July, 1854.

To Professor Holloway—
 Sir,—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived by the use of your inestimable Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which affected me both night and day, rendering life a misery to me, as well as to all around—so severe was the attack. I used several reputed remedies without deriving the least cessation to my misery. At last I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I feel considerably better; in three months, by continuing with your medicines, I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy.
 I am, Sir, yours respectfully,
 (Signed) GEO. SINCLAIR.

ULCERS IN THE LEG.—REMARKABLE CURE!
 Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.
 To Professor Holloway,
 Sir,—My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg; in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the medical faculty, a variety of remedies were also used unsuccessfully; and it seemed to me that there was not any thing capable of mitigating the agonies she endured. At length, she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.
 I remain, Sir, your most obedient servant,
 (Signed) EDWARD TOMKINSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR!!
 Copy of a Letter from Mr. Henry Malden, of Three Rivers, Canada West, dated July 9th, 1854.
 To Professor Holloway,
 Sir,—My wife suffered most severely after the birth of our last child with a bad breast. There were several holes in it, one as large as a hand; all the devices and stratagems I tried would not heal them, but assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies for two more weeks, she was entirely cured, and we offer you our united thanks for the cure effected.
 I am, Sir, yours truly,
 (Signed) HENRY MALDEN.

Dr. A. JOHNSON'S AMERICAN ANODYNE LINIMENT.
 FOR the cure of Coughs, Colds, Influenza, Bronchitis, Asthma, Pain in the Sides or Breast, Rheumatism, Cramp in the Stomach, Spitting of Blood and all Lung Complaints.—Manufactured by I. S. JOHNSON, Bangor, Maine.
 Dr. Johnson's AMERICAN ANODYNE LINIMENT, an entirely vegetable preparation, prepared and intended for Internal and External application.
 The inventor of this article was in the constant practice of medicine for 20 years, and by a long course of experiments upon the various diseases for which this Liniment is recommended, he became perfectly satisfied of its efficacy, and its long use with full confidence to the afflicted, as the result of his long experience, and best efforts.
 This has long been a standard medicine, and enjoys the singular privilege of being known and patronized by a large portion of the medical faculty, wherever it has been introduced.
 With the firm conviction that it is the best remedy of the present age for all diseases for which it is recommended, the proprietor offers his Liniment to the Public; not doubting that it will sustain the high reputation it has already acquired. We do not affirm that this article is a cure for the ten thousand ills humanity is heir to, but let those who are afflicted with the following diseases, try it, and we can assure them they will find relief.
 Inflammation of the Bronchia or Bronchitis, Rose Cold, Catarrh, Hard dry cough, whooping Cough, Hoarseness and common cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise, Asthma and Influenza, for Sore Throat and weak Lungs, for Chronic Diarrhea caused by Rheumatism in the bowels, for Cramp in the Stomach, for Strangury, Gravel and Stone, Blind Piles, &c.
 Externally it will have the most happy effects, in all cases where any other Liniment would be used, especially for Rheumatic Affections, Chilblains, Chapped Hands and sore Lips; it is a sovereign remedy for the bites of flies, and other insects. There is nothing of equal efficacy to this for Horses and Oxen, where they are coked, cut, bruised, strained or clafed by the harness, and it possesses more than double the power of any other Liniment.
 Inflammation of the Bronchia or Bronchitis, for the cure of this disease it has been wonderfully successful. Those who had cases of long continuance have found permanent relief. S. D. Ward, Esq. (No. 10 Court Street Boston) who had a case of three years standing, has kindly permitted us to refer to him in proof of the efficacy of this valuable medicine; also in the case of a Rose Cold. This cold comes on when the flowers bloom in the Spring, and continues till the leaves fall in Autumn—if this disease is not attended to in season it ends in consumption. Take of the Liniment according to directions and a cure will result.
 Catarrh, and noise of confusion in the head may be cured by a faithful trial of this Liniment, drop one or two drops in each ear at night before going to bed, and take it internally according to directions.
 In all coughs, the Anodyne Liniment is a well known remedy, particularly for whooping cough. The first symptoms should be checked, and not the least difficulty will occur in the cure of this complaint. For children half a teaspoon full of Liniment night and morning.
 This Anodyne Liniment for sore throat and weak lungs, the complaint so common in malcontentrie, especially in this climate stands unrivalled; and in every case, a complete trial will be marked by the most complete success.
 The Blind Piles. The Anodyne Liniment has in a great number of instances of this distressing disease, made permanent cures. In connection with taking the Liniment internal external application should be made.
 The sale of this invaluable medicine is rapidly increasing, and the Proprietor can say with confidence that he has been the favored instrument of giving relief to thousands of afflicted and suffering. The following certificates are genuine, and he earnestly solicits all who may be afflicted, to give the Anodyne Liniment a fair trial, satisfied that if taken with full determination to test its ability they will find relief.

They give a general appetite, cure Jaundice and all Bilious affections,—operate on the Liver and Kidneys, and assisting nature in her efforts to purify the blood, and keep the human system in order.

 A. JOHNSON.
