AN ISLANDER ABROAD—The Mr. Evans referred to in the following paragraph from the British Columbia Weekly is a Charlottetown boy who was for many years in the employ of J. D. McLeod & Co.: The other day Mr. J. E. Evans, provincial manager of the Union Mutual Life Insurance Co., of Portland, Me., invited a representative of this paper to step in and see the handsome and convenient general offices the Company now occupies on the ground floor of a new Hastings street block in Vancouver. Mr. Evans' new quarters are commodious, and are in a very central and prominent location, enabling him to keep even more to the fore than in the past, if that were possible. Business has so increased that the move was absolutely necessary, and it has also been found that the assistance of a cashier was required, so that Mr. Evans has every equipment in officers and staff a metropolitan general agency requires. Mr. Evans is exceedingly popular with the people of British Columbia and with Vancouverites in particular, and the Company is fortunate in having so efficient a representative. He devotes his whole time to the interests of the Company, and his work is telling in increased business. Mr Evans states that in a short time he will have agencies established in Kootenay and throughout the interior.

HOCKEY AND RACES.

Victory for the Victorias Gaudet Wins from Scott.

There was a large attendance at the rink last night to witness the skating races and to see the second Victorias and the second Abegweits cross sticks for the intermediate trophy.

The hockey match was won by the Victorias in a spirited contest, the score standing 5 to 2 in their favor at the close of the game. In the first half the Victorias scored 3 goals, two of which were shot by Farquharson and one by Leigh. The Abegweits goal was shot by Charles McQuillan. Collings and Mabon shot for the Victorias in the second half, and the Abegweits goal was accidentally made by one of the Victorias near the finish of the game.

The second Victorias played the better game, doing some capital passing. The Abegweits put up a fairly good game, but their forwards were not up to the standard of their defence.

The game was refereed by Mr. J. C. Patterson, of Montreal. The line-out was as follows:—

2ND VICTORIAS	2ND ABEGWELTS
W. Davison, (goal)	J. C. Darke,
J. Collings, (point)	J. Praught,
V. Blake, (C point)	E. Davy,
C. Farquharson,	C. McQuillan,
A. Leigh, Forwards	D. H. Robertson,
H. M. Mabon,	J. McQuillan,
W. F. Collings,	Harry Jenkins.

The boys 1-mile race, which was called before the hockey match began, was won by Malcolm Stewart, Louis Large finishing second, J. Gaudet third and J. McLean fourth. Large held the lead for the first three laps, McLean for the next two, and Stewart for the rest of the race. His time was 3.46 1/2. McLean fell on the last lap.

The mile race between Art Gaudet, of Charlottetown, and Fred Scott, of Moncton, was won by Gaudet in 3.28 1/2. It was skated between the halves of the hockey match. They started from opposite sides of the ring. There was no material difference in the relative positions of the skaters until near the close of the second lap, when Scott fell at the southern turn and his opponent obtained a lead which he held for the rest of the race. Both skaters were apparently in excellent condition, and had not Scott fallen the race would in all likelihood have been close and exciting.

The two mile handicap was called after the close of the hockey match. Scott and Gaudet started from scratch, and Malcolm Stewart, J. McLean and Louis Large had a handicap of two laps each. Scott and Gaudet skated well together until near the end of the race, when Scott shot ahead and finished several yards in advance of the island champion. The race was won by Stewart, with McLean second, Scott third, Gaudet fourth and Large fifth. The time was 7.59.

The judges in the racing events were Dr. H. D. Johnson and Mr. J. M. Campbell.

The next hockey match for the intermediate trophy will be played between the 2nd Victorias and the St. Dunstan's.
