

Barbara Brent's BUYS AND WHYS

MONTREAL, July 31st—I'm buying my coal at "My Bank"! And not only do you save money by buying coal now, you also save yourself the unpleasantness of the last-minute rush. You stock your coal bone dry. And, by arranging for a Coal Loan at the BANK OF MONTREAL, you can have all your coal conveniently delivered in one fell swoop. Without having to pay for it all at once! So I'm buying my coal right now—at the B of M. And I loan repayment over as many as eight easy instalments. Yes, the B of M makes it wonderfully easy and convenient for you to buy your winter coal at summer prices! Why not see about this bit of good business tomorrow?

You Know how you feel after a rushed, look-at-the-clock, one-bite-of-toast breakfast. The whole day seems to get off to a bad start. That's why I urge you to give yourself just five minutes more for breakfast in the morning... and make it good! Easily done with delicious "CREAM OF WHEAT" that takes just five minutes to cook to smoo-oth, flavourful digestibility. And 5 Minute "Cream of Wheat" is not only good to taste—it's good for you, too. It gives you iron for good red blood—and Calcium and Phosphorus for diets deficient in these elements. So make "Cream of Wheat" a breakfast habit. It's the happy way to start the day.

It's Salad Time—in fact, it's almost "Salad Week"—a good time to buy Heinz Vinegars in the brand new bottles. Everything's the same except the shape. Yes, HEINZ VINEGARS in the new bottles (designed for cupboard convenience) are the same good vinegars and the quantity is unchanged. But the new bottles (several sizes to choose from) are shorter and stouter—easier to handle—easier to pour—and, because they're not so tall, they fit in shallower shelves. And, of course the quality is Heinz. Whether it's White, Cider or Malt—vinegar is always best when it carries the famous Heinz label. Ask for Heinz mayonnaise and 57 Salad Dressing, too.

It Goes To The Cottage With Me. For wherever I can have a cup of friendly INSTANT CHASE & SANBORN in a jiffy. And it's so good. That's because it's made by real coffee people. It's the happy result of almost a century of coffee experience. The flavour's there—and the body—and the real lift. Another thing I like—and I know you'll like about it... Instant Chase & Sanborn Coffee is truly economical. It saves you up to 40¢ a pound compared with ground coffee. So take my tip and make a "friend" of friendly Instant Chase & Sanborn Coffee.

Small Chance Of Korean Truce

SEOUL, Korea, July 30 (AP)—Gen. James A. Van Fleet said today there is less chance for an armistice in Korea than ever before.

The United States Eighth Army commander told a press conference the prospect for an armistice is in direct proportion to the amount of military pressure put on the Communists and that the Communists believe the United Nations forces will not attack to force a truce.

He said the Reds "still have the capability of striking at any point with considerable surprise." But he added they have been "thinning out their front-line strength quite

The contract was let last week to MacLean and Matheson Construction Company to complete a third mile on the Valleyfield Road. Two miles have already been completed, extending from the crossroads near Montague to the road leading to Kilmuir.

This new road is a tremendous improvement over the former narrow roadway which served the district up to the present time. The present highway is 66 feet wide with a 30 foot top, deep ditches on either side, and well gravelled throughout its entire length.

At Sutherland's Bridge, the road has been straightened out to make a much improved approach to the bridge, and on either side the hills have been cut down to small grades by large fill-ins at the lower extremity of the hills.

The one-mile extension, begun this week will carry the improved roadway to the farm of Donald MacPherson, which will leave unfinished two miles to the Valleyfield Church, where the improved roadway begins again at the county line and continues into South-ern Queens to Grandview and Uigg.

Although not scheduled to be completed this year, it is possible that within a year or two the last two miles of this stretch will be completed to give an excellent roadway hook-up system throughout the whole of Southern Kings and Queens.

He was a house guest of the pastor of the two churches, Rev. P. McKenna for his show, and preached the sermon at the Church of St. Laurence on Sunday morning. One of the first to greet this distinguished son was Mr. Michael McCarthy who resides across the highway from the church and who recalled the days of long ago when the Archbishop was an altar boy. Another was Mr. John T. O'Brien, who was a class mate in the little old school at St. Peter's Harbor long ago. Many of the younger class, who had never seen an archbishop before, stared in wonderment at the elderly red robed man as he said, "My boyhood days were spent here, and in this little old church I attended as a boy." His old home still stands as stately as ever and is known far and wide as Stookley farm. Two sisters of
