ISLAND NATIVE RETIRES FROM CNR

The new year brought retirement for Joseph Sivret, a crane helper at Canadian National's rail yard in Moncton. Born at Egmont Bay, P.E.I., Mr Sivret had military service in both world wars. He joined CN in 1926, and spent all his time with the company at Moncton. Here Armand Gauvin makes a presentation on behalf of the union local, and F. S. Allingham, stores supervisor, adds his good wishes.

City Gives Explanation On Garbage Collection

By RALPH CAMERON

City Hall, individual councillors and the local press have during the past few days been the recipients of numerous complaints from city householders regarding the non-collection of garbage.

Due to the absence from the city of the contractors, Jenkins and Clark, no definite information regarding the underlying causes of the complaints is available at this time.

One of the points which should be mentioned is that as yet the agreement between the contractors and the city has not been signed. Several delays were encountered, including the matter of terms regarding the number of collections to be made.

However, regardless of the contract signing, the new operators have gone to Ontario to take possession of the new type trucks called for in the agreement. They are expected to return this week.

Original plans were for the compulsory collection to start on a city - wide basis on completion of the building of the new Teepee incinerator. Though well into construction, the Teepee is not expected to be finished for a couple of weeks.

In the meantime, one of the private garbage collecting firms, Keefe Hygienic, announced it was ending its service Dec. 31. Immediately, efforts were made by civic authorities to continue a service for the people who had been using this firm. The new contractors were approached and they purchased the trucks of the Keefe Hygienic and hired the drivers to continue their routes.

However, one of the principal drivers had a serious illness in the family and was forced to take the family member to hospital in Halifax over the New Year holiday. This meant his truck missed a day on its regular route and led people to believe there was a holdup in the service. At the same time, the regular driver of another service discontinued his connection and a new driver went in his place.

Another matter which caused some confusion in people's minds was the belief the city - wide service was going into immediate effect. This was not true, as the service will not start until the new incinerator is ready for operation. As a result of this belief, many people who previously disposed of their garbage themselves by taking it to the dump were calling to complain that drivers did not stop at their homes. The drivers were simply continuing the previously privately - paid-for service to the regular customers.

Tanker Planning Run Through Ice

The icebreaking tanker "Simard" on charter to Imperial Oil Limited, is due to arrive in Halifax late Tuesday from Newcastle, N.B., to take on a full cargo of heating oils for the bulk storage plant in Charlottetown.

Company officials here said they have been informed that the Simard will depart Imperoyal Wednesday and is due in this port Friday.

No arrangements have yet been made with the department of transport for icebreaker assistance in the Northumberland Strait and Hillsboro Bay.

It is understood that when the local office receives confirmation of her departure from the refinery, a check will then be made of ice conditions, and whatever arrangements are needed will be made immediately prior to her entering the strait icefield.

At latest reports received here last night the icefield stretches almost unbroken from Cape Bear, the southeast tip of Prince Edward Island westward. In many areas it is reported to have rafted to depths of from three to five feet.

Bridge Play Has 9 Tables

Nine tables took part in Monday night's session of the Charlottetown Duplicate Bridge Club at the Charlottetown Hotel.

Mrs. Benjamin Rogers teamed with Mrs. Alex W. Matheson to lead the east-west side, with Mrs. Lawson and Mrs. Sadler in second position. Mrs. J.N. Larabee and Mrs. J.M. Bell topped the north-south bracket, with Vic Robertson and Wallie Coles in second place.

Following are the top five teams on each side, with points:

Islander To Be Honored At Feb. 3 Rotary Meeting

Lieut. - Gov. W. J. MacDonald will make the presentation of the Islander of the Year Award for 1963 at the regular luncheon meeting of the Rotary Club, at the Charlottetown Hotel, on Feb. 3, it was announced yesterday.

As a part of the ceremony, there will be an unveiling of the permanent trophy, with the name added of the person chosen to be honored for 1963 — the fifth name to appear on the plaque. At the same time the newly - named Islander of 1963 will receive a smaller, personal trophy to be retained.

WITHIN FEW DAYS

The choice of the person to be honored is expected to be made within the next few days, but presentation of the award has to await until Feb. 3 to permit completion of the trophies.

Deadline for letters nominating those to be considered for the award is noon of next Wednesday.

Judges this year are Miss Iphigenie Arsenault, Charlottetown, provincial Red Cross Commissioner, representing Queens County; Melvin J. McQuaid, Souris, senior Island member of the Atlantic Development Board, (ADB), for Kings County; and John S. Wright, Summerside, president of the Council (APEC), for Prince County.

Similar distinguished boards of judges, in the period since the creation of the award in 1959, have chosen the following for the honor: Lt. - Col. W. E. Johnstone, Burlington, Islander of 1959; Capt. Carl F. Burke, Charlottetown, Islander of 1960; Dr. Frank MacKinnon, Charlottetown, Islander of 1961, and Dr. E. M. Found, Charlottetown, Islander of 1962.

Early announcement is planned of the choice for 1963, to be followed by presentation ceremonies next month.

Letters of nomination are being received, for the attention of the judges, by the Islander of the Year Editor, The Evening Patriot, Charlottetown.

Funeral Held At N. Glasgow

Relatives and friends of Sidney W. Brown were saddened by his sudden death Dec. 31. Although incapacitated to the extent that he could only move about with difficulty, he was mentally alert and always interested in the daily events of his farm home and of the community at large. He was in his 81st year.

The son of the late Mr. and Mrs. Adam Brown, Mr. Brown had lived all his life at New Glasgow. He took a life-long interest in the work of his church.

The immediate relatives are three sisters and two brothers: Mrs. B.C. Woolner, Ottawa; Mrs. Andrew Haggart, Vancouver; Mrs. W.P. MacLeod, Charlottetown; Earle C., Vancouver and Rev. Sterling H., Rapid City, Manitoba.

There are also 24 nephews and nieces.

A sister Pearle, Mrs. C.M. Howatt and three brothers Edgar, Stanley and Ira predeceased him.

The funeral was held Jan. 2 from New Glasgow Church, where Rev. J. M. Bentley conducted the service. Olaf Stevenson rendered a solo "Life's Railway to Heaven".

The pallbearers were W.E. Johnstone, Neil Henderson, Laurie Bertram, Jeremiah Doucette, Fred Smith and Gordon Matheson.

Flower bearers were Ronald Toombs, Gordon Toombs, Huntley Dingwell, and Howard Laird.

Interment was in New Glasgow cemetery.

'ISLANDER' NOMINATION DEADLINE IS WEDNESDAY

Every reader has a chance to greatly influence the choice of the Islander of the Year for 1963, who is to be named soon to be honored through the annual Evening Patriot Award. But time is running short.

Final choice of the Islander of 1963 rests with members of a distinguished board of judges, but they depend on letters of nomination from readers to make sure that their attention is directed to all who should be considered for this distinctive honor.

Failure to make a nomination could deprive the person who most deserves it of this recognition.

The award is intended to be just as available to the humble, who are little known, as to the powerful, who are well known—just as readily to a woman as to a man—wherever it is deserved, and so long as the reasons for proposing the selection are supplied to the judges.

It is the announced purpose that the award shall go to "that man or woman who during 1963 best used the means available to serve a worthy Island purpose."

Letters of nomination in that spirit are invited. They should not exceed 300 words in length. Deadline for letters is noon on Wednesday, Jan. 8. They should be addressed to Islander of the Year Editor, The Evening Patriot, Charlottetown.

Island Ayrshires Producing Well In Performance Tests

Cloverview Mabel, an Ayrshire cow owned by W. A. Moase and Son, Kensington RR placed fourth in a large class of mature cows in records of performance listed in the current issue of the Canadian Ayrshire Review.

Mabel had an unusually high breed class average of 170 in milk and 168 in butterfat with 14,564 pounds milk, 588 fat for an average test of 4.04 per cent.

Blackadder Julie produced 10,021 milk, 412 fat for BCAs of 121 and 122 for George Boswall, Frenchfort in the class for cows 10 years and over.

A cow owned by the Experimental farm here, Mount Pearl Necklace, produced 12,017 milk, 525 fat for BCAs of 153 and 161 as a junior four-year old. Fairvue Burton's Ann produced 9,778 milk, 450 fat for BCAs of 124 and 138 in the same age class for A. MacRae and Sons, Sherwood.

There were several senior two-year-olds qualifying from this province. Twin Hills Daisy produced 10,613 milk, 448 fat for BCAs of 144 and 146 for Almon Wood and Sons, Little York. Greendale Princess produced 9,834 milk, 430 fat for BCAs of 136 and 143 for M. C. Mol, Winsloe.

Fairvue Burton's Marigold produced 9,414 milk, 398 fat with BCAs of 127 and 130 and Fairvue Burton's Blondie 8,937 milk, 390 fat with BCAs of 123 and 129. Both animals are owned by A. MacRae and Sons, Sherwood.

Announce New Healing Substance... Shrinks Piles, Checks Itch

Exclusive healing substance proven to shrink hemorrhoids... and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissues.

One hemorrhoidal case history after another reported "very striking improvement." Pain was promptly and gently relieved... actual reduction or retraction (shrinking) took place.

Among these case histories were a variety of hemorrhoidal conditions. Relief even occurred in cases of long standing, and most important of all, results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue. Bio-Dyne is offered in ointment and suppository form called Preparation H.

In addition to actually shrinking hemorrhoids, Preparation H lubricates and makes elimination less painful. It helps prevent infection which is a principal cause of hemorrhoids.

Just ask your druggist for Preparation H Suppositories or Preparation H Ointment (with a special applicator).

Satisfaction guaranteed or your money refunded.
