Bringing You Up-To-Date On What's New And Interesting at Holman's By G. H. M.

...OULD BE! ... That your home is in the U. S. A. and that you are visiting our Prince Edward Island, and so, that you want to get yourself a really, truly Genuine HARRIS TWEED JACKET to take back home with you! Well, Holman's Men's Wear in Summerside has a whole rack of Harris Tweeds in a variety of handsome weaves with grays, blues, fawns and browns as the predominating shades. These Jackets are beautifully tailored in Canada of the pure wool that has traveled "The Road from the Isles". Yes, the Tweed was woven by the crofters of the Harris Island in Scotland. The available sizes are from 36 to 44 and the price is just \$25.00. You'll wear with pride the Harris Tweed Jacket you bought in Holman's Men's Wear when you visited Prince Edward Island!

...OULD BE! ... That you don't know what the name "DALKEITH" stands for -- well, I'll tell you here and now! The Name "DALKEITH" stands for the finest and best of English WEATERS! They're very heavy and softly knit of pure wavy wool, they're in a collection of perfectly gorgeous shades, they're full fashioned for exceptional fit and they're to be found in Holman's Ladies' Wear, Summerside and Holman's Ladies' Shop, Charlottetown. The present ambition of many a girl is to own a Dalkeith Sweater—either a short sleeved Pullover priced at 6.98 or a long sleeved cardigan priced 8.98. Both in the round necked classic style and both are available in sizes 34 to 40 in Holman's, Summerside and Charlottetown.

...OULD BE! ... Your home needs the decorative usefulness of a TRAY! No need to serve dishes one by one when you can get yourself real beauty from Holman's Both Stores China Departments, Summerside and Charlottetown. These Trays have frames of metal or heavy plastic and the centres are bright, gay and picturesque. Some of them are equipped with matching COASTERS and prices range from 1.95 to 5.95. Ideal for serving and cool Summer drinks whatever, I simply cannot show you can get away from using a Tray. Now, there's something else you'll want for your home ... Sets of eight coasters in a neat little box — they're colorful, decorative and useful and are priced 1.50 and 5.00 in Holman's Both Stores China—Summerside and Charlottetown.

...OH! ... Our Summer is speeding by so rapidly! Here it is time for the Country Schools to open and poor me with no vacation yet! Anyway that is the point, what I want to tell you is that Holman's 5 and 10 in Summerside has a very complete assortment of all the SCHOOL BOOKS AND SUPPLIES needed for grades 1 to 12. A workman cannot do a good job without tools and the required Books are tools of the students. Be ready with your school supplies, so shop for them in Holman's Station Section (5 and 10) in Summerside Store.
