THE DAILY EXAMINER.

FEBRUARY 27, 1897.

INDIAN FAMINE FUND.

As THE EXAMINER anticipated, the contributions of the people of Prince Edward Island to the fund for the relief of our starving fellow subjects in distant India have been free and generous.

OFFENSIVE PARTIZANSHIP.
A deputation of the Dominion Board of Railway men waited upon the Premier and Minister of Railways to protest against some of the dismissals and appointments recently made on the ground of political partizanship.

What most people would quite as much like to know is, as the Halifax Herald remarks, what business Canada has to have a government whose conduct requires such conflicting statements of defence on the part of its organs.

PERSONAL.
Mr. William Owen, representing the McClary Manufacturing Company, Montreal, is at the Hotel Davies.

PROHIBITION IN NOVA SCOTIA.
Somebody has introduced to the Legislature of Nova Scotia a bill to prohibit the sale of spirituous liquors within the Province.

NOTES AND COMMENTS.

There is a promised Ontario deficit next year of \$300,000. Liberal Government fore!

The Globe remarks that the correspondents are telling us many things about Greece, but none of them have explained the extraordinary activity of the European powers and the apparently perfect agreement that exists among them.

AGAINST THE SALOON.
The Ontario Government to Introduce Bill of Extermination.

According to a late despatch from Ontario considerable excitement exists in prohibition and liquor circles, over the new license bill.
