\$500 REWARD is offered by the manufacturers of Dr. Sago's Catarrh Remedy, for a case of Chronic Catarrh which they cannot cure.

SYMPTOMS OF CATARRH--Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, watery, mucous, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are watery, and there is a constant itching in the ears, deafness, breaking or coughing to clear the throat, expectoration of offensive matter, together with rashes from the nose; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough, and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sago's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents. "Unold Agor, from Catarrh." Prof. W. HAUSSNER, the famous mesmerist, of Uthaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become hoarse, I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sago's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

Three Cures Catarrh. ELI ROBBINS, Ruyon P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sago's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and healthy."
