

PERON'S FORCES BATTLING REBELS

Great Improvement Noted In Rural Youth Fair Work.

That the rural youth of this province will play an important part in the future of Prince Edward Island was evidenced yesterday at the Provincial Exhibition grounds when boys and girls from Prince, Queens and Kings displayed their calves, poultry, garden vegetables and sewing.

When the more serious matter of showing and judging of the entries was over the club members without exception, from the youngest to the oldest engaged in a program of sports which was participated in with a spirit of keen but friendly rivalry.

NOTES IMPROVEMENT

Mr. J. D. Moore, secretary of the Canadian Council of 4-H Clubs said that there was a definite improvement in the exhibits and showmanship from the last time he visited the Island five years ago.
