Montague Baptist W.M.S. Meeting

The November meeting of the Montague Baptist Women's Missionary Society was held at the home of Mrs. William MacLean.

The meeting opened with the singing of the hymn "Wonderful Words of Life." The devotional period, led by the president Mrs. G. M. Fletcher, was based on the 23rd Psalm. A poem and prayer brought this period to a close.

A letter was read by the provincial secretary Dr. Zell Clark, one of the church's retired missionaries residing in Ladner, B.C. in winter months but carrying on her correspondence with the societies from there. In her letter which was a "thanksgiving message", she mentioned the good work that has been done by the societies last year, and urged all to aim high for the coming year.

The study book "Discovery", a story of missionary work in Bolivia, S.A., was read by different members. Hymn "Saviour Like A Shepherd Lead Us" and prayer brought the meeting to a close.

Mrs. Fletcher was then presented with a suitable gift and regrets were expressed that this would be the last time they would be meeting together, prior to her departure for Jacksonville, N.B., where Rev. Mr. Fletcher has accepted a call to the Baptist Church. A dainty luncheon was served and a social hour spent.

School of Black Fish Invade Geo'Town Harbour

Residents of Georgetown beheld a strange sight when daylight broke on Monday morning, when a school of some twenty Black Fish were seen in the waters of that part of the harbour commonly referred to as "The Cove". Some fishermen who still have boats pulled out from the docks and sailed about among the large fish. Many of those fish were reported to be at least twenty feet in length and continued during all day to frolic about the harbour. When darkness fell, they had not left for outside waters and fishermen who are familiar with their habits say they may have some difficulty in finding the mouth of the harbour.

Home, School Meeting Held At Montague

A meeting of the Home and School Association was held in the Montague High School last evening and was largely attended. The president, Dr. G. S. A. Inman, presided.

The minutes of the last meeting were read by the secretary, Mrs. Elsie Watterworth, and approved as read. Mrs. Carl Boehner read the report of the ways and means committee. One suggestion was for sponsoring a show at Yeo's Theatre in December, and after much discussion it was decided that a committee be appointed to attend to details of such enterprise. The committee comprises Cpl. Doug George, chairman, Miss Ruby MacLeod, and Mr. Ralph Beck.

Mr. Carl Boehner reported that he had been unable to contact Dr. L. W. Shaw regarding an educational address as he was out of the Province at present.

Plans were discussed for inviting the parents to see a series of educational films but nothing definite was decided at this meeting. As there was no further business it was moved by Mr. Archie Hilehey that the meeting adjourn.
