

# Two Players Tie For Top Position In British Open

ST. ANNES-ON-THE-SEA, England (CP)—Peter Thomson of Australia and Dave Thomas of Wales tied with record 273 scores after four regular rounds of the British Open golf tournament Friday. They will play off for the championship over 36 holes today.

Their scores for 72 holes wiped out the former open record of 279 first made by Bobby Locke of South Africa at Troon in 1950 and equalled by him at St. Andrews last year.

Today's playoff at the Royal Lytham and St. Anne's links is the first in the open since 1949.

The competition on the last few holes produced a head-to-head, lead-changing drama that belongs among the classics of golf.

Thomson had rounds of 66, 72, 67 and 73. Thomas scored 70, 68, 69 and 71.

On the 18th, Thomas was short, some yards from the flag, while Thomson with his second shot was 12 feet from the pin. Thomas sent his ball narrowly past the cup and finished a yard wide. Thomson missed his putt by inches and both finished with 68.

Two other records were equalled Friday. Brown came home in 30 this morning for a third round 65. The hole score matched the open record, first set by Henry Cotton in 1934 and equalled by Argentina's Leopold Ruiz Thursday. The nine tied the low mark Brown set himself last year.

# Yanks Swamp Senators; Redlegs Win Twin Bill

One-time National League MVP Herm Wehmeier tossed a six-hitter at Cleveland Indians to post his first American League win, a 3-1 victory for Detroit Tigers.

The victory was the second game of an Independence Day double-bill that saw Cleveland lean on the big bat of Larry Doby for a 6-1 victory in the opener.

Doby had a perfect day at bat belting a three-run homer and three singles in four trips to the plate.

Billy Martin helped Wehmeier in that second game, by busting a game-winning homer in the seventh.

In other American League action Friday, the leading New York Yankees swept both ends of a doubleheader from Washington, 2-1 and 13-2. Baltimore split with Boston winning 5-3 and losing the opener 5-1. Kansas City took both ends from Chicago 6-5 and 4-3.

In the National League, Cincinnati ended a three-game batting slump by topping Pittsburgh Pirates, 4-3 and 8-3. Milwaukee lost both games with Philadelphia, 5-1 and 4-0.

At San Francisco, the Giants edged Chicago Cubs 6-5 on Willie Mays single with two out in the ninth inning of the first game of a twin-bill.

Dave Hillman came back to pitch the Cubs to a 6-1 triumph in the second game before 22,715 fans.

Bullet Bob Turley pitched a three-hitter for the Yanks and socked a homer in their first game win over Washington. Another pitcher, Art Ditmar tossed a four-hitter and proved an able batter, slugging four singles to help in his 13-2 nightcap win.

Bill Tuttle and Harry Simpson hit homers for the Athletics in their second game win over Chicago White Sox.

Baltimore had to rally in the late innings to grab their second game win and a split with the Red Sox. The Sox won the opener on the strength of Frank Sullivan's five-hitter and a three-run triple by Sammy White.

Jack Sanford blanked the defending world champion Braves on another five-hitter in the second game of a double-bill. Curt Simmons pitched the victory for the Phillies in the opener.

Big hero of the opener for the Phils was Carl Sawatski, obtained from the Braves three weeks ago. He collected four straight hits, including his second homer of the year, a double and two singles.

The Redlegs used a barrage of five homers and a flock of lesser hits to nail the double win from the Pirates.

Gus Bell hit two round trippers in the second game.

THE GREAT ANTONIO

Not the Hunchback of Notre Dame or a fugitive from a chain gang. This is the Great Antonio who will appear at the Civic Stadium on Wednesday. There he will demonstrate his marvellous feats of strength. He will demonstrate how easy it is for him to pull a car tied to his hair. He has demonstrated his ability to haul five large buses along the road. This modern Superman will be one of the attractions on Wrestling night at Civic Stadium.

# Durelle Ready For Title Bout

By EDDIE ST. PIERRE  
Canadian Press Correspondent  
MONCTON (CP)—A weather-tanned Yvon Durelle, looking trim and fit at 172½ pounds, looked forward with confidence Friday to his British Empire light-heavyweight title fight July 16 in Montreal against challenger Mike Holt.

Dripping with sweat after a strenuous workout, the Baie Ste. Anne, N.B. lobster fisherman said, "the fight could be today or tomorrow."

"I'm ready right now. My punching is good and I'm looking forward to stopping Holt."

"This guy Holt has two arms, two eyes and a head and I'm aiming to hit them on July 16."

Durelle was interrupted by manager Chris Shaban who said, "Don't sell this guy Holt short. He's a good fighter and a good puncher. You can be sure he's trained to go 20 rounds and the weather in Montreal will probably suit him to a T. He's used to warm, humid weather coming from Africa." The July 16 fight is scheduled to go 12 rounds.

DOWN THE BACK STRETCH

**Chatham:** pacing, P. Lagman (Roy Barnett) 2:06. 1-5 which is also a new track record. The former track record was made in 1949 by Harry Direct, time 2:07½. Flagman owned by Soucy Automobiles Inc., Rimouski, P.Q.

**PEARNALTY**  
We notice that in a despatch from Westbury, Long Island, to the New York Times, dated June 28, Del Miller, one of the world's leading harness horse trainers, was suspended for 15 days by the judges at Rossvet Raceway for driving "in a manner inconsistent with an attempt to win" during the eight race on the night of June 27.

As a result, Miller was not allowed to drive in the \$150,000 Mes-senger Stake last night. As we pointed out in this column some time ago, drivers are making a mistake in trying to make "a mistake in the rules" and the judges here and elsewhere should be backed up in their efforts to see that racing is conducted according to the rules.

Dow Cloverater writes us from Fredericton re the Dominion Day races at Chatham. These are extracts: "Before a crowd of more than 2,000 fans, Flagman, a four-year-old bay horse stepped the Chatham oval in 2:06 4-5 and 2:06 1-5 to twice break the track pacing mark of 2:07½, established in 1943 by Harry Direct. Flagman, owned by James Wait, Gaspe, Quebec, and driven by Roy Barnett, put on a terrific display of speed and gameness as he outpaced the classy field and sliced more than two seconds off his former mark of 2:08 2-5, taken last year.

"Credit must also be given to Walter Rosecroft that was just beaten by a nose by Flagman in the second overshadowed the feature event of the twelve-horse card - the \$1,500 Miramichi Stake, for non-winners of \$100, which was won by Cathy Clegg in a race-off with Lola Dale and Pearl Mac in 2:12 3-5.

**NEW RECORD**  
The eight-year-old Cathy Clegg, owned and driven by W. E. Bow-ness of Summerside, P. E. I., won the second heat of her division in 2:11 3-5, a new record for the Stake. Lola Dale, a three-year-old owned by the Valley Stables of East Florenceville, N.B., and driven by Clayton Killam, won the first heat of her division

in 2:13 3-5, to take a new record and establish the fastest mile by a three-year-old in the Maritimes this season.

"Pearl Mac, owned by Stanley Mayhew, Kinkora, P.E.I., and driven by Clarke Smith, won both heats of her division in 2:14 2-5 and 2:17 1-5. In all, it was quite a day at Chatham. The track record was broken twice, the Stake record was lowered, and four horses lowered their records, one of them doing it twice.

Mac Dale, owned by G. C. Alexander, with driver Coughlan, won the fourth dash at Saint John Raceway on Wednesday night, with Watson's Starr (Morrissey) 2, Dixie K. (Nicholson) 3, four other starters, time 2:12 3-5 - the fastest of the night. In the eighth dash with the same field, Watson's Starr (Morrissey) 1, Mac Dale 2, Flaming High (Kirkpatrick) 3; time 2:16 3-5. Driver Morrissey is a native of this province.

At Fredericton on Wednesday night, the 3rd and 7th dashes were won by Rummyhead Beale with driver Monty, Joanne Castle Ade (Devlin) 2-7, Joanne Castle (Savage) 5-2, time 2:11 and 2:12. The fourth dash was won by Hal's Mac driver Killam up in 2:11. This mare took a record last year as a three-year-old of 2:09 3-5 and was sired by N. D. Hal. In the 8th dash with the same field, Mr. Miller Abbe (Lindon) 1, time 2:13 1-5, with Hal's Mae (Killam) 2.

**LOOKS GOOD**  
Race secretary and classifier, E. Frank Acorn, has three splendid programs coming at Charlottetown. One will be raced tonight and it will feature horses that have not started previously, and on Monday night, there will be a free-for-all in which the little free-legged pacer, Ginger E., driven by Lorne Kelly, will meet the fastest performers at the track. Also Ann's Dream from Summerside. So miles in 2:10 or better can be expected.

The other classes are of the type that will mean good contests. On Wednesday night, July 9, another good program of selections has been compiled. With year-old owned by the Valley Stables of East Florenceville, N.B., and driven by Clayton Killam, won the first heat of her division

# City Tennis Club Gets Underway

Activities will get underway officially this afternoon at the Charlottetown Tennis Club at Victoria Park.

The tennis game almost met its Waterloo in this area during the past year or two because of lack of interest. However, this year things look much better in every way. Membership is increasing every day and looks very promising.

The tennis courts are in very good shape and will improve within the next week or so. As for the surroundings, the City Council, has been most generous in providing the services of two men during the past two weeks to repair and paint the fences. A large area has been levelled and a beautiful lawn is now located there. It is hoped that in the near future different games such as croquet and checkers will be installed for additional amusement.

The members of the tennis club extend a hearty vote of

thanks to the City Council and especially to Mr. Gerald Foster for all the help and interest they have shown.

An afternoon tea will be served to-day at 4 o'clock and the hostesses will be Misses Jacqueline Cummiskey and Miss Elizabeth Coyle. So, if you are at all interested in tennis come and join us today.

The following officers were elected at the annual meeting of the Club this year:

Honorary president, Premier A. W. Matheson; president, J. Wilmer Blanchard; vice-president, J. B. Johnston; secretary-treasurer, Jacqueline Cummiskey.

Committees - Grounds, Leonard Driscoll; Membership, Louis Kays; Entertainment, Elizabeth Coyle; Tournament, Douglas George.

Executive members: G. Fitzgerald, Paul Kays, Harold Power.

# Terra Firma Wins Handicap

Lincoln Road, trying for his second successive victory after taking his last start in the Jersey Stakes on May 24, led comfortably from the start of the mile and a furlong test in Washington Park until Terra Firma caught him at the eighth pole.

It was then that the two three-year-olds colts fought it out the rest of the way. Louis C. Cook, aboard Terra Firma, and Ismael Alvarezuela, on Lincoln Road for the first time, frantically whipped their mounts to the wire.

Mrs. Ada L. Rice's Judge was third.

LOUISVILLE, Ky. (AP)—Jesse Bowdry, the savage puncher from St. Louis, scored a technical knockout over Jerry Luedee Friday night in the eighth round of their scheduled 10-round light-heavyweight fight at Freedom Hall.

It was the first time that Luedee, from New Haven, Conn., had lost a fight by a knockout since starting his professional career.

Both fighters were bleeding from the nose and Luedee also had a deep cut over his right eye at the end of the nationally televised fight.

Bowdry, ranked eighth among the light-heavyweights, went to work on Luedee's body and head in the opening round, then con-

# Aces & Lions Are Winners

Rollaway Aces and Barry's Lions scored victories in the City Softball League last evening, the Aces shading the R.C.A.F. Flyers 6-4 and the Lions walloping the B.I.S. Shamrocks 8-2.

The Aces led off in the first inning with three runs and for the remainder of the game never looked back. Wilf Shephard, moundsman for the winners, pitched 5.5 hit ball in stopping the airforce squad.

Pitching for the losers was Marchand. He gave up a total of 7 hits and walked two.

The longest hit of the game was a homer. This beauty was smashed by Paddy Shepherd of the Aces deep into the outfield be-

between the centre and rightfielder. The bases were empty at the time.

Sawyer of the Flyers was ejected in the fifth inning for protesting too loudly a call by the base judge Jackie Kane. He was replaced by Smith.

In the other fixture on Queen Charlotte Diamond, the Lions had Lorne Israel and Vince Bradley doing the pitching chores in downing the lowly Irishmen. Israel pitched five innings and Bradley pitched two with each man giving up one run. Joe Thistle was on the mound for the losers.

# HUNTERS CORNER

## The Hunting Dog Problem Gets Greater Each Year

How often we are prone to lament the destruction of our wildlife, particularly so our game and song birds, by crows, ravens, skunks, foxes etc., and overlook the menace on our very door step...our hunting dogs and house cats allowed to roam at will over the countryside during the spring and summer months. The hunting dog problem is assuming greater proportions with each passing season. Shortly after daybreak this spring I watched a pack of seven dogs in full cry on a game trail, crossing a narrow strip of open ground between one bush and another. They were not all pure bred hunting dogs. Four were cross-breeds and they're more persistent and harder to shake off than a full breed.

Our Game Act covers this and enacts a stiff penalty for allowing a hunting dog to run at large and not under the control of its owner or master. So far as preventing any useful purpose the game Act is a forgotten bit of legislation. Every summer farmers are reporting the loss of range poultry from stray hunting dogs. One admitted he blamed foxes until he caught the dog in the act. He shot the dog and his poultry losses ceased forthwith. In the district of Alexandria alone five hunting dogs are reported roaming the countryside at will and several of these are allegedly owned by men who hunt Huns and pheasants every fall!

During the years I farmed at Mount Allison I kept our family cat enclosed in a roomy wire enclosure during the spring and summer months. I caught and picked up young swallows just learning the art of flying. When they'd alight to rest on a pile of boards in the yard she'd have one as slick as a butten. This week I talked to a farmer of my acquaintance. He told me while harrowing at the back of his farm he watched a big tom cat travel like a squirrel along a line of spruce trees by running out on a limb and jumping to the next. He wondered why such antics until he saw him stop and hook four fledgling robins out of a nest. He took his gun along on the next trip and in a week shot seven cats...his own among the lot. Most tom cats, and this spring is no exception, go on an extended vacation camp and remain out until late fall.

This spring a farm cat destroyed 4 Robin nests on a farm premises. The farmer told me he wondered why his cat was sitting in the Garage watching an opening under the swinging doors. He didn't know at the time that a robin had her nest on a shelf over the doors. When they were closed the only way she could enter was by slipping under. He saw the robin enter more by chance than anything else and rushed to open the doors. He was too late...the robin was in the cats mouth quite dead. The unhatched eggs are still in the nest. Three other nests with 4 young in the trees around the barn and house were cleaned out by the same cat. Needless to say this particular cat will destroy no more birds. In the words of the farmer: "I'd rather have the cheery song of birds on the farm
