**UNABLE TO WALK.**

**A Distressing Malady Cured By the Use of Dr William's Pink Pills**

From the Hartland, N. B., Advertiser.

Right in our own village is reported another of the remarkable cures that make Dr. Williams' Pink Pills so popular throughout the land. The case is that of Mrs. E. W. Millar. The Advertiser interviewed her husband, who was glad to relate the circumstances for publication, that others might read and have a remedy put into their hands, as it were. "For five years," said Mr. Millar, my wife was unable to walk without aid. One physician diagnosed her case as coming from a spinal affection. Other doctors called the malady nervous prostration. What ever the trouble was, she was weak and nervous. Her limbs had no strength and could not support her body. There also was a terrible weakness in her back. Three months ago she could not walk, but as a last resort, after trying many medicines, she began to use Dr. Williams' Pink Pills. Improvement was noted in a few days, and a few weeks has done wonders in restoring her health. Today she can walk without assistance. You can imagine her delight as well as my own. We owe her recovery to Dr. Williams' Pink Pills, and I recommend them for any case of nervous weakness or general debility."

Mr. Millar is part owner and manager of one of our lumber mills and is well known throughout the country.

Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purchase is enclosed in a wrapper bearing the full trade mark, Dr. Williams' Pink Pills for Pale People.

A foul breath is one of the greatest afflictions that a man or woman can have. An affliction not only to themselves, but to those with whom they come in contact. A foul breath is a great discourager of affection. It would probably be more so if people only realized just what bad breath means. Bad breath is one of the symptoms of constipation. Some of the other symptoms are sour stomach, loss of appetite, sick and bilious headache, dizziness, heartburn and distress after eating. These things mean indigestion. They all start with constipation, and constipation is inexcusable because it can be cured—easily, quickly and permanently, by the use of Dr. Pierce's Pleasant Pellets. They give to nature just the little help that she needs. There is no case of biliousness, constipation, indigestion, "heartburn," or any of the rest of the night-mare breeding brood, that these little "Pellets" will not cure.

Send 31 cents in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and receive Dr. Pierce's 1008 page COMMON SENSE MEDICAL ADVISER, illustrated.
