BRITISH ISRAEL.

Sir,—Will you allow me a small space in your popular paper, to present a few thoughts on the identification of the British Nation, with the Lost Ten Tribes of Israel.

Every bible reader knows that the whereabouts of the Ten Tribes, has long been a mystery, which many an earnest soul has endeavored to discover. The idea is held by many persons that the descendants of these Lost Tribes, are to be found in the Anglo-Saxon race. The idea has much to recommend it. If this theory be wrong, it will have done no harm. It strikes at no moral virtue, it impairs not one iota of Christian truth. If right, it will powerfully aid us in discovering our position as to whether we are of the seed of Abraham or a Gentile people.

From the testimony of God's Holy Word through his prophets, we learn that although Israel was to be a nation wandering among the Gentiles and supposed by many to be a Gentile people, yet they were to be marked, as to be recognizable to the earnest and honest searcher after truth, when the fullness of the Gentiles was made manifest.

Thoughtful men and women have applied their powers of reason to the examination of this subject, and in the majority of cases the result has been, an acknowledgment that the evidence presented is sufficiently convincing, to command the fullest confidence, while the most diligent students have admitted, that it is more difficult to reject than accept, and the more they read the more conclusive the evidences are, when prophecy and history are placed side by side. The following are some of the signs or marks which God has given us for our information:

1. Israel would be a multitudinous people, as the sand upon the sea shore, see Gen 22 17, Hos 1-10, Rom 9-27. The Anglo-Saxon race answers to this description, by doubling their population faster than any other nation extant.

2. Israel would become a nation and a company of nations, see Gen. 35-11. This we have in the British nation, and her company of nations are, Canada, Australia, Tasmania, New Zealand, South African States, West African Settlements, Fiji Islands, British India with its 16 distinct nations, as well as the United States all distinctly of Great Britain.

3. Israel would possess the gates of their enemies, see Gen. 22-1. Great Britain is today in possession of all the important gates or strongholds in the world, except Constantinople, which must ultimately fall into the hands of the British. Britain controls Gibraltar, Malta, Aden, Cape Coast Castle, Hong Kong, the Suez Canal and many strongly fortified gates, thus actually ruling the ocean routes of the world, and is mistress of the seas.

4. Israel were commanded to lend, but not to borrow, see Deut. 28-12. The wealth of the British nation is a matter of astonishment to the world. She is the great lending nation of the world, but never borrows. Her unemployed capital is so great that though offered at 2 to 3 per cent borrowers cannot be found.

5. Israel was to be the chief of the nation, Deut. 28-13. The British Government can now dictate to the other nations of the world and compel them to obey its command.

Not wishing to intrude too much upon your space, I will reserve any further identifications for a future letter, and beg to remain yours,

AN ANGLO ISRAELITE.

PERSONAL.

The Montreal Star contains a not very flattering allusion of Hon. John Yeo, "the new Senator for Prince Edward Island."

Mr. W. S. McKie, of Charlottetown, was one of the judges at the horse races on Moosepath Park, St. John yesterday.

Mr. William McPail, of Orwell, late of McGill University has been appointed assistant engineer on the Midland Railroad construction, Nova Scotia.

Mr. Macdonald, of Parrsboro, N. S., was a passenger by the eastern train last evening on his return from a trip to the Magdalen Islands. He is at the Ravers Hotel.

Major John Rogers, the popular representative of Evans & Sons, Montreal, arrived in Charlottetown last evening on one of his regular business trips. He is at the Hotel Davies.

John D Bell, Esq., of Montague left this morning on an extended trip to the Maritime Provinces and the United States. He will attend the Baptist Convention at Detroit and expects to visit Montreal, Ottawa and other Canadian Cities.

Queen Hotel: Mr and Mrs Frank Yeigh, Toronto; Henry W Stewart, St. John; Mrs Joseph Smith, Pearl Smith, Bertha Smith, Gloucester; Thomas E Pope, Mrs Thomas E Pope, Miss Mary R Pope, Miss Ethel M Pope, Boston; George F Owen, Carleton.

Mr. and Mrs. W. Matthews returned to Shediac from P. E. Island on Wednesday. Their many friends are sorry to lose them from their midst, as Mr. Matthews has been appointed to the Methodist Church at Souris, P. E. I.—Sackville Post.

Mr and Mrs Thos E Pope and the two Misses Pope, of Boston, and Mrs Joseph Smith and the Misses Smith, of Gloucester, Mass, were in Charlottetown over night on their way to the North Shore, where they purpose remaining for some time.

At the Hotel Davies: R O Crowe, Toronto; I C Hall, Miss Carrie D Hall, Hotel Acadia; Thos Kirkland and wife, Toronto; Geo B Fraser, Mrs Fraser, Miss Fraser, J Fraser, T L Edmundson, Montreal; A J King, Halifax; Geo C Dunne and wife, Boston; J Rogers, Montreal; F H Longley New Glasgow; Wm Kearns, Ottawa; H E Ellis, St. John.

Mr. George F Owen, agent of the International Exhibition at St. John, N. B., is in town looking up business for the show. He is making arrangements for cheap fares from P. E. Island to St. John for visitors and exhibitors. Judging by the information he has received from Chas. A. Everett, the Manager and Secretary, the Exhibition at St. John is going to be far ahead of any hitherto held in the Maritime Provinces.

A cablegram announces the marriage in England of Miss Monica Hemsley, daughter of Richard Hemsley, of Montreal, to Mr. F. D. Henderson. The wedding took place at the parish church at Erdington, Warwickshire. The bride is a granddaughter of the Rev. Dr. Borthwick, of Montreal. Mr. Henderson was at one time in the service of the Bank of British North America in Halifax, and now holds the position of assistant auditor to the Anglo-American Oil Company, Limited, London. He visited Charlottetown a few years ago, and made many friends during his stay.

CITY IMPROVEMENTS.—The finest piece of work done in this city for some years, is now being performed on what is known as the St. Peter's Road from Brown's corner to the railway crossing. The centre of the street is macadamized to the depth of 9 inches, the lower strata being coarsely broken sandstone, which is covered with crushed hard stone from the city crusher, from drain to drain. The work is so thoroughly done that it will last for many years to come, and with the sidewalks levelled to form a track for our bicycle riders, will be the handiwork of the city. Mr. Douglas, who has charge of the work desires the thanks of the residents of that portion of the city along which the street runs, for the very marked improvement already apparent. We trust that teamsters will not intrude upon the sidewalks, to destroy the much needed drive for our young cyclists. Some protection to the sidewalks should be placed along the drains to keep off any persons reckless enough, to destroy the approaches to our city, by driving horses and carriages on any other part beyond the proper track intended for the use of teams of all kinds. We trust the bye-law relating to sidewalks will be enforced in that part of the city, where the improvements are now being accomplished.

NOTICE.—The Executive of the Y. P. S. C. E., of Zion Church are particularly requested to meet in the basement this evening at 7.30 o'clock. Business of importance. By order of President.

The dwelling house situated on the Gas Light Co's property will be sold by auction on the 16th inst. Adv. tomorrow.

THE OPERA HOUSE.—Last evening the Miles Company played the pretty German drama "Fritz in America" to an appreciative audience. The piece went very smoothly, Mr. Mills and the other members of the company sustaining their respective parts in good shape. Tonight there will be a benefit for the Prince Edward Island Hospital, when "Damon and Pythias" will be put upon the boards. This play was presented about a year ago by the Miles Company and gave the fullest satisfaction. This year it will be put on in even better form as the company has been materially strengthened. Those who wish to see an excellent presentation should make a point of attending. Tomorrow, night the Crescents will have their benefit, when "New Mexico," another excellent play will be produced.

WHAT HAPPENED TO JONES?—A great many people are asking this question. In reply thereto, from all accounts, a great many things happen to him. They begin to happen almost at the rise of the curtain, and keep right at it till the very end. This piece is designed purposely to make its hearers laugh and throw to the winds any glacial calculations they may have on entering the theatre, and there won't many find opportunity for disagreement with the fact that in this it succeeds splendidly. "What Happened to Jones" will be the first play to be presented here by the Harkins Company. Their engagement opening at the Opera House next Monday for the entire week promises to be the most noted thing of the kind this city has ever enjoyed.

TEA AT WELLINGTON.—The tea at Wellington yesterday was a success in every particular. The attendance was large, and the tables, which were well filled with the good things of the season, were extensively patronized. The amusements usual at such gatherings were also provided. We have not heard the amount realized.

RUNAWAY ACCIDENT.—Yesterday afternoon whilst Mr. Michael Duffy, of Kelly's Cross was on his way home from the city his horse took fright and ran away. It is said that the carriage was overturned and Mr. Duffy was dragged some distance. We have not heard the extent of his injuries. The accident occurred about ten miles from the town. Mr. Duffy is a son of Mr. John Duffy, whose house was struck by lightning during the recent storm.

MARRIAGE.—A noticeable wedding occurred at Philadelphia on the evening of the 30th of June, when Rev. Malcolm James McLeod, pastor of third Presbyterian Church, and Miss Edith Morton Wilson, daughter of John N. Wilson, president of the Arasapha Manufacturing Company, were united in marriage in the presence of a large concourse of leading citizens, at Madison Street P. E. Church. Miss Adalaide McLeod, sister of the groom, was one of the bride's attendants, and the best man was Mr. Hector McLeod, of Chicago, a brother of the groom. The wedding trip will include a visit to the principal cities of Europe. The groom is a son of Mr. D. A. McLeod, of Eldon. The happy couple have our congratulations.
