How He Won Her.

(*Manchester Union, New Hampshire.*)

Someone has remarked that absence makes the heart grow fonder of somebody else, and certain it is that propinquity has much to do with the force of one's emotions. So Peter Cummisky of Farmington found it, as related by the *News* of that place, which publishes the marriage of that gentleman to Miss Martha Ellen McCarthy of Prince Edward Island, and appends a brief sketch of the circumstances which led up to the happy event. It appears that no longer ago than the 21st ult. Mr. Cummisky, who was employed at Farmington, received a telegram informing him that his intended, whom he had left behind in his native isle was to be married in a few days to a young man who had remained at home to woo, instead of seeking his fortune abroad. This was sudden news—telegrams usually are if properly directed, but Mr. Cummiskey did not tear his hair, blow his brains out or go on a spree. He simply obtained leave of absence from his employer, telegraphed a friend in Prince Edward Island that he was coming, and quietly took a train for the provinces. In the meantime the friend met Miss McCarthy, and advised her to think matters over a little before she married the stay-at-home lover. She accordingly delayed a bit, and while she delayed Mr. Cummiskey arrived. There was a meeting, the other fellow was not at hand, propinquity, already referred to, did the business, and a few hours later the happy couple were on their way to Farmington. They were married at Rochester, Sept. 1, by Rev. Father Bradley. Thus runs the simple tale, the moral of which seems to be that, if a fellow likes a girl and means to get her, he should contrive to pass a portion of his time in her immediate vicinity.

Are Your Hens Healthy?

Owing to extreme heat, moisture and other causes, there has been much dullness and disease among poultry the past summer, and especially among chickens and young pullets expected to lay this fall and winter. For this reason it would be a great mistake to kill off all the old hens when the moulting season is at hand and the hens have stopped laying, get fat, and seem to be eating their heads off; because it is a fact that a year old hen, if properly cared for helped in the moulting season to get her new coat quickly so she can be got to laying early, will lay more and better eggs than young pullets, particularly if the pullets are weakened by diarrhœa, cholera, gapes, etc. Many people have learned by experience that Sheridan's Condition Powder given once, daily, in the food, will supply the needed material to strengthen and invigorate sick chickens or moulting hens and get them to laying earlier than anything else on earth. Mrs. Edwin Brown, East Grsenwich, R. I., says: "I could not do without Sheridan's Condition Powder when hens are moulting. It is the only thing to keep them healthy. I use it for gapes and diarrhœa, for when chickens are small they often droop and die. To a pint of clabbered milk I add a teaspoonful of the powder, mix well, and let the chicks eat all they will once a day; it does seem to be just what they need, they soon become so vigorous. People laughed at me when I began to use Sheridan's Powder, and I had no idea I should win a premium. They laugh best who laugh last, however. I got more eggs than any of my neighbors, and some of them had over 100 hens. We hatched 66 chickens from 77 eggs, obtained while forcing our hens to lay with your powder; so you can see there was no trouble about eggs hatching." I. S. Johnson & Co., 22 Custom House Street, Boston, Mass. (the only makers of Sheridan's Condition Powders), will send, post paid, two 25 cent packs of Powder and their Poultry Raising Guide for 60 cents. The book alone costs 25 cents. For $1.00 five packs of Powder and book; for $1.20 a large 2½ pound can (regular price) and book; six cans $5.00, express prepaid. Send stamps or cash. Interesting testimonials sent free; also, for 5 cents, a sample copy of the best poultry paper published. d6i w1i

Treatment of Pneumonia by Application of Ice.

Dr. Fieandt, writing in *Duodecim*, a Finnish medical journal, states that he has now treated no less than 106 cases cases of pneumonia with ice, and with the best results. Though ten of the cases were of double pneumonia, only three out of the whole number succumbed, notwithstanding that the epidemic was by no means a slight one. The method adopted was to apply over the affected lung an Indian-rubber bag containing ice continuously for from twelve to twenty-four hours after the crisis. In addition to the local treatment the patients were given such medicines as are equally employed, that is to say, opium, ipecacuanha, digitalis, brandy, etc. The method hrs, we may remark, received of late some attention in this country.—*London Lancet.*

CARVELL BROTHERS, Charlottetown, Wholesale Agents for Prince Edward Island

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhœa, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) **$1.00, or six bottles for $5.00.**
