

**NOT COD-LIVER OIL**

but Scott's emulsion of cod-liver oil. They are not the same; far from it.

Scott's emulsion is cod-liver oil prepared for the stomach.

Let cod-liver oil alone if you need it. When your physician orders toast, do you breakfast on flour?

Pure cod-liver oil is hard to take and hard to digest. A man that can keep it down, can saw wood. He thinks he is sick; he is lazy.

We'll send you a little to try if you like.

**Save Your MONEY.**

To save your money, by getting more for it, ask your dealer in medicine to show you the new 50 cent size bottle of JOHNSON'S ANODYNE LINIMENT. It contains over three times as much as the old 25 cent style, which is a great saving to those who use this valuable family medicine. The superior quality of this old Anodyne has never been equalled.

**JOHNSON'S ANODYNE LINIMENT**

Fifty years ago this month, Dr. Johnson left with me some Johnson's Anodyne Liniment. I remember him distinctly, and could tell you just how he was dressed on that day. I have sold Johnson's Liniment ever since. Can truly say it has maintained its high standard from that time to this. No medicine today possesses the confidence of the public to a greater extent. JOHN B. HAZARD, North Waterford, Me., Jan., 1851.

As a family remedy it has been used and endorsed for nearly a century. Every Mother should have it in the house for many common ailments, internal as much as external. Our book on INFLAMMATION free. Price 6¢ and 50¢ J. B. Johnson & Co., Boston, Mass.

**NOTICE TO ELECTORS.**

**QUALIFICATION OF VOTERS, AND HOW TO VOTE.**

In electoral districts of this Province the voting takes place by ballot. There is no registration of voters here.

Every male British subject of the age of 21 years and upwards who has for six months previous to the 9th day of October, A. D., 1900, been in the possession either as owner, tenant or occupant of a house or piece of land of the yearly value of six dollars shall be entitled to vote.

**IN ADDITION TO ABOVE.**

In country districts every male British subject of the age of 21 years who being liable to perform Statute Labour, has performed such Statute Labour or paid his commutation money for the year 1900 shall be entitled to vote provided he has resided for twelve months in the electoral Division.

**IN THE CITY OF CHARLOTTETOWN.**

If a person cannot qualify as a tenant or owner, he may vote on his poll tax, IF

He has resided for twelve months previous to the 9th day of October, A. D., 1900 either east or west of Great George Street, and has paid his poll tax of 75cts of it for the year 1899. OR HE CAN VOTE ON HIS POLL TAX RECEIPT FOR THE PRESENT YEAR 1900. This tax may be paid at any time before the election, but not on election day.

Every resident voter must vote in the polling district where he is living on election day.

We warn poll tax electors to be prepared with their poll tax receipts, before they go into the polling booths. If you do not produce them, your votes will not be taken and you cannot again enter the booth. Tenants and owners do not require receipts.

**ONLY MAKE A CROSS.**

Mark your Ballot as above indicated. Simply place a X in the space containing the name of William S Stewart, the people's candidate for West Queen's. Place no other mark upon the ballot.

The cross must be made with a BLACK lead pencil. No other kind will do.

**Following Irregularities Held Fatal to Votes.**

- 1.—A single stroke instead of a cross.
- 2.—A mark which in itself is a means of identification, such as initials or some other mark known as used by him.
- 3.—Two single strokes not crossing.

No PERSON who has voted at the election shall in any legal proceeding be required to state for whom he voted.—See Sec. 97 of the Election Act

The election law of the Dominion provides for perfect secrecy of the ballot, except in case of a scrutiny before two judges of the Supreme Court. Before a scrutiny can be held, the person desiring one must deposit in Court one thousand dollars as security that he will be successful. No ballot can be examined until it has been first proved that the voter has no vote, and no vote under any circumstances can be examined unless it has been marked objected to before the vote was given. No vote can be marked objected after the voter has received his ballot.

The ballots after being counted are sealed and sent to the Returning officer who without opening the packet or breaking the seals transmits them to the Clerk of the Crown in Chancery, and whilst in the custody of the Clerk of the Crown in Chancery no person is allowed to inspect them.

Besides the polling officers and the agents of the candidates, only one elector may enter the polling booth at a time; he MUST mark his ballot in secret, he MUST hand his ballot folded to the polling officer, who MUST place it in the box without opening, and there is a penalty for displaying the ballot in any way that would afford a clue as to how the elector is voting.

**ECHOES FROM CORRAN BAN AND VICINITY.**

On Friday the 26th inst., occurred the death of Mrs. Bierney, wife of the late Patrick Bierney. She had passed the allotted span by almost a score of years, and was highly esteemed by a wide circle of friends and acquaintances as evidenced by the large concourse of people that on Sunday at 2 p. m., followed the remains to their lasting resting place in the cemetery at Corran Ban. Rev. P. D. McGuigan, who lately succeeded Rev. P. Hogan in the pastoral charge of Tracadie, Corran Ban and Covehead, officiated at the funeral service. The late Mrs. Bierney had two children, but one of whom, Mrs. Philip Hughes, survives her, and to whom we extend our heartfelt sympathy.

Mr. McKenna and Mr. Murphy, of the North American Hotel, made us a pleasant visit on Sunday.

Mr. F. Buote, our sturdy blacksmith, is giving good satisfaction, and has so won the confidence of the people that he is satisfied his business can not be "mahared" by any rival.

It is understood that a political meeting will be held in Grand Tracadie schoolhouse on Monday the 5th prox. The Dominion candidates are not expected to be present but will doubtless be ably represented. A great deal of dissatisfaction is being expressed here about our mail service. The people of Grand Tracadie complain, and I believe justly, that the mail is not properly distributed at Little York and have I understand frequently asked that their mail be sent to Bedford Station and forwarded from that point by courier. This is certainly the most convenient route, but our Tracadie friends say it would not suit our acting assistant postmaster since he has a brother-in-law at York who likes conveying mails and who last summer secured

the contract, without tender, for conveying a daily mail which was not asked for nor required to, Grand Tracadie. Apparently small matters like this which the people note for themselves often has much to do in turning the tide for or against the government. The government has, I dare assert, in this section as in many others, lost a considerable following in thus looking after the interests of private friends at the expense of communities. We, of course, do not regard this as an unmixed evil.

Mr. Hugh Campbell, has just completed a commodious and neatly finished residence for Mr. J. J. Trainor, station agent at Bedford. The mason work was done by Messrs S. Arbing and James Smith. They have rivals but no superiors. Mr. M. McCabe, of Fort Augustus, who prides himself on his ability to do a "good job" will do the plastering.

The farmers are busily engaged hauling "garnets" to Bedford. Messrs. Horne, of Charlottetown, are buying them at 25c a bushel for the West Indies market.

**ECZEMA.**

That torturing and disfiguring disease has its cause in an impure condition of the blood. The impure condition of the blood often arises from a diseased condition of the stomach and allied organs of digestion and nutrition.

When digestion is imperfect, the nutrition of the body is inadequate to its needs. The blood becomes thin, poisons accumulate in it, and these poisons often manifest themselves in some eruptive disease.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It eliminates poisonous substances from the blood, purifying it and increasing its quantity and richness. The "Discovery" cures perfectly diseases of the blood and other diseases which originate in a diseased condition of the stomach.

The "Discovery" is absolutely a non-alcoholic and non-narcotic medicine. There is nothing "just as good."

"For three years I have suffered with that dreaded disease, eczema," writes Mrs. J. Koepf, of Herman, Oregon. "I was told to try Dr. Pierce's Golden Medical Discovery, which I did, and after I had taken fourteen bottles I was permanently cured. It has been a year since I stopped taking your medicine and it has never appeared since. I think your medicine a wonderful cure and hope others suffering as I did will take it and be relieved of their suffering."

Doctor Pierce's Pleasant Pellets are powerful aids to the cleansing of the clogged system. By all dealers in medicine.
