Biggest
man on
Main
Street!

He doesn't even live in town!

Yet the prosperity of Main Street in most cities and towns, depend on him, the farmer.

When he is making money, business is good. When he's having a hard time, Main Street suffers too.

Whatever affects the farmers' net income, is the concern of every merchant and professional man in the community.

The stores listed on this page have no intention of trying to upset the farmers' normal work week nor take away from him his traditional Saturday Holiday and Shopping Time by closing early on Saturdays.

Message To The Buying Public

THIS MESSAGE WAS DEEMED NECESSARY AS THERE HAS BEEN A NUMBER OF RUMOURS THAT ALL CHARLOTTETOWN STORES ARE CLOSING AT NOON ON SATURDAYS FOR THE SUMMER MONTHS.

THE STORES LISTED ON THIS PAGE INTEND TO MAINTAIN THEIR NORMAL STORE HOURS, CLOSING WEDNESDAY AT NOON AND REMAINING OPEN ALL DAY SATURDAY AND SATURDAY NIGHT AS USUAL.

OUR STAFFS WILL RECEIVE EVERY CONSIDERATION AS TO HOURS AS STAFFS IN ANY OTHER STORES. IF SHORTER WORK WEEKS BECOME GENERAL IN CHARLOTTETOWN THE STAGGERING OF HOURS MAY BECOME NECESSARY SO OUR HELP MAY ENJOY THEM.

SATURDAY CLOSING DID NOT WORK IN TRURO OR FREDERICTON WHERE IT WAS TRIED LAST YEAR. IT ONLY SERVED TO CAUSE CONFUSION TO THE PEOPLE THAT NORMALLY SHOPPED IN THESE CENTRES. THE TREND IN LARGER CENTRES IS TOWARDS MORE SERVICE TO THE PUBLIC BY LONGER AND MORE CONVENIENT SHOPPING HOURS.

Many Other Stores Have Signified
Their Intention of Remaining Open
all day Saturdays to Service their
Customers.
